look that said she was on the run. The lawman in Spencer wanted to investigate Mercy and her little girl. The American Midwest Andrew R. L. Cayton 2006-11-08 This first-ever encyclopedia of the Midwest seeks to embrace this large and diverse area, to give it voice, and help define its distinctive character. Organized by topic, it encourages readers to reflect upon the region as a whole. Each section moves from the general to the specific, covering broad themes in longer introductory essays, filling in the details in the shorter entries that follow. There are portraits of each of the region's twelve states, followed by entries on society and culture, community and social life, economy and technology, and public life. The book offers a wealth of information about the region's surprising ethnic diversity -- a vast array of foods, languages, styles, religions, and customs -- plus well-informed essays on the region's history, culture and values, and conflicts. A site of ideas and innovations, reforms and revivals, and social and physical extremes, the Midwest emerges as a place of great complexity, signal importance, and continual fascination.

Mary Martha MacCallister comes to Blessing from Missouri to visit her brother. She volunteers to help at the schoolhouse and, with her gentle southern charm, quickly wins the affection of all. Pastor John Solberg, rejecting the persistent efforts of matchmaking mothers, develops a friendship with Mary Martha and discovers she shares his love of books and children. But then the message arrives that she must return home to care for her ailing mother. When she leaves, she says she'll write.... Everyone has come to love her. Is this good-bye forever?

Loving Mercy Simon Ponsonby 2012-07-01 For years Simon has been absorbed by the quest for a truly Spirit-filled life. But he has realized that this is only the start: the truly Spirit-filled life is one that has a heart for the marginalized--looking outward rather than inward. Justice, he writes, is "God's delight." The more we become Christlike, the more we will focus our hearts and minds on spreading justice in every practical way. Justice is God's design plan, His DNA, the hallmark of righteousness. Salvation and social transformation are inextricably linked. Jesus was a leper lover--who today is marginalized? Jesus had time and space for the poor--where does our responsibility lie? Jesus called for justice--how do we intercede? We speak warmly of "grace" but grace in action is expressed as justice. This is a passionate, luminous book, filled with interesting and revealing stories and cogent argument. "A great book . . . challenging and inspiring."
--Michael Ramsden, RZIM Zacharias Trust "Masterful . . . combines a profound knowledge of Scripture, brilliant theology, and deep insight into the human condition." --Dr. Lucy Peppiatt, church planter "Ponsonby has

Pioneers in Pith Helmets Martha E. Green 2008-08-01 Delicately laced through this delightfully written story is Martha Green's journey of joy from childhood to retirement. As a little girl, Martha was separated from her family and home, and she felt like "a sparrow alone upon the housetop," and yet the joy of the Lord was her strength. Martha learns to trust her loving Lord to the point where she can say about a crisis, "it was one of

those unique happenstances that our Heavenly Father had planned for a purpose unknown to us." Experience the highlights of Martha's 90 years including reunion with her birth family, courtship and marriage, call to Venezuela, birth of four children and the gift of another child, and the joys of pioneer church planting. As you read, you will sense the love of a woman after God's own heart. The journey is summed up by Martha's words, "love and joy, tears and praise mingled together in my heart." For 30 years Martha Green joyfully served the Lord in Venezuela, South America with her husband, Steve. Later they served on the island of Saint Vincent and then in Spain. At age 90, Martha has much to share about walking in the way the Lord establishes. "I would not trade missionary ministry for any other vocation. Missionary life is a great challenge and blessing because we have such a wonderful message to share, as we see the difference it can make in the lives of so many people. Who wouldn't want to be a missionary!"

Hotel on the Corner of Bitter and Sweet Jamie Ford 2009-01-27

"Sentimental, heartfelt...the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices."-- Kirkus Reviews "A tender and

satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain*

"Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of *Snow Flower and the Secret Fan*

In the opening pages of Jamie Ford's stunning debut novel, *Hotel on the Corner of Bitter and Sweet*, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the

war in China and having Henry grow up American. While “scholarshipping” at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship—and innocent love—that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel’s dark dusty basement he begins looking for signs of the Okabe family’s belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice—words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart.

Pioneers of the Past Minerva O'Bryant Chandler 2005-06 In 1852, some of the first settlers into the Sabinal Canyon of Texas traveled from Ireland to Arkansas and then made their way in covered wagons to the area now fittingly named Utopia. Minerva Chandler tells of the lives of her ancestors, the O'Bryant and Kelly families, and all those who shared their joys and sorrows on the Frio River and the surrounding area. Pioneers of the Past was never published in the author's lifetime and has lain dormant since its completion in 1950. It has been brought to life by the author's granddaughter, Charlena Chandler, Minerva's namesake, who has accomplished her grandmother's mission many years later-and a century and a half after those intrepid men and women rode into the beautiful hill

country of Texas. Today, this is a land of tourism and development, but life "back then" was a world away from the comforts of modern times. Come and join the days gone by of these hardy pioneers who built the foundations of the Hill Country of Texas.
