Mary Nolan, Ziegfeld Girl and Silent Movie Star Louise Carley Lewisson 2019-08-30 Mary Nolan (1905-1948), also known as Imogene "Bubbles"

Wilson, was the subject of two infamous court cases--one with Frank Tinney and the other with Eddie Mannix--in the 1920s. Like many Ziegfeld Follies girls, she had the beginnings of a promising career, but by the 1930s it had been destroyed by adultery, drugs and physical abuse. This biography follows Nolan's life from the backwoods of Kentucky to her death in 1948. Included is a series of newspaper articles published in 1941 that were to be expanded into her memoir, which she was unable to complete before her death.

Mary Todd Lincoln Jean H. Baker 1989 Profiles the much-maligned First Lady, a woman who was raised in a world of frontier violence, and who, like the nation her husband led during the Civil War, achieved an incomplete victory over internal discord

A Trip to the Trenches in February and March, 1855. By an Amateur.

Second edition Sir Edward Robert Sullivan 1855

Letters of Mary, Queen of Scots, and Documents Connected with Her Personal History, Now First Published [translated from the Collection of "Lettres Inedites" by Prince Lobanov-Rostovsky] with an Introduction by A. Strickland Mary (Queen of Scots) 1842

Edith Wharton and Mary Roberts Rinehart at the Western Front, 1915 Ed Klekowski 2018-06-26 By 1915, the Western Front was a 450-mile line of trenches, barbed wire and concrete bunkers, stretching across Europe.

Attempts to break the stalemate were murderous and futile. Censorship of the press was extreme--no one wanted the carnage reported. Remarkably, the Allied command gave two intrepid American women, Edith Wharton and Mary Roberts Rinehart, permission to visit the front and report on what they saw. Their travels are reconstructed from their own published accounts, Rinehart's unpublished day-by-day notes, and the writings of other journalists who toured the front in 1915. The present authors' explorations of the places Wharton and Rinehart visited serves as a travel guide to the Western Front.

Mary Ward Henriette Peters 1994

The Fiji and New Caledonia Journals of Mary Wallis, 1851-1853 Mary Davis Wallis 1994

The Mystery of Mary Stuart Andrew Lang 1901 Mr. Carlyle not unjustly described the tragedy of Mary Stuart as but a personal incident in the true national History of Scotland. He asked for other and more essential things than these revelations of high life. Yet he himself wrote in great detail the story of the Diamond Necklace of Marie Antoinette. The diamonds of the French, the silver Casket of the Scottish Queen, with all that turned on them, are of real historical interest, for these trifles brought to the surface the characters and principles of men living in an age of religious revolution. Wells were sunk, as it were, deep into human personality, and

the inner characteristics of the age leaped upwards into the light. For this reason the Mystery of Mary Stuart must always fascinate: moreover, curiosity has never ceased to be aroused by this problem of Mary's guilt or innocence. Hume said, a hundred and fifty years ago, that the Scottish Jacobite who believed in the Queen's innocence was beyond the reach of reason or argument. Yet from America, Russia, France, and Germany we receive works in which the guilt of Mary is denied, and the arguments of Hume, Robertson, Laing, Mignet, and Froude are contested. Every inch of the ground has been inspected as if by detectives on the scene of a recent murder; and one might suppose that the Higher Criticism had uttered its last baseless conjecture and that every syllable of the fatal Casket Letters, the only external and documentary testimony to Mary's guilt, must have been weighed, tested, and analysed. But this, as we shall see, is hardly the fact. There are 'points as yet unseized by Germans.'

Mary was never tried by a Court of Justice during her lifetime. Her cause has been in process of trial ever since. Each newly discovered manuscript, like the fragmentary biography by her secretary, Nau, and the Declaration of the Earl of Morton, and the newly translated dispatches of the Spanish ambassadors, edited by Major Martin Hume (1894), has brought fresh light, and has modified the tactics of the attack and defence.

