**SPRING OF ENTERTAINMENTS** S. A. ABAKWUE 2015-06-04  
SPRING OF ENTERTAINMENTS: This is a collection of three major plays. For example, THE BEAUTIFUL BLACKS is the African socio-political satire. In there the rich ones get richer while the frustrated youths get violently angry. MY LOVE IN LEXUS is the story of a young man in an ivy league university. He fell in love with a mermaid that faked herself as a Texan, a cow-girl and a Harvard MBA student. The third play has the title: THE PARKING GARAGE. Here we have the perfect microcosm of the real American characters in a very unique business setting.

**Miracle Of The Desert** Thomas H. Williams 2013-01 The Thomas Ward is like a small stream in the mountains, that emerges from a tiny spring and trickles on down the hillside to join the creek on its way to the river. No attempt has been made to get all the information, about all the people who live, or have lived, within its boundaries. Neither is the material collected, considered to be the most important or free from errors. This book is just "a cup of water" dipped from the little stream, as it journeys on its way, no attempt is made to dip up all the water or stop its flow. It is hoped, that like the cup of cool water from the tiny stream, this book will refresh the reader, and the stream of time flows on. To those pioneers, both young and old who had the courage to combine all the natural resources which the creator so wisely stored in these mountains, rivers and valleys along with the brawn and brain that He gave man. The Miracle of the Desert came to be.

**The Unbearable Bassington** Saki 2022-06-13 "The Unbearable Bassington" by Saki (the pen-name of H. H. Munro) is one of many examples of the author's witty, bizarre, and perhaps a bit cynical writing style. An example of what were considered the typical manners and status quo in Edwardian society, "The Unbearable Bassington" is part commentary, part humor, and completely entertaining for readers of all ages and walks of life, even now, many years after its publication.

Chronicles of the Republic Michael McGinty 2012-10-22

Chronicles of the Republic takes place at the tail end of a spiral galaxy, a cove in the galaxy three light years long and an uneven six months wide. The republic consists of ten solar systems in rough proximity within the cove. Over time, inter-planetary political, social and economic cooperation matured into a full-fledged political system, a republic, with a president, a bicameral legislature, a judicial system and a Fleet to protect its interests. The systems are bordered on one side by a belt of dust, rocks and small nomadic planets known as the asteroid belt. The belt is lawless, home to pirates who prey on shipping. The other border is thin wisp of dust which gives way to an open clear void running for more than a light year to another strand of the galaxy's spiral. The outermost tip of the Republic is known as the Outer Region.

This is the closest point of the Republic to the Sardos, who at that point are roughly a year away at light speed across the void. The Outer Region is home for the Fifth Fleet, several Fleet land bases and a population of prospectors and itinerants. The story is about how a successful and powerful Republic finds itself confronted by a military crisis. It begins just prior to the crises and follows the political, business and military leaders from peace to war. It is a story of people, social processes, politics, military action, the common mans view of events, and the lurching imperfect interactions of people that leads a society to its future.

**The Collected Stories of Diane Williams** Diane Williams  
2019-09-10 With over three hundred new and previously  
published short stories as well as three novellas, *The Collected  
Stories of Diane Williams* brings together distilled works of  
"unsettling brilliance" (*Vanity Fair*) that have rewritten the rules  
of American short fiction. From Ben Marcus' introduction to *The  
Collected Stories of Diane Williams*: "Diane Williams has spent  
her long, prolific career concocting fictions of perfect  
strangeness, most of them no more than a page long. She's a hero  
of the form: the sudden fiction, the flash fiction, whatever it's  
being called these days. The stories are short. They defy logic.  
They thumb their nose at conventional sense, or even  
unconventional sense. But if sense is in short supply in these  
texts, that leaves more room for splendor and sorrow. These  
stories upend expectations and prize enigma and the uncanny  
above all else. The Williams epiphany should be patented, or  
bottled--on the other hand, it should also be regulated and maybe  
rationed, because it's severe. It's a rare feeling her stories  
trigger, but it's a keen and deep and welcome one, the sort of  
feeling that wakes us up to complication and beauty and  
dissonance and fragility."

