**Eerdmans Dictionary of the Bible** David Noel

Freedman 2000-12-31 The Eerdmans Dictionary of the Bible gathers nearly 5,000 alphabetically ordered articles that thoroughly yet clearly explain all the books, persons, places, and significant terms found in the Bible. The Dictionary also explores the background of each biblical book and related writings and discusses cultural, natural, geographical, and literary phenomenae matters that Bible students at all levels may encounter in reading or discussion. Nearly 600 first-rate Bible authorities have contributed to the Eerdmans Dictionary of the Bible. Intended as a tool for practical Bible use, this illustrated dictionary reflects recent archaeological discoveries and the breadth of current biblical scholarship, including insights from critical analysis of literary, historical, sociological, and other methodological issues. The editorial team has also incorporated articles that explore and interpret important focuses of biblical theology, text and transmission, Near Eastern archaeology, extrabiblical writings, and pertinent ecclesiastical traditions - all of which help make the Eerdmans Dictionary of the Bible the most comprehensive and up-to-date one-volume Bible dictionary on the market today.

**Error's of a Fallen Man** Absalom A Shakur

2020-06-09 Most Crime Novels Are Purely

Fictional. This One Is AMemoir! A short black man with no eyebrows or hair, his gun still smoking in its duffel, escapes the crime scene and boards a train to visit Carlitos Records headquarters, eager to talk to his boss and to find the friend who broke faith with him in a crucial moment. 18 years later, he's sharing his painfully honest story with you. The Errors Of A Fallen Man is an autobiographical novel that will keep you glued to the screen until the very last sentence. Unlike most books in the genre, which are purely fictional and often insanely far-fetched, this one is a description of real events. Filled with stunning detail, Hollywood-worthy action scenes, authentic dialogue, and mind-blowing revelations about organized crime and the life of a gangster turned rapper, this book is perfect for everyone who values a well-written, realistic crime novel with a touch of family drama. Are you ready to dive straight into the mind of a gangster? Scroll up, click on "Buy now with 1-Click" and Start Reading Now!

**Classic Biblical Baby Names** Judith Tropea

2006-08-29 The perfect name is one of the first and most important gifts parents can give their children—and often one of the most challenging decisions of parenthood. Expectant parents who want their child's name to be meaningful will find Classic Biblical Baby Names a unique and invaluable

resource. Drawing from both the Old and New Testaments, here are hundreds of history's most enduring names, carefully selected to appeal to contemporary tastes yet outlast trends. Organized alphabetically by gender, and complete with fascinating background information, each entry includes:

- Scriptural stories surrounding the name
- Meaning and spiritual connotation
- Citation of where the name appears in the Bible
- Proper pronunciation
- Cultural origin
- Alternate spellings, related names, nicknames
- Famous namesakes

From Adam to Zeph and Abigail to Zia, *Classic Biblical Baby Names* will enrich your understanding of familiar names and invite you to discover lesser-known possibilities. Names are an integral part of our identity and this one-of-a-kind guide will help you choose a name that reflects your hopes for the future and instills a sense of self in your child.

*Life-Study of 1 and 2 Samuel* Witness Lee 1994-09  
*The Expositor* 1919

**Lessons from David** Andrew Wommack 2014-05-01  
Probably one of the most well-known characters in the Bible is David. He grew up a shepherd boy and defeated a giant named Goliath and then went on to be King of Israel. While king, David made some serious mistakes. However, David didn't try to place the blame on other people. He took responsibility and shouldered the blame himself. By doing this, he was described by God as a "man after His own heart." In this book, you will learn that God has a good plan for every individual. But sometimes you can thwart that plan by your own desire to fulfill certain desires and dreams but God's grace can bring you back to the plan that God has for you. Even though David made some mistakes and even cost people their lives, he repented and was able to turn the direction of those mistakes to want to serve the Lord. God's grace is evident through the entire life of David. Rather than having to go through your own hard knocks, the author encourages the reader to learn from these life lessons from David

**Congressional Record** United States. Congress 1903

The *Congressional Record* is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The *Congressional Record* began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, the *Register of Debates in Congress (1824-1837)*, and the *Congressional Globe (1833-1873)*