Mary Lincoln Stacy Pratt McDermott 2015-01-09 One of America's most

compelling First Ladies, Mary Lincoln possessed a unique vantage point on the events of her time, even as her experiences of the constraints of gender roles and the upheaval of the Civil War reflected those of many other women. The story of her life presents a microcosm through which we can understand the complex and dramatic events of the nineteenth century in the United States, including vital issues of gender, war, and the divisions between North and South. The daughter of a southern, slave-holding family, Mary Lincoln had close ties to people on both sides of the war. Her life shows how the North and South were interconnected, even as the country was riven by sectional strife. In this concise narrative, Stacy Pratt McDermott presents an evenhanded account of this complex, intelligent woman and her times. Supported by primary documents and a robust companion website, this biography introduces students to the world of nineteenth-century America, and the firsthand experiences of Americans during the Civil War.

Merry Merry February Doris Orgel 1977 The funniest things occur in the month of February--fish go peopling, snow turns to ice cream, and babies are delivered by rocket.

The Life & Letters of Mary Wollstonecraft Shelley Florence Ashton Thomas Marshall 1889 This book contains letters from Mary Shelley's life from 1797 to 1822.

My Story: Mary Queen of Scots Kathryn Lasky 2014-04-03 At just 11 years old, the young princess Mary Stuart is sent from her native Scotland to live in the court of her future father-in-law, King Henry II of France. She knows one day she will have to embark on the serious business of being queen of France. My Royal Story offers a fascinating glimpse into the life of a sixteenth-century princess.

Mary Delany (1700–1788) and the Court of George III Alain Kerherve 2021-03-24 Though she failed to become a handmaiden to Queen Anne, Mary Delany went on to become a figure at Court, eventually lodging at Windsor. This new edition of her correspondence during her years at Windsor presents previously unpublished letters as well as applying modern standards of editorial principles to her correspondence. The letters show the daily rituals of living at Court, document the first social steps of Fanny Burney and Mary Georgina Port, and supply new information on the family life of the royal family - including material on the assassination attempt against George III by Margaret Nicholson. Volume 2 of the *Memoirs of the Court of George III*.

Begin. February 10, 1764. Memorial for the United Incorporations of Mary's Chapel and for A. Miller, Glazier, Deacon, duly elected by them of the Incorporation of Masons, Pursuers, against A. Nicholson, the pretended Deacon of the said Incorporation, and the Magistrates and Town-council of

Edinburgh, and others, Defenders Incorporations of Mary's Chapel (EDINBURGH) 1764

The New England Historical & Genealogical Register and Antiquarian Journal 1868

Merry's Museum and Parley's Magazine 1854

Mary's Suitcase of Memories Mary Buard Shearon 2014-04 *Mary's Suitcase of Memories* is a delightful read. It's a snappy, funny and heartfelt memoir. The book is made up of five diaries written by Mary Buard from 1916 -1921. The diaries were originally handwritten in pencil or ink and were copied to a more legible and printable format. The diaries reveal the joys and sorrows of a young teenage girl. It chronicles her relationship with her close friend Mag, romances, school years and family relationships. It is also a historical read in that it covers concerns regarding the participation of her brothers and great uncle in the Spanish-American War and World War I....

Mary McGrory John Norris 2015-09-22 A wildly entertaining biography of the trailblazing Washington columnist and the first woman to win the Pulitzer Prize for commentary Before there was Maureen Dowd or Gail Collins or Molly Ivins, there was Mary McGrory. She was a trailblazing columnist who achieved national syndication and reported from the front lines of American politics for five decades. From her first assignment

