**Enigmas of Life** William Rathbone Greg 1891

*Book Review Digest* Leslie Dunmore-Leiber 1976

**Merciful Meekness** Kerry Walters 2004  
Here is a clear, concise and judicious examination of the bedrock Christian moral principles of mercy and meekness that leads the author, a professor of philosophy, to affirm their essential integration if we are to become complete Christians. Dr. Walters redefines and synthesizes the Christian principles: mercy and meekness together are virtues compatible, complementary, and essential to our pathway to union with Christ, convincingly countering the Nietzschean philosophy that rejects their synthesis (one or the other is possible, but not both), as incompatible, inherently contradictory and "morally repugnant." Intended as a reference work for undergraduate students, this spare book, rooted in Scripture and Christian tradition, the thought of Thomas Merton, Henri Nouwen, Ayn Rand, and Friedrich Nietzsche, including his polemics with the Sermon on the Mount, is also helpful for the general reader in search of spiritual wholeness. It is an effective counterguide to Christianity's naysayers.

Mercy for Hire Mission Pack 1 J.S. Morin 2018-12-27 The galaxy's worst bounty hunter just might be its most

relentless hero. Esper is a vigilante Samaritan with more moral fiber than business sense. Any bounty hunter worth the title knows three rules: Collect half the money up front. Never get emotionally attached. Don't ask nosy questions. But with a heart of gold and her companion Kubu by her side, Esper sets out to make the galaxy a better place, preferably making enough money to pay for the fuel to get from one job to the next. But just because she's not cut out to be ruthless doesn't mean the galaxy is going to eat her alive. After all, Esper is also a wizard. Mission 1: Wayward Saint A runaway teen needs protection and Esper takes the job. But a simple rescue and recovery turns ugly when Esper finds herself in the middle of a custody battle with a vicious pirate who's hired a bounty hunter of his own. Mission 2: Behind Blue Skies On the run from troubles of her own, Esper tries to lie low on a suspiciously Utopian colony planet. Unable to keep out of other people's troubles, Esper gets a terrifying look into justice on a world where truth is a matter of who you know. Mission 3: House of the Orion Sun Esper's mission to protect the galaxy's most vulnerable takes a turn for the seedy when she tracks a trafficking victim. How long can she hold out when her morals are tested at every turn? Mission 4: Break the Chain Esper's own dark past catches up with her when bounty-hunting

wizards corner her. Esper has faced down the galaxy's worst criminals. Now, she's going to be forced to stand up to one of the galaxy's most esteemed institutions—Convocation of Arcane Practitioners. **Black Ocean: Mercy for Hire** follows the exploits of a pair of do-gooder bounty hunters who care more about saving the day than getting a payday. **Mercy for Hire** builds on the rich **Black Ocean** universe and introduces a colorful cast for new and returning readers alike. Fans of vigilante justice and heroes who exemplify the word will love this series. Grab your copy and support the cause of justice.

**Iron Kissed** Patricia Briggs  
2008-01-02 "Expect to be spellbound"\*  
by Patricia Briggs's #1 New York Times bestselling series starring **Mercy Thompson**. Being a lowly "walker" in a world of vampires, werewolves, and fae once kept her safe. But **Mercy's** bark—and bite—are not so harmless any more... Though **Mercy** can shift her shape into that of a coyote, her loyalty never wavers. So when her former boss and mentor, **Zee**, asks for her help, she's there for him. A series of murders has rocked a fae reservation, and **Zee** needs her unique gifts, namely her coyote sense of smell, to sniff out the killer. But when **Zee** is accused of murdering the suspect **Mercy** outed, he's left to rot behind bars by his own kind. Now it's up to **Mercy** to clear his name, whether he wants her to or not. **Mercy's** loyalty is under pressure from other directions, too. Werewolves are not known for their patience, and if **Mercy** can't decide between the two she cares for, **Sam** and **Adam** may make the choice for her... \*Lynn Viehl, New York Times bestselling author