**La merla blava** Maria Carme Roca i Costa 2022-04-10 Dues noies unides per un mateix destí en una Barcelona derrotada i plena de secrets. Després de la victòria borbònica, el rei Felip V vol construir la Ciutadella on està el convent de Santa Clara. Caterina, una jove orfe, es veu obligada a marxar del convent i anar a viure amb els seus oncles, però el constant assetjament de l'oncle Jeroni la fa fugir. És en aquesta fugida on coneix la Marianna, una noia espia per la Merla Blava, amb qui comparteix una semblança física singular. Aquesta casualitat les unirà com a amigues, però podrà la seva amistat suportar les intrigues, els secrets i la gelosia? Maria Carme Roca (Barcelona, 21 de novembre de 1955) és llicenciada en Història i Filologia Catalana. Des dels anys noranta ha escrit més de quaranta obres, la major part juvenils o infantils, però també ha treballat en novel·les adultes i ha col·laborat en l'elaboració de diversos guions. Ha rebut premis literaris com el Néstor Luján de novela històrica o el Premi Barcanova de literatura infantil i juvenil.

**Miracles** Charles Raymond Dillon 2000-11-01 Most of the stories in this book are outside the scope of our everyday experience, many unbelievable, yet many have been validated by observers as being authentic. There are stories of weeping and mobile statues, incorruptible flesh of the dead, and spontaneous combustion of human bodies. Other stories concern ecstasy, levitation, visions, healing, and other mysterious events. The concept of miracles have been attacked by rationalist philosophers who argue that they would be a violation of the common course of nature, thus the events could not happen. Saint Augustine answered such critics by defining miracles as being events that are unknown in nature, not as something opposed to it. This book contains a collection of wondrous events that have been reported at have occurred at different times, in diverse places, and among all peoples of the world. These wonderful events may be called miracles, frauds, coincidences, or what ever you may choose. Many have been investigated and determined to have been fraud.

The intent is to present the information, and to let you decide if they are real miracles or not.

*The Unbearable Bassington (Historical Novel)* Saki, H. H. Munro 2018-11-02 This eBook edition of "The Unbearable Bassington" has been formatted to the highest digital standards and adjusted for readability on all devices. Francesca Bassington is a somewhat cold and self-contained society woman who values her home and possessions above all else. She lives in a house that was left to a young, underage heiress, Emmeline Chetrof, and Francesca is free to continue living there until Emmeline gets married. Well contented to continue living there forever, Francesca is trying to find a way to stay in the house, maneuvering with her son Comus, a self-centered young man whose irresponsibility may have been excusable and endearing when he was young but whose flippancy and fecklessness has now become a sore point between him and his mother *Merla's Miracle* 199?

Summary of Trading in the Zone Justin Miracle 2017-12 Every trader joining the market wants to become a consistent winner. When it comes to trading, most of us may hear trading psychology plays the primary role in every success. Won't you wonder why this is the case? Why is psychology the key to success while our first impression of a successful trader has little to do with this concept. In fact, nearly all novice traders (and even veteran ones as well) make the mistakes of putting too much concentration on the technical study while ignoring the matters of how to control themselves - their beliefs, expectations, and actions, etc. Often, they are offered a wide variety of trading courses on how to become a good market analyst. To be honest, things around us, from videos, e-books, offline courses, or even some advice from friends or brokers, etc. has much more to relate to technical matters rather than the scope of psychology, mindset or belief. This may account for the deflection in many traders' journey...This e-book reveals how you can acquire a proper

mindset in trading. This is a refresher from the original famous book "Trading in the zone", to recall all the main and interesting points, ideas which will save you a considerable amount of time spent on reinforcing a vital state of mind. With this edition, you will be able to equip yourself with crucial mental elements for success, to think in the way successful traders do, to conquer the hardest challenge in the journey of becoming consistent winners - psychology. Inside, you will learn: - How taking responsibility

plays the main role in creating the right mindset. - How to create a state of mind that is most conducive to entering the zone of consistent winning. - Why is the "uncertainty principle" the key to mastering the art of unlimited profitability....And much, much more!