reporting on the Army–McCarthy hearings to her Pulitzer-winning coverage of Watergate and controversial observations of President Bush after September 11, McGrory humanized the players on the great national stage while establishing herself as a uniquely influential voice. Behind the scenes she flirted, drank, cajoled, and jostled with the most important figures in American life, breaking all the rules in the journalism textbook. Her writing was admired and feared by such notables as Lyndon Johnson (who also tried to seduce her) and her friend Bobby Kennedy who observed, “Mary is so gentle—until she gets behind a typewriter.” Her soirees, filled with Supreme Court justices, senators, interns, and copy boys alike, were legendary. Writing about Donald Trump's first divorce in 1990, she said, “Watching the Trumps, Washington thinks of itself as wholesome.” As the red-hot center of the Beltway in a time when the newsrooms were dominated by men, McGrory makes for a powerfully engrossing subject. Laced with juicy gossip and McGrory’s own acerbic wit, John Norris’s colorful biography reads like an insider’s view of latter-day American history—and one of its most enduring characters.

Dr. Mary Walker's Civil War Theresa Kaminski 2020-06-01 “I will always be somebody.” This assertion, a startling one from a nineteenth-century woman, drove the life of Dr. Mary Edwards Walker, the only American woman ever to receive the Medal of Honor. President Andrew Johnson

issued the award in 1865 in recognition of the incomparable medical service Walker rendered during the Civil War. Yet few people today know anything about the woman so well-known—even notorious—in her own lifetime. Kaminski shares a different way of looking at the Civil War, through the eyes of a woman confident she could make a contribution equal to that of any man. This part of the story takes readers into the political cauldron of the nation’s capital in wartime, where Walker was a familiar if notorious figure. Mary Walker’s relentless pursuit of gender and racial equality is key to understanding her commitment to a Union victory in the Civil War. Her role in the women’s suffrage movement became controversial and the US Army stripped Walker of her medal, only to have the medal reinstated in 1977.

The Statutes at Large and Proclamations of the United States of America from ... United States 1873 Statutes at Large is the official annual compilation of public and private laws printed by the GPO. Laws are arranged by order of passage.

Happy Dance Laura Kline 2020-11-19 This dance journal follows author, researcher, and university lecturer Laura Kline as she embarks on a unique journey towards heightened awareness. It records her daily insecurities as a fifty-five-year-old dance student—doing undercover research for her next lesbian romance novel—at her own university.

Nervous about joining this high-risk contact improvisation class, she soon realizes what a tremendous opportunity it offers the protagonists, two fictional female dancers who fall in love. Little does she suspect how this course, along with her weekly 5Rhythms® dance sessions, will impact her personal growth and worldview, by forcing her to slow down and experience the intense flavor of each moment. It even enhances her survival skills. When the COVID-19 pandemic hits, her daily journal reflections broaden to include noisy neighbors, walls closing in on her, her partner, and their cat during the sudden stay-at-home order, struggles with teaching remotely, loss of sleep, weight loss, etc. Without realizing it, Laura becomes the protagonist of her own book—this journal. Her lively and humoristic adventure through dance illustrates how becoming present—even for five short minutes while standing still in pure silence—what she calls the Happy Dance—can literally lift people up, providing a safe space to traverse unexpected rocky roads. Her expedition is pebbled with injury and stress, yet she continues dancing. Page by page, with Laura’s stick-figure illustrations, we gradually see how Laura unearths a youthful buoyancy in her musculoskeletal system, lubricating her achy joints, giving them a bounce as she treads barefoot into the kitchen—or masters the moonwalk in her school’s photocopy room. Through a deep exploration of mindful movement and contact

improvisation, we observe Laura as she dances her way to greater health, stability, healing, and happiness.

Be Still and Be Happy BroadStreet Publishing Group LLC 2021-04-06 God encourages us in his Word to give thanks in all things. That's not a mistake. When we choose to focus on things we are grateful for, our satisfaction with life increases and we become happier people. This 365 daily devotional will encourage you to focus on things that bring life and joy, reflect on Scripture that give peace and comfort, and evaluate each day in the light of truth. Take time to ponder the sweetness of life, be still with the Father... and find true happiness!

