**George Meredith** Richard Cronin 2019-11-23 George Meredith: The Life and Writing of an Alteregoist is not only a critical biography of the Victorian novelist and poet George Meredith but also a portrait of the novel in the later nineteenth century. Interweaving analysis of Meredith's novels and poems with discussion of his life, Richard Cronin focuses primarily on the books Meredith read and wrote—arguing that novels by the end of the nineteenth century were shaped as much by the reading as by the experience of their writers. Cronin places Meredith's novels in relation to the work of his contemporaries including Henry James, Thomas Hardy, and George Gissing. Organized thematically, the book explores Meredith's personal side—including his hostility to biography, his origins as the son of a tailor, his marriages—as well as his reading habits, and the prose style that is the most complete expression of his strange but compelling personality.

Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. All you need is the green grass and a ball" -Pele **Darkness Descending - The Murder of Meredith Kercher** Paul Russell 2010-02-18 It was a brutal murder, and the trial of the decade. On 1 November 2007, 21-year-old British student Meredith Kercher was slaughtered in cold blood in the apartment in Perugia, Italy, that she shared with three other girls. Two bright young people, Amanda Knox and her Italian ex-boyfriend, Raffaele Sollecito, stood accused of the killing in a trial that lasted through 2009. They were found guilty and sentenced to twenty-six and twenty-five years respectively on 4 December. A Knox man, Ivory Coast-born Rudy Guede, 22, had already been found guilty of the sexual assault and murder of Meredith in a separate trial in 2008 and sentenced to thirty years, but the prosecution always stated that he didn't act alone. Kercher was a model student whilst American Knox acquired a reputation that fuelled speculation about her character. Her bizarre behaviour just after Meredith's body was found, her false accusation of an innocent man, her weak alibi and her DNA on the murder weapon - a kitchen knife found to be scubbed with bleach - went against her. TV producer Paul Russell and critically acclaimed crime writer Graham Johnson have teamed up with leading Italian forensics expert General Luciano Garofano to reveal the full truth behind this sensational murder and its trial. They unravel all the details and study all the personalities in this case that has stunned the world. Complex, and some say controversial, DNA evidence is explained in simple language and, bit by bit, a story emerges of brutality and jealousy in a university town where all was not what it seemed. Their findings make for gripping, sensational reading.

**Meredith Oakes: Collected Plays (The Neighbour, the Editing Process, Faith, Her Mother and Bartok, Shadowmouth, Glide, the Mind of the Meeting)** Meredith Oakes 2010-05-01 Includes the plays The Neighbour, The Editing, Faith, Her Mother and Bartok, Shadowmouth, Glide and The Mind of the Meeting Two highly regarded early plays, The Neighbour and The Editing Process (here presented in a revised version) present a study in contrasts: the first a battle of wills between two young men on a housing estate; the second an urbane but despairing comedy set in a publisher's offices. Faith provides a vision of military conflict as a testing ground for English values, while Her Mother and Bartok focuses on a husband and wife as they discuss their first meeting from the perspective of the less-than-inspiring present. In Shadowmouth a troubled teenager is thrown out by his single mother and is taken in by a middle-aged single man. Glide and The Mind of the Meeting are short radio plays.
