Avalon Stephen R. Lawhead 2009-10-13 It has been foretold: In the hour of Britain's greatest need, King Arthur will return to rescue his people. In Portugal, the reprobate King Edward the Ninth has died by his own hand. In England, the British monarchy teeters on the edge of total destruction. And in the Scottish Highlands, a mystical emissary named Mr. Embries—better known as “Merlin”—informs a young captain that he is next in line to the throne. For James Arthur Stuart is not the commoner he has always believed himself to be—he is Arthur, the legendary King of Summer, reborn. But the road to England's salvation is dangerous, with powerful enemies waiting in ambush. For Arthur is not the only one who has returned from the mists of legend. And Merlin's magic is not the only sorcery that has survived the centuries. AVALON “A rousing postscript to Lawhead's bardic Pendragon Cycle . . . Playing off snappy contemporary derring-do against the powerful shining glimpses of the historical Arthur he created, Lawhead pulls off a genuinely moving parable of good and evil.”—Publishers Weekly

Finding a Light in the Darkness of War A P Whitfield 2021-10-09 Hi, I'm Stella and I am taking control for a bit and telling you my story. Now now, don't get all upset. Don't worry all your favorites will be in this story of mine but I just want to tell you what's been going on. Plus it is good to have a fresh set of eyes and someone with a fantastic personality telling the story! It is a new year and so much has been going on. I know he had hopes that what he did would help make things better but, sadly he was wrong. Things have only gotten worse and it seems like we are running out of time to save everyone. So many has been killed or gone missing and even worse... those we trust are turning on us. Either to stay alive or because they want things to be this way. Darkness wants to take over. They want to make those without power or that are weaker bow down to them. We cannot let this happen! There is always a brighter light that will shine through the darkness, we just have to not give-up. We have to have hope. Hope he comes back and hope that it won't be to late before he does. Oh and hope I do not lose my ever loving mind. I never thought I would be one to get caught up in a love triangle but here I am... well okay it is worse than that. Oh god I sound like a whore. Okay, okay back to what's important. Saving everyone.

Merlin Jean Markale 1995-06-01 Was Merlin a mythical character or a real person? If he was a real person, when and where did he live? In this provocative survey of all the known literary and historical sources, Jean Markale pieces together a compelling story of who and what Merlin might have been. Combining his investigation of the sources with fragments of Celtic mythology, Druidic culture, and the esoteric tradition, Markale draws an enlightening portrait of the archetypal Wild Man and shaman known as Merlin, who lived in the Lowlands of Scotland late in the sixth century, some fifty years after the reign of King Arthur. In a state of divine madness Merlin sought refuge in the forest, where he inherited the gift of prophecy. With him was his companion, Vivian, an essential element of the Merlin legend. Their sacred clearing in the woods--described in some legends as an invisible castle of glass or air--was the site of their ecstatic journey of enlightenment and union with nature. From his place in the Cosmic Tree and outside of time, Merlin the enchanter challenges us to reexamine our way of life. When the Merlin legend resurfaced in the twelfth century, his message of the universal brotherhood of all beings and things called out to a rapidly urbanizing society that was losing touch with nature. His warning, which went unheeded, is no less relevant to us today than it was at the dawn of the modern era.

The Return of Merlin Charles Gordon Strachan 2006 The figure of Merlin has seen a revival in recent years, especially in the form of cultural icons such as Obi wan Kenobi, Gandalf and Dumbledore. This fascinating new book looks at the two main Merlin traditions: the cosmic Merlin of the stars, part of the Arthurian legends; and the earthly Merlin of nature, grounded in human history. Gordon Strachan, author of *Jesus the Master Builder*, takes us on a compelling journey through Merlin's stories. He discovers a remarkable pattern: Merlin figures, and events relating to Merlin, reappear throughout British history in roughly 700-year cycles. He considers where else in history we can see this pattern emerging, and challenges readers to find their own links to history based on their birth dates.

Merlin and the Land of Mists Book Four: The Druids P.J Cormack 2015-05-20 Camelot is in deep trouble, for not only has Merlin's father, the Elder god Mithras Invictus, left Avalon possibly never to return, but King Uther Pendragon has

ordered that all the Elder god's shrines and altars are to be pulled down. The Druids are desperately trying to defend Avalon but they can only hold the Lords of Winter at bay for a short time. The young Druid girl, Ceinwen, comes to Camelot in an unsuccessful attempt to stop the destruction of the Elder god's altars. Once again it is left to Merlin, Galahad, Kraak and Grim to stand and fight for the survival of Camelot and Avalon.

