RODRIGUEZ 2017-03-26 La Biblia, es la historia pre-enjuiciada del Antiguo Egipto, contada por los hebreos, quienes la han alterado tanto...que la quieren hacer suya. Este libro pretende demostrar esa verdad, de forma irrefutable. Hemos sido víctimas de un gran fraude, protagonizado por Mensajeros de Mentiras. Reflexiones acerca de la Obra: -Si Jesús, resucitara, se espantaría, cuando vea lo que hicieron los religiosos con los unos y con los otros, y como, han prosperado los Mercaderes en los Templos. -El Hombre ha buscado la Verdad por milenios. Lo único que ha encontrado es...a otro Hombre...que dice tenerla. -El Hombre es Verdad y Mentira, como también: es Día y Noche, Blanco y Negro, Luz y Oscuridad, Frío y Caliente, Valiente y Miedoso, Inocente y Asesino, Juez y Ejecutor, Trágico y Cómico, Tristeza y Alegría, Materia y Espíritu...Dios y Hombre, todo...a la vez.

The Secret History of the Jesuits

Edmond Paris 2011 Secrets the Jesuits don't

want Christians to know Out of Europe, a voice is heard from the secular world that documents historically the same information told by ex-priests. The author exposes the Vatican's involvement in world politics, intrigues, and the fomenting of wars throughout history. It appears, beyond any doubt, that the Roman Catholic institution is not a Christian church and never was. The poor Roman Catholic people have been betrayed by her and are facing spiritual disaster. Paris shows that Rome is responsible for the two great world wars. Author Edmond Paris explains why he wrote this book... "The public is practically unaware of the overwhelming responsibility carried by the Vatican and its Jesuits in the start of the two world wars -- a situation which may be explained in part by the gigantic finances at the disposition of the Vatican and its Jesuits, giving them power in so many spheres, especially since the last conflict." "In fact, the part they took in those tragic events has hardly been mentioned until the present time, except by apologists eager to disguise it. It is with the aim of rectifying this and establishing the true facts that we present in this and other books the political activity of the Vatican during the contemporary -- activity which mutually concerns the Jesuits." "This study is based

on irrefutable archive documents, publications from well-known political personalities, diplomats, ambassadors and eminent writers, most of whom are Catholics, even attested by the imprimatur." *A Short History of England* G. Power Through Prayer Edward M. Bounds 2021-09-21 The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied

relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. - Albert A. Head.

Los siete rostros de Jesús Juan Manuel de Castells Tejón 2009-04-01 Este libro responde una serie de interrogantes sobre la religión católica, presentando la tesis de una elaboración progresiva de los evangelios, cuyos autores compendieron todas las creencias es del mundo judío de la diáspora y del mundo grecorromano. De esta forma, los evangelistas fueron incorporando sucesivamente los siete personajes que resumían la espiritualidad de ambos mundos. De esta forma, los evangelistas fueron incorporando sucesivamente los siete personajes que resumían la espiritualidad de ambos mundos: el Mesías davídico, el profeta apocalíptico, el filósofo estoico-cínico, el logos, el dios que muere y resucita, el taumaturgo y el revelador gnóstico.

Por qué Creo en lo que Creo Reynaldo Pareja 2018-08-01 Si no hacemos preguntas atrevidas sobre lo que creemos no crecemos interiormente, no asumimos conscientemente lo que nos dijeron de pequeños que deberíamos creer. Creer como se cree de niño o de joven no es lo mismo que como se cree de adulto puesto que se han adquirido marcos de referencia que permiten analizar críticamente lo que nos enseñaron de la religión, de Dios, de la vida después de la muerte, del sentido ético y moral de la presente vida. De adulto se tiene la capacidad desarrollada para percibir las contradicciones entre lo que se ve y se constata en el diario vivir, y lo que dicen los "profesionales" que debe ser la realidad espiritual. No escribo como teólogo, aunque estudié teología. No escribo como filósofo, aunque estudié filosofía. No escribo como sociólogo aunque estudié sociología. No quiero hacer un tratado de teología, ni de filosofía, ni de sociología. Escribo para creyentes como yo, que están en la