Merry, Merry Fern Michaels 2012-12-01 In this Christmas romance novella, a struggling veterinarian isn't about to let a wealthy man steal her home . . . but he might steal her heart. Some people think owning buckets

of money gives them the right of way. Well, if cosmetic king Peter King thinks he's going to buy struggling veterinarian Andi Evans's family property out from under her, he's got another thing coming. This Christmas, Andi is not in a giving mood . . . but is she ready to receive something her heart never expected? Praise for the writing of #1 New York Times–bestselling author Fern Michaels “Heartbreaking, suspenseful, and tender.” –Booklist on *Return to Sender* “Fast-moving . . . Entertaining . . . A roller-coaster ride of serendipitous fun.” –Publishers Weekly on *Mr. and Miss Anonymous* Previously Published in *I'll Be Home For Christmas*. **Dictionary of American Children's Fiction, 1960–1984** Alethea Helbig 1986 Comprehensive dictionary of American children's fiction from 1960 to 1984. Includes short synopsis and brief information on author. *William and Mary College Quarterly Historical Magazine* 1903 Publishes refereed scholarship in history and related disciplines from initial Old World–New World contacts to the early nineteenth century and beyond. Its articles, notes and documents, and reviews range from British North America and the United States to Europe, West Africa, the Caribbean, and the Spanish American borderlands. Forums and topical issues address topics of active interest in the field. *Merry's Museum* 1845 *Papers Relating to the Foreign Relations of the United States* United

States. Department of State 1901

Set in Stone Jenna Weissman Joselit 2017 The Ten Commandments need no introduction - what more is there to know about the divine dos and don'ts? According to Jenna Weissman Joselit's imaginative and vivid account, there's a lot more to this ancient biblical code than Moses and Mount Sinai. Situating the Ten Commandments within the context of modern America, *Rock Solid* takes the reader on a sweeping journey through history to reveal the surprising influence of the scriptural directives on the formation of America's national identity. Stripped of their sanctified context in the unpredictable terrain of the New World, the Commandments readily attracted intense, heated public debates, sending shockwaves through religious and secular cultures alike. When an exceedingly ancient version of the Ten Commandments - or so it was claimed - turned up on a boulder in central Ohio on the eve of the Civil War, they provoked wonder, pride and a whiff of mystery, too. In a different instance, the presence of a circularly shaped Ten Commandments in a stained glass window nearly split one New York synagogue congregation asunder. Still other stories explore what happened when the Decalogue became the darling of Hollywood in the hands of director Cecil B. DeMille, or, in an equally startling turn, a handmaiden to therapy. Rich in story and inhabited by a lively cast of characters whose ranks include forgers and filmmakers,

architects and archaeologists, ordinary citizens and politicians, Rock Solid compels us to take a closer look at the Ten Commandments and see them afresh. Through a series of deftly rendered vignettes, this compelling account recasts the cultural impact of the Ten Commandments in American society not as a legal code or theological imperative, but as a fertile repository of American history with a defining impact on the country's cultural imagination to the current day.

The History Of Scotland – Volume 2: From Mary Stuart to James VI.

Andrew Lang This is volume 2, covering the time from Mary Stuart to James VI. In four volumes of more than 1500 combined pages the series "The History of Scotland" deals with something less than two millennia of Scottish history. Every single volume covers a certain period in an attempt to examine the elements and forces which were imperative to the making of the Scottish people, and to record the more important events of that time.

Let the Flowers Go: A Life of Mary Cholmondeley Carolyn W de la L Oulton 2015-09-30 Giving a comprehensive critique of Cholmondeley's writings, Oulton analyzes the inspiration and influences behind some of her greatest

work and provides an appealing biography on a writer whose work is of increasing interest to modern scholars.

Various exercises and fragments in metre by divers authors, etc. [Compiled by Molesworth Jeffery. With plates, including a portrait.] Molesworth JEFFERY 1864
