**After Caroline** Kay Hooper 2009-09-16 Joanna Flynn was lucky to be alive. Twice in a matter of minutes she almost died on a patch of oil-slicked highway. But when the doctors told her that she would suffer no lasting effects, they were wrong. For that night the dream began... It was only of a house perched high above the sea, of a ticking clock and the lingering scent of roses. Yet night after night it awoke Joanna with a sense of panic. Its terror lingered throughout her days, urging her to do something—but what? Then two strangers on the street called her Caroline, and Joanna knew she had to find an explanation for what was happening, or she'd lose her mind. What she finally uncovered was an obituary for a woman named Caroline McKenna—a woman who looked enough like her to be her twin, a woman who was killed in a car accident on the same day Joanna should have perished. Now her torturous nightmares and a tenuous connection have brought Joanna three thousand miles across country to the town where Caroline lived—and died. Almost everyone has stories to tell about Cliffside's leading lady, and yet no one seems to have known her. Was she the shy wife or the seductress of men? The devoted mother or the selfish beauty? Too soon Joanna realizes that it's not her sanity at stake, but her life. For unraveling the mystery of Caroline means uncovering the secrets in this picturesque town, secrets someone may have killed to hide. And that someone appears all too willing to kill again.

**A Scary Little Christmas** Matthew C. DuPée 2022-06-03 Controversial yet beloved among audiences, Christmas-themed horror movies emerged in the early 1970s and gained a notorious reputation with *Silent Night*, *Deadly Night* (1984), depicting Santa as an ax-wielding maniac. Some parents and conservative groups condemned the film, while others embraced the portrayal of Yuletide as a backdrop for fear and dread. Drawing on interviews with directors, producers, special effects artists,

photographers and actors, this book celebrates the sordid, colorful history of the Christmas horror subgenre. Psycho Santa films such as *Christmas Evil* (1980) and *3615 code Pere Noel* (1989) are examined, along with "Yule-Die" slashers like *The Dorm that Dripped Blood* (1982), *Black Christmas* (1974) and *Silent Night, Bloody Night* (1972). Commercial successes like *Gremlins* (1984) and *Rare Exports: A Christmas Tale* (2010) are covered, as well as more recent releases such as *Better Watch Out* (2016), *Red Christmas* (2016) and *Deathcember* (2019). Rare photographs, promotional materials and an annotated filmography are provided.

Live Bait Ted Wood 2014-04-01 "A series character worth watching for," small-town Canadian police chief Reid Bennett and his dog tackle big city crime (Los Angeles Times). Reid Bennett hits the mean streets of Toronto again. Because of his expertise, he (and his German shepherd, Sam, of course) is asked to bring in the vermin that has been bludgeoning nighttime security guards. And he makes the collar as advertised. So the police department asks him to stay on the case and find out who has been ordering these beatings. Reid has got to get down to business and sift through the long list of suspects. But he gets a little too involved . . . the culprits start looking for him, or at least he thinks they are. Reid must get to the bottom of this case quickly, before he becomes the next victim.

The Humor of the Old South M. Thomas Inge 2021-10-21 The humor of the Old South—tales, almanac entries, turf reports, historical sketches, gentlemen's essays on outdoor sports, profiles of local characters—flourished between 1830 and 1860. The genre's popularity and influence can be traced in the works of major southern writers such as William Faulkner, Erskine Caldwell, Eudora Welty, Flannery O'Connor, and Harry Crews, as well as in contemporary popular culture focusing on the rural South. This collection of essays includes some of the past twenty five years' best writing on the subject, as well as ten new works bringing fresh insights and original approaches to the subject. A number of the essays focus on well known humorists such as Augustus Baldwin Longstreet, Johnson Jones Hooper, William Tappan Thompson, and George Washington Harris, all of whom have long been recognized as key figures in Southwestern humor. Other chapters examine the origins of this early humor, in particular selected poems of William Henry Timrod and Washington Irving's "The Legend of Sleepy Hollow," which anticipate the subject matter, character types, structural elements, and motifs that would become part of the Southwestern tradition. Renditions of "Sleepy Hollow" were later echoed in sketches by William Tappan Thompson, Joseph Beckman Cobb, Orlando Benedict

Mayer, Francis James Robinson, and William Gilmore Simms. Several essays also explore antebellum southern humor in the context of race and gender. This literary legacy left an indelible mark on the works of later writers such as Mark Twain and William Faulkner, whose works in a comic vein reflect affinities and connections to the rich lode of materials initially popularized by the Southwestern humorists.

**Stealing Shadows** Kay Hooper 2010-09-15 What if you can enter a madman's cruel mind as he plans his vicious crimes? What if you can see the terrified face of his prey as he moves in for the kill—but you can't stop his frenzy once he strikes? Psychic Cassie Neill helps the L.A. police catch killers—until she makes a terrible mistake and an innocent child dies. Cassie flees to a small North Carolina town, hoping that a quiet life will silence the voices that invade her unwilling mind. But Cassie's abilities know few boundaries. And she's become certain—as no one else can be—that a murderer is stalking Ryan's Bluff. It's his fury that Cassie senses first, then his foul thoughts and perverse excitement. Yet she doesn't know who he is or where he will strike. The sheriff won't even listen to her—until the first body is found exactly where and how she predicted. Now a suspect herself, she races desperately to unmask the killer in the only way she knows: by entering his twisted mind. Her every step is loaded with fear and uncertainty . . . because if he senses her within him, he'll trap her there, so deep she'll never find her way out.

*No Regrets in the Evening of Life* Neville Buch 2018-03-14 The type of local and school history before the reader may be unfamiliar. It is a definitive and scholarly history in the style of many grammar school histories in Queensland. Although it is not unknown for Australian public and private schooling, it is unique for Queensland state schools. By saying it is a 'definitive and scholarly history', what is meant is not that

the history is complete; only that it reaches decisive conclusions in a substantive treatment. In this particular case, the historian is someone who has been trained at the level of a higher degree.

[Manly States](#) Charlotte Hooper 2001-02-22 Much has been written on how masculinity shapes international relations, but little feminist scholarship has focused on how international relations shape masculinity. Charlotte Hooper draws from feminist theory to provide an account of the relationship between masculinity and power. She explores how the theory and practice of international relations produces and sustains masculine identities and masculine rivalries. This volume asserts that international politics shapes multiple masculinities rather than one static masculinity, positing an interplay between a "hegemonic masculinity" (associated with elite, western male power) and other subordinated, feminized masculinities (typically associated with poor men, nonwestern men, men of color, and/or gay men). Employing feminist analyses to confront gender-biased stereotyping in various fields of international political theory—including academic scholarship, journals, and popular literature like *The Economist*—Hooper reconstructs the nexus of international relations and gender politics during this age of globalization.