búsqueda de respuestas más satisfactorias a las preguntas que tienen de su fe cristiana. Escribo con el fin de compartir estas reflexiones que han zumbado por mi espíritu inquisidor y que, sólo en la soledad del encuentro personal con mi propia autenticidad en el pensar y sentir, he encontrado soluciones satisfactorias. Escribo para compartir con los que leen estas ideas duramente trabajadas, que me han servido para solucionar las contradicciones que he encontrado en la fe cristiana con la que crecí. Mi empeño al escribir estas notas es compartir con el lector aquello que me llevó a sentirme vivo en mi fe, vibrando de emoción al comprender y aceptar que hay diferentes perspectivas que pueden iluminarnos y llevarnos a entender que Dios se manifiesta de diferentes formas de acuerdo con la cultura, con los esquemas mentales, con la riqueza del tiempo, con la antigüedad y madurez de aquellos a quienes Él les habla, en cada etapa en la que Él decide que tiene que hacerlo porque ese segmento de la humanidad lo necesita. Esta es pues, una invitación de coraje. Acompañeme, estimado lector, en la revisión audaz de muchas creencias con las cuales nos criamos y absorbimos sin ningún cuestionamiento para descubrir respuestas diferentes y valederas.

Unbroken Curses Rebecca Brown 1995-12-01 Why Many Bad Things Happen to Good People... The Problem Are you one of the many victims of an unbroken curse? Today, countless Christians throughout the world are plagued by unexplained poverty, calamities, and a variety of adverse circumstances. Their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation, physical and mental illness, and a myriad of catastrophic events. Usually, they are unaware that their plight is the result of an unbroken curse that has been placed upon them and perhaps upon their families. Some of the Causes Hatred and jealousy Trespassing on the devil's territory Handling unholy things Inherited curses Breaking vows to God The Solution The Bible specifically instructs every believer to avoid curses and to recognize and break them. Yet, an astonishing number of Bible-believing Christians have either not read or do not remember these essential spiritual principles. Thus, many believers live under the affliction of unbroken curses. This book will show you the necessary biblical steps to recognize, prevent, and break every type of curse.

Jesús. La historia alternativa Carlos Uribe Celis 2018-09-01 Con un enfoque crítico-histórico, este libro presenta una historia material y realista de la vida, pasión

y muerte de Jesús. La tradición historiográfica conocida como La búsqueda de Jesús ha estado vigente al menos en los últimos tres siglos. Sus fuentes son principalmente la crítica textual: qué dicen y qué omiten los evangelios canónicos; la crítica histórica, es decir qué registraron sobre Jesús los historiadores, políticos y militares de su época; y la arqueología, que permite comprender los contextos y comportamientos en el tiempo en que vivió Jesús y apareció el cristianismo. Sobre esta base, este libro toma partido por varias de estas tesis y hace algunos aportes sobre el estudio del Jesús histórico, muchos de ellos desconocidos para el público general como, por ejemplo, que la familia de Jesús en galilea es adoptiva, que Jesús se entrega él mismo a la autoridad judía y Judas es su agente, y que Jesús no muere en la cruz sino en India.

Our Lady of Everyday Life María Del Socorro Castañeda-Liles 2018-03-01 For Mexican Catholic women in the United States, devotion to Our Lady of Guadalupe-La Virgen-is a necessary aspect of their cultural identity. In this masterful ethnography, María Del Socorro Castañeda-Liles considers three generations of Mexican-origin women between the ages of 18 and 82. She examines the Catholic beliefs the women inherited from their mothers and how these beliefs become the template from which they first learn to see themselves as people of faith. She also offers a comprehensive analysis of how Catholicism creates a culture in which Mexican-origin women learn how to be "good girls" in a manner that reduces their agency to rubble. Through the nexus of faith and lived experience, these women develop a type of Mexican Catholic imagination that helps them challenge the sanctification of shame, guilt, and aguante (endurance at all cost). This imagination allows these women to transgress strict notions of what a good Catholic woman should be while retaining life-giving aspects of Catholicism. This transgression is most visible in their relationship to La Virgen, which is a fluid and deeply engaged process of self-awareness in everyday life.

