His younger sister, Enola, ran off six years ago and now reads tarot cards for a traveling carnival. One June day, an old book arrives on Simon's doorstep, sent by an antiquarian bookseller who purchased it on speculation. Mermaids in Paradise: A Novel Lydia Millet 2014-11-03 "Hilariously funny. . . . Lydia Millet's novels raise the bar for boldness."—Rene Steinke, New York Times Book Review On the grounds of a Caribbean island resort, newlyweds Deb and Chip—our opinionated, skeptical narrator and her cheerful job husband who's friendly to a fault—meet a marine biologist who says she's sighted mermaids in a coral reef. As the resort's "parent company" swoops in to corner the market on mythological creatures, the couple joins forces with other adventurous souls, including an ex-Navy SEAL with a love of explosives and a hipster Tokyo VJ, to save said mermaids from the "Venture of Marvels," which wants to turn their reef into a theme park. Mermaids in Paradise is Lydia Millet's funniest book yet, tempering the sharp satire of her early career with the empathy and subtlety of her more recent novels and short stories. This is an unforgettable, mesmerizing tale, darkly comic on the surface and illuminating in its depths.

Mermaid Moon Susann Cokal 2020-03-03 In the far northern reaches of civilization, a mermaid leaves the sea to look for her land-dwelling mother among people as desperate for magic and miracles as they are for life and love. Blood calls to blood; charm calls to charm. It is the way of the world. Come close and tell us your dreams. Sanna is a mermaid — but she is only half seavish. The night of her birth, a sea-witch cast a spell that made Sanna's people, including her landish mother, forget how and where she was born. Now Sanna is sixteen and an outsider in the seavish matriarchy, and she is determined to find her mother and learn who she is. She apprentices herself to the witch to learn the magic of making and unmaking, and with a new pair of legs and a quest to complete for her teacher, she follows a clue that leads her ashore on the Thirty-Seven Dark Islands. There, as her fellow mermaids wait in the sea, Sanna stumbles into a wall of white roses thirsty for blood, a hardscrabble people hungry for miracles, and a baroness who will do anything to live forever. From the author of the Michael L. Printz Honor Book The Kingdom of Little Wounds comes a gorgeously told tale of belonging, sacrifice, fear, hope, and mortality.

In the aftermath of World War II, Goh Junja is a girl just coming into her own. She is the latest successful deep sea diver in a family of strong haenyeo. Confident she is a woman now, Junja urges her mother to allow her to make the Goh family's annual trip to Mt. Halla, where they trade abalone and other sea delicacies for pork. Junja, a sea village girl, has never been to the mountains, where it smells like mushrooms and earth. While there, she falls in love with a mountain boy Yang Suwol, who rescues her after a particularly harrowing journey. But when Junja returns one day later, it is just in time to see her mother take her last breath, beaten by the waves during a dive she was taking in Junja's place. Spiraling in grief, Junja sees her younger siblings sent to live with their estranged father. Everywhere she turns, Junja is haunted by the loss of her mother, from the meticulously tended herb garden that has now begun to sprout weeds, to the field where their bed sheets are beaten. She has only her grandmother and herself. But the world moves on without Junja. The political climate is perilous. Still reeling from Japan's forced withdrawal from the peninsula, Korea is forced to accommodate the rapid establishment of US troops. Junja's canny grandmother, who lived through the Japanese invasion that led to Korea's occupation understands the signs of danger all too well. When Suwol is arrested for working with and harboring communists, and the perils of post-WWII overtake her homelands, Junja must learn to navigate a tumultuous world unlike anything she's ever known.