*Small Matters* Greg Nettle 2016-04-12  
Children have always been close to Jesus' heart. As his followers, it's our responsibility to protect, nurture, and pass our faith to children. In *Small Matters: Why Children Are Such a Big Deal*, authors Greg Nettle and Jimmy Mellado offer a model of discipleship that encourages parents to raise up the next generation to be deeply committed to and in love with Jesus. Ministry pioneer D. L. Moody once said that if he could relive his life, he would devote his entire ministry to reaching children for God. What Moody understood was that, by investing in them, the potential for effective change in a child's life is huge. When we awaken to the fact that children between the ages of four and fourteen are the most likely to make a decision to follow Jesus, and that the discipleship that children receive forms their future, it may give you an idea of the importance of ministering the young. Greg and Jimmy challenge the typical church models of youth discipleship and offer ways to shift into a more effective and more biblical method that begins by empowering parents in their homes and works outward: Discipling children in the home. Discipling children in the church. Discipling children in the community. Now more than ever churches have to invest in the cause of children through advocacy, sponsorship, and children's ministries—all of which need to be committed to holistic child development. *Small Matters* will transform the way we view children, invest in them, reach out to them, teach them and, ultimately, empower them to be disciples of Jesus. "This is a book about small matters, which are really

large matters... God has used the small things of this world to do his work, and he continues to do this today. In Jesus' kingdom, the first are last and the least are the greatest, the servants are the heroes and the small are the biggest winners of all." John Ortberg, author and pastor.

### **Herald of Gospel Liberty** 1910

*The Second Book of Samuel* David Toshio Tsumura 2019-07-23 Second Samuel includes some of the most well-known and theologically layered episodes in the Old Testament, such as the Lord's establishment of an eternal covenant with David, David's sin with Bathsheba, and the subsequent account of Absalom's rebellion. In this second part of an ambitious two-volume commentary on the books of Samuel, David Toshio Tsumura elucidates the rich text of 2 Samuel with special attention to literary and textual issues. Tsumura interprets the book in light of the meaning of the original composition, and he provides a fresh new translation based on careful analysis of the Hebrew text.

**Black Irish** Stephan Talty 2013-02-26 NEW YORK TIMES BESTSELLER • In this explosive debut thriller by the author of *Empire of Blue Water*, a brilliant homicide detective returns home, where she confronts a city's dark demons and her own past while pursuing a brutal serial killer on a vengeful rampage. "The captivating start of a brilliant thriller series."—Tess Gerritsen Absalom "Abbie" Kearney grew up an outsider in her own hometown. Even being the adopted daughter of a revered cop couldn't keep Abbie's troubled past from making her a misfit in the working-class Irish American enclave of South Buffalo. And now, despite a Harvard degree and a police detective's badge, she still struggles to earn the respect and trust of those she's sworn to protect. But all that may change, once the killing starts. When Jimmy Ryan's mangled corpse is found in a local church basement, this sadistic sacrilege sends a bone-deep chill through the winter-whipped city. It also seems to send a message—one that Abbie believes only the

fiercely secretive citizens of the neighborhood known as "the County" understand. But in a town ruled by an old-world code of silence and secrecy, her search for answers is stonewalled at every turn, even by fellow cops. Only when Abbie finds a lead at the Gaelic Club, where war stories, gossip, and confidences flow as freely as the drink, do tongues begin to wag—with desperate warnings and dire threats. And when the killer's mysterious calling card appears on her own doorstep, the hunt takes a shocking twist into her own family's past. As the grisly murders and grim revelations multiply, Abbie wages a chilling battle of wits with a maniac who sees into her soul, and she swears to expose the County's hidden history—one bloody body at a time. With *Black Irish*, Stephen Talty stakes a place beside Jo Nesbø, John Sandford, and Tana French on the cutting edge of psychological crime thrillers.

### **The Law of Wishing** The Absalom Group

2014-01-23 *The Law of Wishing: Revealed the Practice Wish-Craft - Beyond the Law of Attraction* This is the greatest revelation to human beings since the time of Cicero You can have a copy of the greatest instruction manual for getting anything you desire in your life You CAN learn the art of Wish-craft! Prophets, Prophecy, and Ancient Israelite

Historiography Mark J. Boda 2013-01-11 The 18 essays by members of the Canadian Society for Biblical Studies published in this volume showcase the work of leading authorities on ancient Israelite and Jewish historiography as it intersects with the phenomenon of prophecy. A deep divide exists between the traditions of historiography and prophecy in the academic study of the Hebrew Bible, and the concern of the contributors is to close that gap, to expose the close relationship between these two traditions in the literature of the Hebrew Bible. The first section of the book explores prophecy and prophets in ancient Israelite and Jewish historiographic books (Torah,

