Shrinking Violets and Caspar Milquetoasts
Patricia McDaniel 2003-11-01 Since World War
II Americans' attitudes towards shyness have
changed. The women's movement and the sexual
revolution raised questions about
communication, self-expression, intimacy, and
personality, leading to new concerns about
shyness. At the same time, the growth of
psychotherapy and the mental health industry
brought shyness to the attention of professionals

who began to regard it as an illness in need of a cure. But what is shyness? How is it related to gender, race, and class identities? And what does its stigmatization say about our culture? In *Shrinking Violets* and *Caspar Milquetoasts*, Patricia McDaniel tells the story of shyness. Using popular self-help books and magazine articles she shows how prevailing attitudes toward shyness frequently work to disempower women. She draws on evidence as diverse as 1950s views of shyness as a womanly virtue to contemporary views of shyness as a barrier to intimacy to highlight how cultural standards governing shyness reproduce and maintain power differences between and among women and men.

The Top 10 Dumbest Christian Beliefs La Monte

McNeese 2004-08-01 "The Top Ten Dumbest Christian Beliefs" is a witty, easy to read, thought provoking, soft cover manuscript that readers will not want to put down. It is a concise and refreshing challenge to the learned ignorance commonly preached and taught from today's pulpits. "The Top Ten Dumbest Christian Beliefs" is surprisingly non-judgmental and not heavy on theological jargon. It cuts through the psycho babel, enlightening the reader with objective views that will strengthen their faith and cause them to become critical thinkers. "The Top Ten Dumbest Christian Beliefs" is a life changing walk through the Christian no spin zone that will arouse the intellect, stimulate emotions and cultivate a desire to study and learn more about God's word.