Church: Charism and Power Leonardo Boff 2012-01-30 Why the furor over this book? Why was Church: Charism and Power the subject of a Vatican inquiry? The reason, ironically enough, has little to do with its alleged use of Marxist thought, but rather with its critical understanding of the church in the light of the gospel. Church: Charism and Power is a provocative, devastating critique of the ways in which power, sacred power, is controlled and exercised in the Roman Catholic Church. It is a militant book, a radical book, but it is by no means defective in orthodoxy. In fact, with all its criticism it offers a brilliant defense of the historical claims of Roman Catholicism. Its central thesis argues that since the fourth century the church has fallen victim to a kind of power that has nothing to do with the gospel and everything to do with the dynamics of power with all of its inevitable abuses. This historical reality, enshrined in the monarchical model of the church, was undermined at the Second Vatican Council and replaced by that of the church as people of God. This 'laical' model is closely allied in Boff's exposition with the notion of the church as sacrament of the Holy Spirit: the church as "sign and instrument of the now living and risen Christ, that is the Holy Spirit." A pneumatic ecclesiology such as this would lead the church back to its primitive dynamics of community, cooperation, and charism. It would create a church in which everyone shared equally and where flexible and appropriate ministries conformed to needs as they arose. Is such a church possible? Is it not simply the utopian dream of idealists and sectarians down through the ages? No, says Father Boff, given the incredible growth

throughout Latin America of comunidades eclesiales de base, base communities, where the people express and achieve their desire for participation and where the hierarchy divests itself of its titles and ecclesiastical baggage, creating a common desire for community and equality. This model of the church has acquired an unexpected historical possibility: the new church is in the process of being born. This church, the church being born from the faith of the poor, has rediscovered for itself--and for the church universal--the living presence of the dangerous memory of Jesus Christ.

La Rebelión De Los Dioses Carlos Alonzo Carrillo 2016-11-30 La rebelión de los dioses es el libro esperado para analizar el torneo que se desarrolló entre la corte de los dioses griegos y romanos y el cristianismo; de esta revuelta que se produjo dentro del imperio romano en el siglo IV, tenía que salir un vencedor; para sorpresa, el afortunado fue Jesús de Nazaret. Desde entonces se convirtió en un ser mitológico que fue incluido dentro de la Trinidad cristiana; por esta razón se parece a una de las trilogas de dioses de las religiones politeístas. En este libro se analiza la personalidad controvertida del neurtico de Pablo quien después de una crisis de epilepsia, se autodenominó el apóstol de los gentiles, sin la autorización de Jesús a quien incluso, nunca conoció. A partir de entonces con sus enseñanzas alteradas, el cristianismo comenzó a perfilarse, hasta convertirse en la Iglesia Católica Apostólica y Romana gracias al emperador Constantino I el Grande. De la genialidad de Carlos Alonzo Carrillo surge este libro; que en pocas décadas del oscurantismo habrá pasado a formar parte de las máximas herejías condenadas por el poder de la Inquisición. Ahora que tiene libertad para leerlo, por ningún motivo debe faltar dentro de su colección; porque aparte de su valiosa información, es bastante entretenido.