Raptor James Macdonald Lockhart 2017-04-07 As evidenced by the incredible success of Helen MacDonald's *H* is for Hawk, and the legions of fans of *Pale Male*, the incredible red-tailed hawk of 5th avenue, we are full of rapture for raptors. James Macdonald Lockhart, is among the many who have sought out these incredible birds, and in this lyrical work of natural history he seeks out 15 different raptors, in 15 different landscapes across England: a journey in search of raptors, a journey through the birds and into their worlds. Raptors are by nature scarce and extremely elusive. Of Pandionidae (osprey), Accipitridae (broad-winged harrier, eagle, buzzard, red kite) and Falconidae (peregrine, sparrowhawk etc.) only widespread buzzards, kestrels and kites are easily seen. Lockhart follows loosely the trail of 19th-century Scottish naturalist and artist William MacGillivray (1796-1852), As Philip Hoare wrote of it, James MacDonald Lockhart puts the rapture back in the raptor. This is in-the-moment writing, raw in beak and claw. With its gorgeously felt sense of life and place, *Raptor* rips at its words, turning them into exquisite portraits of the utter wild, shaping soaring, obsessive beauty out of the British landscape and its imperial birds"

King Arthur's Modern Return Debra N. Mancoff 2014-04-23 The Arthurian legend closes with a promise: On a distant day, when his country calls, the king will return. His lost realm will be regained, and his shattered dream of an ideal world will, at last, be realized. This collection of original essays explores the issue of return in the modern Arthurian legend. With an Introduction by noted scholar Raymond H. Thompson and 13 essays by authors from the fields of literature, art history, film history, and folklore, this collection reveals the flexibility of the legend. Just as the modern legend takes the form current to its generation, the myth of return generates a new legend with each telling. As these authors show, return can come in the form of a noble king or a Caribbean immigrant, with the mystery of an art theft or a dying boy's dream.

Merlin's War Margaret Doner 2012-04 Merlin's War: The Battle between the Family of Light and the Family of Dark examines the fact that the history of the human race has been manipulated by a being so clever that we have had no idea he exists. In fact, he has hidden behind Lucifer but Lucifer is not our devil. Much of what has been told to the human race has been designed to keep the truth at bay. Whose purpose did it serve to keep the human race unaware of its own origins and ignoring huge pieces of obvious evidence because there is no logical explanation for it? It certainly did not serve the human race. Merlin is thought of by most humans as a simple embodiment of the wizard. Merlin's War reveals that he is much more; he is a powerful Creator God who is responsible for creating the human template and seeding life on the Earth. Moreover, Dracula is thought of as a fictional vampire, when he is, in fact, the being we call Satan, responsible for creating war and chaos on Earth and in other galaxies. There are two points of view to this story, and in order to be fair author Margaret Doner has agreed to tell both sides. Merlin's War posits that it is time for the playing field to be evened out. The Family of Dark has been in control for too long; it's time for the Family of Light to move beyond the fear that has kept them enslaved.

Darkness Unfolds A P Whitfield 2022-05-26 'Time is running out and darkness is

spreading across the land. Ophelia is still at large, and she will stop at nothing until she has brought the human race to its knees, with her ruling over it. Her thirst for power and vengeance has stripped away what little humanity she used to have... sadly, I know I am the cause of it. Not only are we faced against her but against so much more. They're all returning. They're awakening and remembering who they are... If I do not stop them who will? If they remember... if they find...' I rest my head in my hands and let out a shaky breath before looking back at Clara sleeping next to the spot I should be rested in. Tapping my pen on my journal I look back down at the words written. The writing rushed and panicked. Matching my own feelings, 'I cannot let them take her again. I have to stop them this time. At any cost.' I scribbled down. My vision darkened over with flashbacks of one of the nights I lost her. Those seven cloaked men, only thing showing through was their rings with the Freemason symbol on them. Her red hair hid her face as she landed in the snow with her blood bleeding out and running into the markings on the ground from where they sacrificed her. 'Her name was Sophia then. A name and life that they deleted from history and it was all my fault. I couldn't get to her. I couldn't save her. Her or my child she was pregnant with.' Hearing shifting behind me I closed my journal and look back to see Clara slowly waking up. "Good morning my dear." "Merlin." She said to me with beautiful sleepy blue eyes and a sweet sleepy smile that rested on her pink supple lips. The autumn sun shone through the curtains in our room at the B&B brightly making her golden locks shine. The white sheets left little to the imagination that clung to her bare skin.