**A Call to Mercy** Mother Teresa  
2018-09-04 Published to coincide with Pope Francis's Year of Mercy and the Vatican's canonization of Mother Teresa, this new book of unpublished material by a humble yet remarkable woman of faith whose influence is felt as deeply today as it was when she was alive, offers Mother Teresa's profound yet accessible wisdom on how we can show mercy and compassion in our day-to-day lives. For millions of

people from all walks of life, Mother Teresa's canonization is providentially taking place during Pope Francis's Extraordinary Jubilee of Mercy. This is entirely fitting since she is seen both inside and outside of the Church as an icon of God's mercy to those in need. Compiled and edited by Brian Kolodiejckuk, M.C., the postulator of Mother Teresa's cause for sainthood, **A Call to Mercy** presents deep yet accessible wisdom on how we can show compassion in our everyday lives. In her own words, Mother Teresa discusses such topics as: the need for us to visit the sick and the imprisoned the importance of honoring the dead and informing the ignorant the necessity to bear our burdens patiently and forgive willingly the purpose to feed the poor and pray for all the greatness of creating a "civilization of love" through personal service to others Featuring never before published testimonials by people close to Mother Teresa as well as prayers and suggestions for putting these ideas into practice, **A Call to Mercy** is not only a lovely keepsake, but a living testament to the teachings of a saint whose ideas are important, relevant and very necessary in the 21st century.

#### **Survey of Contemporary Literature**

Frank Northen Magill 1977  
**No Mercy** Dawn Williams 2022-08-01  
When **Damon Wessex**, commander of England's Royal Black Guard retires, **William**, the King of England, sets forth a new approach to dealing with their enemies. Just as skilled, just as fearsome and just as deadly as the king's personal assassin, there is one thing that sets them apart - their gender. Born in the shadows, her identity kept secret from the king's closest advisors, she carries out missions so sensitive that she simply does not exist. **NO MERCY** is the story of the beautiful but deadly assassin, **Serenah Salvatori**. Her job is to dispose of individuals whom society deems to be a dark curse upon its people and she does so with brutal efficiency. However, when such a mission goes horribly wrong and she is captured, the king knows only one course of action. Given no name,

other than an identifiable birthmark, he sends Damon on a treacherous assignment to infiltrate France's notorious Clairvaux Prison to free her before her relationship to the king is exposed and she is executed. After her successful rescue, she recuperates while still pondering the identity of her unforgettable rescuer. Without the king's permission, Serenah embarks on a dangerous mission to England on behalf of a victim of a malicious crime lord who has penetrated London's underground. She attends a masquerade ball to lure him to his death, however, soon discovers her mission compromised. Undeterred, she wages a war against England's untouchable, high society while Damon is one-step behind her unraveling her closely guarded secrets and determined to protect her.

**Mercy Watson** Kate DiCamillo 2007-07-10 Persuaded by the word "treating" to dress up as a princess for Halloween, Mercy the pig's trick-or-treat outing has some very unexpected results.

**Mercy Watson Thinks Like a Pig** Kate DiCamillo 2014-02-25 Can Mercy Watson outwit . . . Animal Control? The porcine wonder's on the lam in her latest tongue-in-snout adventure! Features an audio read-along! Mercy's appetite has got her into trouble again. When Eugenia Lincoln's pansies go missing, Animal Control Officer Francine Poulet arrives on the scene. But as she soon discovers, not just anyone can think like a pig. Especially when that pig is porcine wonder Mercy Watson!