Pederastia en la Iglesia católica Pepe Rodríguez 2002 Delitos sexuales del clero contra menores, un drama silenciado y encubierto por los obispos."Pepe Rodríguez, periodista y exitoso autor de obras como Adicción a sectas, La vida sexual del clero o Mentiras fundamentales de la Iglesia católica realiza en esta ocasión una cruda denuncia contra la alta jerarquía de la Iglesia católica a la que acusa de encubrir miles de abusos sexuales a menores cometidos por el clero en todo el mundo, si bien se centra fundamentalmente en España, país donde estos abusos sexuales son un hecho desgraciadamente habitual y normal desde hace siglos, así como lo es también la impunidad de la que goza ese clero delincuente."En poco tiempo, cientos de sacerdotes han sido condenados judicialmente por cometer delitos sexuales contra menores y un buen número de obispos han cesado de sus cargos al hacerse públicas sus conductas pederásticas. La Iglesia esconde y minimiza este tremendo problema, pero no estamos ante algo puntual sino ante la consecuencia de sus graves errores estructurales. En Pederastia en la Iglesia católica se analiza y denuncia, con solidez y dureza, la realidad, causas y efectos de la pederastia clerical, se cuantifica su dimensión, y se muestra que la cúpula de la Iglesia, incluido el Papa, mantiene una legislación canónica que obliga a encubrir y perdonar los delitos del clero. Pepe Rodríguez demuestra que encubrir esos delitos es una práctica cotidiana en las diócesis católicas, aportando un gran número de casos bien significativos, con nombres y apellidos, de España, Francia, Italia, Alemania, Austria, Polonia, Gran Bretaña, Irlanda, Estados Unidos, México, Centroamérica, Costa Rica, Puerto Rico, Colombia, Argentina, Chile... Australia; y en su B+ decálogo de los prelados para el encubrimiento B; aflora las vergonzosas maniobras que estos realizan a fin de proteger al clero pederasta. Pero, aunque el objetivo del libro es demostrar la inmoralidad del gobierno de la Iglesia ante este problema, el autor no olvida lo fundamental, eso es, la situación psicológica

y social de las víctimas y sus familiares, aportando las recomendaciones indispensables para poder detectar y protegerse del clero agresor. B+ El problema fundamental no reside tanto en que haya sacerdotes que abusen sexualmente de menores, sino en que el Código de Derecho Canónico vigente, así como todas las instrucciones del Papa y de la curia del Vaticano, obligan a encubrir esos delitos y a proteger al clero delincuente. En consecuencia, los cardenales, obispos y el propio gobierno vaticano practican con plena conciencia el más vergonzoso de los delitos: el encubrimiento. B; Pepe Rodríguez B+ Las conductas de abuso sexual a menores por parte de clérigos, así como el patrón de conducta encubridor por parte de las autoridades eclesásticas, contradicen el Evangelio, vulneran la dignidad y los derechos fundamentales de la persona, y cuestionan la naturaleza misma de la misión de la Iglesia en el mundo y el papel de sus autoridades. Mentiras fundamentales de la Iglesia Católica Pepe Rodríguez 2012-06-27 Un análisis de las graves contradicciones y manipulaciones de los textos bíblicos y de la figura del Jesús histórico. En el Nuevo Testamento se demuestra sin lugar a dudas que Jesús fue un judío que no quiso fundar ninguna nueva religión ni Iglesia, que no se creyó hijo de Dios y que tuvo como mínimo seis hermanos carnales. Los propios Evangelios cuestionan dogmas católicos básicos al mostrar que los apóstoles, por ejemplo, no creyeron en la divinidad de Jesús ni en la virginidad de María ni en la resurrección. La figura del Papa pierde su autoridad cuando se conocen las artimañas que la posibilitaron, máxime cuando Jesús repudió expresamente el sacerdocio profesional. El cristianismo adquiere otro tinte cuando se comprueba que sus fundamentos no proceden de Jesús sino de san Pablo. En este libro, el Dr. Pepe Rodríguez realiza un análisis a fondo de la

Biblia que permite conocer qué se dejó escrito, en qué circunstancias, quién lo escribió, cuándo y, sobre todo, qué textos se manipularon y cómo se pervirtieron con el paso de los siglos. Con esta obra, el autor hace posible que creyentes y no creyentes encuentren las respuestas que siempre les han hurtado y puedan tener criterios sólidos sobre el origen del cristianismo. Publicado por primera vez en 1997, *Mentiras fundamentales de la Iglesia católica* obtuvo un gran éxito (más de 150.000 ejemplares vendidos y traducciones a varias lenguas). Una década después, el autor ha revisado, actualizado y ampliado el texto, incluyendo nuevos temas, datos, reflexiones y conclusiones.

