Utilizing his incomparable career and inspired collaborations with Talking Heads, Brian Eno, and many others, Byrne taps deeply into his lifetime of knowledge to explore the panoptic elements of music, how it shapes the human experience, and reveals the impetus behind how we create, consume, distribute, and enjoy the songs, symphonies, and rhythms that provide the backbeat of life. Glad You're Here Walker Hayes 2022-05-03 When Craig Cooper and Walker Hayes met, Walker was an alcoholic atheist reeling from the backlash of a failed music career. Through their unlikely friendship, Craig's life demonstrated the love of Christ in a way that shattered Walker's misconceptions of Christianity, ultimately leading him down the path to a dramatic conversion. The two are now close as brothers, choosing to be next-door neighbors and ripped out the fence between their homes as a testament to the power of the gospel to break down barriers and unite people together in Christ. Glad You're Here helps us discover how building relationships, sacrificing for the good of others, and drawing near in times of need can lead to powerful transformation.

Through story and biblical reflections, Glad You're Here helps readers see how God works in the everyday lives of those who love him.

The Way of the Father Michael W Smith 2021-05-18 Grammy Award winner Michael W. Smith's The Way of the Father offers a deeply personal reflection on his father Paul Smith's legacy and its profound effect on every area of his life. Through the life and lens of his earthly dad, the multi-platinum selling Christian artist gives glimpses of a Father in Heaven that anyone can approach and experience. Michael W. Smith, multi-platinum artist, celebrated songwriter, producer, best-selling author, and acclaimed actor, himself a father of five adult children and

grandfather of sixteen, calls upon his humble experiences of growing up in a small West Virginia town to share his father's story. Each chapter identifies a quality and characteristic of his dad that came out of an obedient and sacrificial life, committed to serving his Abba Father, including: Finding truth in tragedy Loving unconditionally Persevering through pain Bringing righteousness to the world Influencing and inspiring generations Discovering identity and approval in Christ Paul Smith was a familiar face in the crowd at Michael W. Smith's concerts over the years. A kind and joyful man who would sing, dance, and worship to the singer's countless number one hits, with his countenance beaming brighter than the spotlights on the stage, Paul would often introduce himself to those nearby and talk about how proud he was of his son. From the artist's early days as a struggling musician in Nashville to his death in 2015 (the year his son's album sales surpassed 15 million), Paul was always Michael's biggest fan. Michael shares how his dad inspired and encouraged him using biblical principles and virtues. Now, Michael passes on these same truths through stories, testimonies, origins of songs, and personal insights from his family life and thirty-five plus years of touring as a Christian artist. He hopes that by sharing his father's legacy, readers will come to find that no matter who our earthly parents have been in our lives, our Abba Father will never fail us. The Way of the Father will likewise challenge readers in their faith journeys so they will one day hear, "Well done, good and faithful servant. You have fought the good fight, run the race, and have been found faithful"--just like Paul Smith heard on the day he was called home to be with his Father.

Yann Tiersen - Kerber Yann Tiersen 2021-07-01 (Piano Solo Songbook). "I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann Tiersen. "It's the same experiment looking through a microscope as it is a telescope." Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in

critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project.