**The English Review** 1849

**Merciful Judgments and Contemporary Society** Austin Sarat 2011-10-31 *Merciful Judgments and Contemporary Society: Legal Problems, Legal Possibilities* explores the tension between law's need for and dependence on merciful judgments and suspicions that regularly accompany them. Rather than focusing primarily on definitional questions or the longstanding debate about the moral worth and importance of mercy, this book focuses on mercy as a part of, and problem for, law. This book is a product of the University of Alabama School of Law symposia series on 'Law, Knowledge and Imagination'. It explores the ways law is known and imagined in a diverse array of disciplines, including political science, history, cultural studies, philosophy and science. In addition, books produced through the Alabama symposia explore various conjunctions of law, knowledge and imagination as they play out in debates about theory and policy and speak to venerable questions as well as contemporary issues.

**Show No Mercy** Alfred Lewis Bishop 2008-06-19 Four ruthless men, one an American and the other three from the Middle East, have devised a scheme, which turns out to be a bloodbath of epic proportions, to extort a monumental sum of money from the United States Government. Nothing short of success will turn them aside. Human lives, seemingly not even that of one of them, have no meaning. Their use of weaponry goes from the most basic to the most sophisticated. The story has an aside involving the intrigue one nation will stoop to for some political motive to badger another. The story moves from the highest office in Congress, to the office of the President, the FBI, to both the east and west coasts, to other nations, to the Middle East and back and forth. Vividly portrayed is the carnage purely evil and twisted minds can reek. There is something in the story for everyone. Seeing into government as it really is from someone with experience. A love story, unbridled violence, that there is a good side to most people. Something for the

adventurous among us. Experiencing a father's anguish, and the vengeful side of him. The story has it all.

Mercies in Disguise Gina Kolata 2017-03-21 "[Kolata] is a gifted storyteller. Her account of the Baxleys... is both engrossing and distressing... Kolata's book raises crucial questions about knowledge that can be both vital and fatal, both palliative and dangerous."

—Andrew Solomon, *The New York Review of Books*

New York Times science reporter Gina Kolata follows a family through genetic illness and one courageous daughter who decides her fate shall no longer be decided by a genetic flaw. The phone rings. The doctor from California is on the line. "Are you ready Amanda?" The two people Amanda Baxley loves the most had begged her not to be tested—at least, not now. But she had to find out. If your family carried a mutated gene that foretold a brutal illness and you were offered the chance to find out if you'd inherited it, would you do it? Would you walk toward the problem, bravely accepting whatever answer came your way? Or would you avoid the potential bad news as long as possible? In *Mercies in Disguise*, acclaimed New York Times science reporter and bestselling author Gina Kolata tells the story of the Baxleys, an almost archetypal family in a small town in South Carolina. A proud and determined clan, many of them doctors, they are struck one by one with an inscrutable illness. They finally discover the cause of the disease after a remarkable sequence of events that many saw as providential. Meanwhile, science, progressing for a half a century along a parallel track, had handed the Baxleys a resolution—not a cure, but a blood test that would reveal who had the gene for the disease and who did not. And science would offer another dilemma—fertility specialists had created a way to spare the children through an expensive process. A work of narrative nonfiction, *Mercies in Disguise* is the story of a family that took matters into its own hands when the medical world abandoned them. It's a story of a family that had to deal

with unspeakable tragedy and yet did not allow it to tear them apart. And it is the story of a young woman—Amanda Baxley—who faced the future head on, determined to find a way to disrupt her family's destiny.

*The New York Times Book Review* 1990-10 Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and paperback).

Mercy Watson: Princess in Disguise Kate DiCamillo 2013-12-10 "Halloween was made for carefree Mercy Watson." — School Library Journal Features an audio read-along! When the Watsons decide to zip their porcine wonder into a formfitting princess dress for Halloween — complete with tiara — they are certain that Mercy will be beautiful beyond compare. Mercy is equally certain she likes the sound of trick-or-treating and can picture piles of buttered toast already. As for the Lincoln Sisters next door, how could they know that their cat would lead them all on a Halloween "parade" of hysterical proportions? Kate DiCamillo's beguiling pig is back in a tale full of treats, tricky turns, hijinks, and high humor.

