Man Ray's "Rayograph"

Man Ray
Man Ray 2009 One of the most famous artists of the twentieth century, a Dadaist and pioneer of Surrealism, Man Ray (1890-1976) became involved with photography in 1914. He was soon experimenting with different processes--solarization, negative images, multiple exposures--and in 1921 he created the "rayograph." This volume collects together the best of his experimental work, as well as portraits of some of the most important figures in modern art. 64 duotone illustrations. About the series: The classic Photofile series brings together the best work of the world's greatest photographers in an attractive format and at a reasonable price. Handsome and collectible, the books are produced to the highest standards. Each volume contains some sixty full-page reproductions printed in superb duotone, together with a critical introduction and a full bibliography. Now back in print, the series was awarded the first annual prize for distinguished photographic books by the International Center of Photography.

If Animals Celebrated Christmas Ann Whitford Paul 2018-09-11 In the same vein as IF ANIMALS KISSED GOOD NIGHT, this new picture book from Ann Whitford Paul and David Walker explores how different members of the animal kingdom might spend the Christmas season. If animals said Merry Christmas like we do . . . how would they say it? Tortoise would hiss a holiday wish. Crane would croon joyful carols, and Mama and Papa Buffalo would kiss beneath the mistletoe. Aross the animal kingdom, every creature would celebrate this magical season. If Animals Celebrated Christmas is sure to be a holiday favorite

Animals Born Alive and Well Ruth Heller 1999-05-24 Perfect for introductory science and biology lessons! What do mammals have in common? They have fur. They nurse their young. They breathe fresh air. But what else? Explore nature and discover a variety of mammals—also known as viviparous animals—and the many ways that they are unique from one another. "Here are twenty double-page spreads all bright with mammals. Large, tiny, prehistoric, unusual—they are all here in repeatable rhymes, and a million-dollar word (viviparous) is tossed in for good measure." —The Provident Bookfinder "Both simple and surprising, Heller's sprightly picture books use verse and unusually harmonious pictures to introduce the animal kingdom. Chickens lists some of the many good things that come in egg packages, while Animals mentions all manner of mammals." —Publishers Weekly About the Explore! series: Dedicated to helping children learn a variety of nonfiction subjects, the Explore series uses pitch-perfect rhyming text and brilliantly illustrated images to make learning fun. Books in the series: Explore Language 1. Behind the Mask: A Book About Prepositions 2. Cache of Jewels: And Other Collective Nouns 3. Fantastic! Wow! and Unreal!: A Book About Interjections and Conjunctions 4. Kites Sail High: A Book About Verbs 5. Many Luscious Lollipops: A Book About Adjectives 6. Mine, All Mine!: A Book About Pronouns 7. Merry-Go-Round: A Book About Nouns 8. Up, Up and Away: A Book About Adverbs Explore Nature 1. Animals Born Alive and Well: A Book About Mammals and Their Young 2. Chickens Aren't the Only Ones: A Book About Animals Who Lay Eggs 3. The Reason for a Flower: A Book About Flowers, Pollen, and Seeds 4. Plants that Never Ever Bloom: A Book About Fungi, Ferns, and Other Plants Without Flowers

My Family and Other Animals Gerald Durrell 2016-10-11 The inspiration for The Durrells in Corfu, a Masterpiece production on public television: A naturalist's account of his childhood on the exotic Greek island. When the Durrells could no longer endure the gray English climate, they did what any sensible family would do: sold their house and relocated to the sun-soaked island of Corfu. As they settled into their new home, hilarious mishaps ensued as a ten-year-old Gerald Durrell pursued his interest in natural history and explored the island's fauna. Soon, toads and tortoises, bats and butterflies—as well as scorpions, geckos, ladybugs, praying mantises, octopuses, pigeons, and gulls—became a common sight in the Durrell villa. Uproarious tales of the island's animals and Durrell's fond reflections on his family bring this delightful memoir to life. Capturing the joyous chaos of growing up in an unconventional household, My Family and Other Animals will transport you to a place you won't want to leave. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

Simple Forms Douglas Gray 2015 Simple Forms is a study of popular or folk literature in the medieval period. Focusing both on the vast body of oral literature that lies behind the written texts which have survived from the medieval period and on the popular literature provided by literate authors for audiences of hearers or readers with varying degrees of literacy, Douglas Gray leads new readers to a productively complicated understanding of the relationship between medieval popular culture and the culture of the learned. He argues that medieval society was stratified, in what seems to us a rigid way, but that culturally it was more flexible. Literary topics, themes, and forms moved; there was much borrowing, and a constant interaction. Popular tales, motifs, and ideas passed into learned or courtly works; learned forms and attitudes made their way in into popular culture. All in all this seems to have been a fruitful symbiosis. The book's twelve chapters are principally organised genre, covering epics, ballads, popular romances, folktales, the German sage, legends, animal tales and fables, proverbs, riddles, satires, songs, and drama.

The Merry Shipwreck Georges Duplaix 2011-05-04 On peaceful days on his barge in New York Harbor, Captain Barnacle loves to spin salty

yarns about his life on the Seven Seas and the shipwrecks he's been in. But his animal friends are sure there's no such thing as a shipwreck . . . until one fateful night when the barge gets loose . . . in a storm! A fire boat comes to the rescue, and all the animals enjoy their tour around the harbor with New York's Bravest! This rollicking tale was illustrated by Tibor Gergely, who also illustrated Scuffy the Tugboat. *Animal Crossing New Horizon Christmas Coloring Book* Coocle 2020-10-16 Animal Crossing: New Horizons Coloring Book Let's take this book up and find out what are waiting for you inside this amazing coloring book!
