This work of love will give you joy for sweet memories, tears for the sadness, a light for the darkness, and it will give you hope for the future. Webster's Encyclopedic Unabridged Dictionary of the English Language Advantage Publishers Group 2001 Reprint of The Random House Dictionary of the English Language, Unabridged, 2d ed., 1987, about which Library Journal wrote "...not a replacement for Webster's Third International... (which contains 450,000 entries)...it is a fine addition to reference collections." This work contains 300,000 entries including names, book titles, places. The front-matter has not been edited with care: reference is made to material at the back, but some is completely absent and some appears in the front. Cutting corners in the reprinting of a great reference book deserves harsh criticism. Thunder Bay seems to have not corrupted the main text. c. Book News Inc.