The Merciful Scar Rebecca St. James 2013-09-17 Kirsten has spent her life trying to forget. But mercy begs her to remember. When she was in high school, a terrible accident fractured her family, and the only relief Kirsten could find was carving tiny lines into her skin, burying her pain in her flesh. The pain she caused herself was neat and manageable compared to the emotional pain that raged inside. She was coping. Or so she thought. But then, eight years later, on the night she expects her long-time boyfriend to propose, Kirsten learns he's been secretly seeing her best friend. Desperate to escape her feelings, she reaches for the one thing that gives her a sense of control in the midst of chaos. But this time the cut isn't so tiny, and it lands her in the psych hospital. Within hours of being there she knows she can't stay—she isn't crazy, after all. But she can't go back to the

life she knew before either. So when her pastor mentions a treatment program on a working ranch, Kirsten decides to take him up on the offer and get away from it all. But the one thing she can't escape is herself—and her shame. The ranch is home to a motley crew, each with a lesson to teach. Ever so slowly, Kirsten opens herself to embrace healing—even the scarred places that hurt the most. Mercy begs her to remember the past . . . showing her there's nothing that cannot be redeemed. "[St. James and Rue] tackle a tough topic with sensitivity and forthrightness in an intense novel about self-injury, self-esteem, and the numerous shades of love. Highly recommended."

—Library Journal, starred review  
Near Changes Mona Van Duyn 1990  
Presents a new collection of poetry by the National Book Award- and Bollingen Prize-winning poet-author of "Merciful Disguises"

*If it be Not I* Mona Van Duyn 1993  
Collects the poet's works from six earlier volumes, from "Valentines to the Wide World" to "Letters from a Father, and Other Poems"

Catharine Macaulay and Mercy Otis Warren Kate Davies 2005-12-22  
Catharine Macaulay and Mercy Otis Warren were radical friends in a revolutionary age. They produced definitive histories of the English Civil War and the American Revolution, attacked the British government and the United States federal constitution, and instigated a debate on women's rights which inspired Mary Wollstonecraft, Judith Sargent Murray, and other feminists. Drawing on new research (including recently discovered correspondence) this is the first book to consider Macaulay and Warren in the context of the revolutionary Atlantic. In a series of detailed interdisciplinary studies, Davies suggests the centrality of both women to transatlantic political cultures between the middle of the eighteenth century and the turn of the nineteenth. The experience of Anglo-American conflict formed Macaulay and Warren's friendship and radically changed their writing lives. In showing how it did so, Davies also

explains how the revolutionary Atlantic shaped modern ideas of gender difference. Anglo-American separation had a politics of gender which defined Warren and Macaulay's awareness of themselves as women and of which their writing also offered important critiques. Davies's book reveals the political significance of Mercy Otis Warren and Catharine Macaulay to an era when the truths of patriotism, nationhood and empire were never wholly self-evident but were hotly contested.

*Mercy Temple Chronicles 2* Ciara Graves Mages. Sirens. Demons. Dragons. Gryphons. A Federal Paranormal Unit. Attackers of magic. The Mercy Temple Chronicles will hook you! Mercy Temple lives in a world where paranormals are a thing. Humans know of their existence, but the two species don't interact. Or so it is thought. She works for a bounty hunter, doing any job he needs done. From killing someone, to finding someone, to bringing them in. She has a love/hate relationship with the bounty hunter. He knows her secret and that's how he keeps her working for him. But still, he pays her well. Rafael is a demon. He isn't a good guy, but not a bad guy either. He wants to know Mercy's secret, but he has one of his own. He works for the Federal Paranormal Unit. Undercover. And he is hunting the same person she is. Warning: Unputdownable action-packed fantasy, with mages, sirens, demons, dragons, gryphons and a Federal Paranormal Unit