In the Closet of the Vatican Frederic Martel 2019-02-21 The New York Times Bestseller '[An] earth-shaking exposé of clerical corruption' - National Catholic Reporter In the Closet of the Vatican exposes the rot at the heart of the Vatican and the Roman Catholic Church today. This brilliant piece of investigative writing is based on four years' authoritative research, including extensive interviews with those in power. The celibacy of priests, the condemnation of the use of contraceptives, the cover up of countless cases of sexual abuse, the resignation of Benedict XVI, misogyny among the clergy, the dramatic fall in Europe of the number of vocations to the priesthood, the plotting against Pope Francis - all these issues are clouded in mystery and secrecy. In the Closet of the Vatican is a book that reveals these secrets and penetrates this enigma. It derives from a system founded on a clerical culture of secrecy which starts in junior seminaries and continues right up to the Vatican itself. It is based on the double lives of priests and on extreme homophobia. The resulting schizophrenia in the Church is hard to fathom. But the more a prelate is homophobic, the more likely it is that he is himself gay. 'Behind rigidity there is always something hidden, in many cases a double life'. These are the words of Pope Francis himself and with them the Pope has unlocked the Closet. No one can claim to

really understand the Catholic Church today until they have read this book. It reveals a truth that is extraordinary and disturbing.

Who Wrote the Bible? Richard Friedman 2019-01-15 A much anticipated reissue of *Who Wrote the Bible?*—the contemporary classic the *New York Times Book Review* called “a thought-provoking [and] perceptive guide” that identifies the individual writers of the Pentateuch and explains what they can teach us about the origins of the Bible. For thousands of years, the prophet Moses was regarded as the sole author of the first five books of the Bible, known as the Pentateuch. According to tradition, Moses was divinely directed to write down foundational events in the history of the world: the creation of humans, the worldwide flood, the laws as they were handed down at Mt. Sinai, and the cycle of Israel's enslavement and liberation from Egypt. However, these stories—and their

frequent discrepancies—provoke questions: why does the first chapter in Genesis say that man and woman were made in God's image, while the second says that woman was made from man's rib? Why does one account of the flood say it lasted forty days, while another records no less than one hundred? And why do some stories reflect the history of southern Judah, while others seem sourced from northern Israel? Originally published in 1987, Richard Friedman's *Who Wrote the Bible?* joins a host of modern scholars who show that the Pentateuch was written by at least four distinct voices—separated by borders, political alliances, and particular moments in history—then connected by brilliant editors. Rather than cast doubt onto the legitimacy of the Bible, Friedman uses these divergent accounts to illuminate a text that was written by real people. Friedman's seminal and bestselling text is a comprehensive and authoritative answer to the question: just who exactly wrote the Bible?

History of Christianity Paul Johnson 2012-03-27 First published in 1976, Paul Johnson's exceptional study of Christianity has been loved and widely hailed for its intensive research, writing, and magnitude—“a tour de force, one of the most ambitious surveys of the history of Christianity ever attempted and perhaps the most radical” (*New York Review of Books*). In a highly readable companion to books on faith and history, the scholar and author Johnson has illuminated the Christian world and its fascinating history in a way that no other has. Johnson takes off in the year AD 49 with his namesake the apostle Paul. Thus beginning an ambitious quest to paint the centuries since the founding of a little-known 'Jesus Sect', *A History of Christianity* explores to a great degree the evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent sects of Christianity and the people who followed them. Information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable.

Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout history—has never before been contained in such a captivating work.

Strange Fire John F. MacArthur 2013-11-19
What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above

all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

The Great Doctrines of the Bible William Evans 2009-01-01
Despite the fact that the Christian tradition is prevalent, if not dominant, throughout much of the Western world, there remains a considerable amount of confusion and debate over the actual doctrines that feature in this belief system. In this volume, *The Great Doctrines of the Bible*, author William Evans identifies and explains some of the most important doctrinal and dogmatic tenets of the Christian faith.