**Reaping Mercy** Ciara Graves Mages. Sirens. Demons. Dragons. Gryphons. A Federal Paranormal Unit. Attackers of magic. The Mercy Temple Chronicles will hook you! Mercy's in a bind. Her best friend, witch Gigi is lost in the dark coven sector. Damien, Rufus, Bowen are all out of reach. The only one she can turn to is Rafael. The one who held a gun to her head the last time she saw him. Heartbreak has to take a back seat to finding Gigi. Rafael needs to get over her secret and help her on this mission. Demon Rafael's had more than enough of Mercy's lies. But when it comes down to it, he can't let her go into that godforsaken sector to find Gigi

alone. Problem is, can he get over Mercy's betrayal long enough to work with her? Warning: Unputdownable action-packed fantasy, with mages, sirens, demons, dragons, gryphons and a Federal Paranormal Unit.

A Grace Disguised Gerald Lawson Sittser 1998-01-16 "The experience of loss does not have to be the defining moment of our lives", writes Gerald Sittser. "Instead, the defining moment can be our response to the loss. It is not what happens to us that matters so much as what happens in us". Sittser knows. A tragic accident introduced him to loss of a magnitude few of us encounter. But this is not a book about one man's sorrow. It's about the grace that can transform us in the midst of sorrow. For those experiencing loss, *A Grace Disguised* offers a compassionate, deeply affirming message of hope, richness in living, and joy not after the darkness, but even in the midst of it. Now in softcover.

American Practitioner and News 1897

**Mercy Watson Goes for a Ride** Kate DiCamillo 2013-10-08 The NEW YORK TIMES best-selling porcine wonder finds herself behind the wheel in this hilarious adventure now available as an e-book. (Ages 6 - 8) Features an audio read-along! Mr. and Mrs. Watson's porcine wonder, Mercy, loves nothing more than a ride in the car. It takes a fair amount of nudging and bribing and a "You are such a good sport, darling" to get the portly pig out of the driver's seat, but once the convertible is on the road, Mercy loves the feel of the wind tickling her ears and the sun on her snout. One day the Watsons' motoring ritual takes an unexpected turn, however, when their elderly neighbor Baby Lincoln pops up in the backseat in hopes of some "folly and adventure" - and in the chaos that ensues, an exuberant Mercy ends up behind the wheel! Soon there's a policeman on her tail, a struggle for the brake, and a blissfully airborne Mercy. Of course, it's nothing that an extra helping of buttered toast can't fix! Includes an audio read along!

Living the Works of Mercy Ellen P. Cavanaugh 2003 Living the Works of

Mercy: Daring Teens to Change the World can be used by teachers, coordinators of youth ministry, directors of religious education, catechists, teen mentors -- anyone who works with young people in junior and senior high school. It contains fourteen sessions, each of which engages teens thoughtfully, actively, and prayerfully in one of the works of mercy, in a variety of ways. The book also contains two retreats.

"Jesus in Disguise" is an overnight retreat on the corporal works of mercy, and is designed for younger teens. "Christ Looks on Us with Love" is a weekend retreat on the spiritual works of mercy, especially created for older teens. *Living the Works of Mercy: Daring Teens to Change the World* is a resource that helps adults facilitate for teens the dialogue between profound human experiences and the revealed word of God. It is a resource that enables teens to understand the relevance of God's word in their life, and ultimately dares them to translate this sacred dialogue into action that will change the world. Book jacket.

Book Review Index 1983 Every 3rd issue is a quarterly cumulation. *Critical Survey of Poetry: Authors* Sti-Z Frank Northen Magill 1982

**Mercy for Hire Mission Pack 3** J.S. Morin 2020-05-19 When a hero snaps, the galaxy pays. For years, Esper has been holding in her mind the knowledge of ancient demons. Ever since reading that forbidden tome, a darkness has dwelt, gnawing at the edges of her sanity and wheedling to gain control. When a mission to a blockaded planet goes awry, Esper finally can't hold back the darkness any longer. The darkness within gains an annoying conscience and the body of a powerful wizard. Multiple battles ensue. First, Esper must fight alongside her crew without letting on that she's no longer the Esper they once knew. But also there's an internal struggle going on for control, influence, and the fate of everyone Esper cares about. Who can hold back the darkness when its main enemy takes command of the fight? Mission 9 - Ship With No Name On the planet Meyang, a plague breaks

out. Earth Navy enforces a strict blockade. No one in; no one out. But that includes medical personnel. With a humanitarian crisis brewing among the rebels being quarantined, Esper and her crew step in. Launching a daring rescue mission, they break the blockade to save lives. Mission 10 - No More Mr. Nice Girl Esper isn't playing around anymore. When her ship gets hijacked, it's time to see what a wizard can do when she's not worried about doing the right thing. Mission 11 - Magic's Little Helper Tiffany feels like her magical training has fallen off. With Esper preoccupied and the universe no longer listening to her demands, she turns to an illicit, magic-boosting drug for a boost. But the worst time for Esper to discover that her apprentice is blasted on Starlight is when a team of wizard assassins is hot on her trail. Mission 12 - Mortanian Rhapsody Something is horribly wrong with Esper. The dark powers she's tapped into have finally collected their due. Overcome by the darkness inside her, she's no longer the Esper everyone knew. To get her back to herself, Tiffany launches a daring mission to find the one person in the galaxy who might know how to help. Mission 12.5 - Our Little Secret Left to their own devices, Wesley and Kubu decide to try all the things that Esper would never have let them do if she were around. Black Ocean: Mercy for Hire Mission Pack 4 J.S. Morin 2020-09-15 Meet the new boss, daughter of the old boss. It was a possibility she'd never considered and a friend she'd thought long gone. But when Tanny Rucker came to Esper for help overthrowing her father's criminal empire, it was an offer she couldn't refuse. Armed with Tanny's loyalists from her father's syndicate and the magical might Esper brings, the pair embark on a course to rewrite galactic history. To win, they might ruin countless innocent lives and even some of their friends. But convinced they're going to do more good, they press forward with their ambitious plan: to rid the galaxy of the Rucker Syndicate. Mission 13: The Girls Are Back in Town Esper and Tanny join forces to

topple the Rucker Syndicate. Their first move, rescuing hostages so that no one can be forced to betray them. Mission 14: Stuck in the Astral With You To undermine the financial power of the Rucker Syndicate, Tanny and Esper go after their largest legitimate business front. Mission 15: Lair of the Dog When Tanny is forced to flee from battle, she brings her crew to the harshest, most unforgiving planet with a breathable atmosphere: Kubu's homeworld. Mission 16: Empathy for the Devil It's the final showdown for control of the Rucker Syndicate. What price will Tanny and Esper be forced to pay to realize their vision of a galaxy without its largest criminal empire? Bonus short story, Mission 16.5: Kubu's First Date Cultures clash in a first date for the ages When the opportunity arises to travel from his birth planet to his adoptive home, Kubu asks a friend to join him for the trip. But without a common culture to guide them, the two megalodogs fumble their way to a unique and unexpected idea for a first date.

The Queen's Mercy M. Villeponteaux 2014-07-24 During the Elizabethan era, writers such as Shakespeare, Spenser, Sidney, Daniel, and others frequently expounded on mercy, exploring the sources and outcomes of clemency. This fresh reading of such depictions shows that the concept of mercy was a contested one, directly shaped by tensions over the exercise of judgment by a woman on the throne. Doing Justice to Mercy Jonathan Rothchild 2012-10-05 It is often assumed that the law and religion address different spheres of human life. Religion and ethics articulate complex systems of moral reasoning that concern norms, deliberation of ends, cultivation of disposition, and transformation of moral agency. Law, in contrast, seeks to govern human conduct through procedural justice, rights, and public good. Doing Justice to Mercy challenges this assumption by presenting the reader with an urgent conversation between the law and religion that yields a constructive approach, both theoretically and practically, to the

complex role of mercy in our legal process. Authored by legal practitioners, activists, and theorists in addition to theologians and ethicists, the essays collected here are informed by timeless principles, and yet they could not be timelier. The trend in sentencing moves toward an increased severity, and the number of incarcerated people in the United States is at an all-time high. In the half-decade since 9/11, moreover, homeland security has established itself as a permanent fixture in our lives. In this atmosphere, the current volume seeks initially to clarify how justice and mercy intertwine in relation to a number of issues, such as rehabilitation, the death penalty, domestic violence, and war crimes. Exploring the legal, philosophical, and theological grounds for mercy in our courts, the discussion then moves to the practical ways in which mercy may be implemented. **The Healing Eyes of Mercy** Karen Schwaner Sheehy 2022-11-03 Do you desire an intimate and transformative relationship with the Trinity of Love? Will you choose love or bitterness, joy or pain, light or darkness? These are the questions pondered and presented in *The Healing Eyes of Mercy*. This true account tells the story of a prodigal daughter in desperate need of love

and surrounded by the damaging effects of infertility, mental illness, loneliness, and despair. As her family of three is led on a miraculous journey, she eventually finds her heart's truest desire deep within the Healing Eyes of God's Mercy. From heartbreak to ultimate triumph, you too can experience a visceral, full-bodied discovery of faith and see firsthand the redemptive mercy available to every man, woman, and child made in the image of God. Utilizing prayer, sacred devotionals, reflective questions, and scripture meditations, this book is full of invaluable tools that will warm the heart and guide the soul. "The Healing Eyes of Mercy: A Trinity of Love is a marvelous piece of work! Hopefully, many people reading it will have their eyes opened to the Eyes of Mercy in their own lives! God would be so please to usher them into His Bountiful Love!" - Paulette Renaudin, Magnificent Ministries "One of the most inspirational book manuscripts I've ever been given the privilege to read. This book is going to touch the hearts and souls of many, and I dare say, they will never be the same!" - Page Rosato, WINE (Women in the New Evangelization at CatholicVineyard.com)

#### **Contemporary Literary Criticism**

Carolyn Riley 1975 Gathers excerpts from critical articles written about twentieth century literature, and provides background information on the author being considered

**At the Mercy of Their Clothes** Celia Marshik 2016-11-29 In much of modern fiction, it is the clothes that make the character. Garments embody personal and national histories. They convey wealth, status, aspiration, and morality (or a lack thereof). They suggest where characters have been and where they might be headed, as well as whether or not they are aware of their fate. *At the Mercy of Their Clothes* explores the agency of fashion in modern literature, its reflection of new relations between people and things, and its embodiment of a rapidly changing society confronted by war and cultural and economic upheaval. In some cases,

people need garments to realize themselves. In other cases, the clothes control the person who wears them. Celia Marshik's study combines close readings of modernist and middlebrow works, a history of Britain in the early twentieth century, and the insights of thing theory. She focuses on four distinct categories of modern clothing: the evening gown, the mackintosh, the fancy dress costume, and secondhand attire. In their use of these clothes, we see authors negotiate shifting gender roles, weigh the value of individuality during national conflict, work through mortality, and depict changing class structures. Marshik's dynamic comparisons put Ulysses in conversation with Rebecca, Punch cartoons, articles in Vogue, and letters from consumers, illuminating opinions about specific garments and a widespread anxiety that people were no more than what they wore. Throughout her readings, Marshik emphasizes the persistent animation of clothing—and objectification of individuals—in early-twentieth-century literature and society. She argues that while artists and

intellectuals celebrated the ability of modern individuals to remake themselves, a range of literary works and popular publications points to a lingering anxiety about how political, social, and economic conditions continued to constrain the individual.

Princess in Disguise Kate DiCamillo 2010-06 Persuaded by the word "treating" to dress up as a princess for Halloween, Mercy the pig's trick-or-treat outing has some very unexpected results.