Deuteronomistic History, Chronicles, Ezra–Nehemiah, Second Temple Jewish historiography). The second section surveys historiography in Israelite and Jewish prophetic books (Isaiah, Jeremiah, Ezekiel, Book of the Twelve, Daniel, 1 Enoch). The contributors engage diverse methodological perspectives in these studies, the goal first being to show the role that the prophets played within the great Hebrew historiographic works and, second, to demonstrate the role that historiography plays within the great Hebrew prophetic works; this makes it clear that the influence is bidirectional. Prophets, Prophecy, and Ancient Israelite Historiography will be of value for advanced students and scholars working on historiographic and prophetic materials in the ancient Israelite and Jewish traditions, featuring the best of research and analysis and interacting with many major ancient literary traditions of historiography and prophecy.

*God vs. Government* Nathan Busenitz 2022-03-01  
“Welcome to our peaceful protest.” In the spring of 2020, government mandates forced churches across North America to close their doors in response to the COVID-19 pandemic. As societal fear and unrest increased, Christians were forced to grapple with how God wanted them to respond to these state-imposed restrictions. After all, didn’t the closure of churches pose a serious threat in a time when people needed spiritual direction more than ever? *God vs. Government* follows two churches’ courageous decisions to reopen despite orders to remain closed. Guided by the command in Hebrews 10:25 that churches not forsake meeting together, pastors John MacArthur and James Coates led their congregations to return to in-person meetings—and

were swiftly met by unsympathetic governing authorities ready to shut them down again. The ensuing legal battles raised important questions about religious freedom, and more importantly, illuminated what it looks like to take a stand when Christ and compliance collide. How do we react with wisdom and discernment when the state encroaches upon the church? *God vs. Government* tells two incredible accounts that affirm our need to be faithful to the Lord’s commands no matter the circumstances.

Discipleship that Fits Bobby Harrington 2016-02-09

For far too long, the church has tried to make disciples using a one-size-fits-all approach. Some churches advocate 1-on-1 discipling, others try getting everyone into a small group, while still others training through mission trips or service projects. Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching. But does one size really fit everyone? Based on careful biblical study and years of experience making disciples in the local church, Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives. In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context. *Discipleship That Fits* shows you the five key ways discipleship occurs. It looks at how Jesus made disciples and how disciples were formed in the early church. Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ: Public Relationships: The church gathering corporately for worship Social Relationships: Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships: Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships: Close relationships of three to four where we share intimate details of

our lives for accountability The Divine Relationship: Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories, Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it, how the early church practiced it, and how churches are discipling people today.

**Spiritual Intelligence** Kris Vallotton 2020-10-20

Two quotients analyze our minds and emotions: I.Q. and E.Q. But Kris Vallotton believes we are ignoring a deeper dimension--spiritual intelligence. Because believers have the mind of Christ through the Holy Spirit, we have the capacity for brilliance. God invites us to embark on a journey of discovery as he reveals mysteries and helps us bring our perspective in line with his--transforming our understanding and endowing us with spiritual intelligence. In this eye-opening new release, pastor and bestselling author Kris Vallotton says that God invites us to think like him. He answers questions such as · What are the five dimensions of spiritual intelligence? · How can I build new neural pathways to supernatural thinking? · How do I recognize my sphere of influence and the borders of my divine assignment? · And much more! As you listen to the Holy Spirit and realize what it means to have the mind of Christ, you have the capacity for life-transforming spiritual intelligence unavailable in any other way.

**Breaking the Spirit of Absalom** David Copeland 2009-05 There have been a multitude of books and sermons preached about the different "spirits" affecting people in this day: Jezebel, Python, Athaliah, and Delilah are just some of the spirits Scripture reveals are at work in our midst in the 21st century church. A multitude of ministers and

churches are feeling the pressure to buy into programs and ideas the Holy Spirit never told them to be a part of. And when that happens, an Absalom is born in their lives and ministries. In this book, David reveals the characteristics of an Absalom, how it gains a hold in our lives, and the reason we must break its authority over us so we can walk in the individual anointing God has called us all to carry. Holman Concise Bible Dictionary Holman Bible Publishers (COR) 2011 More than four thousand entries cover key people, places, and events found in the Bible.

**Vindicating the Vixens** Sandra Glahn 2017-11-30 Christianity Today 5-Star Review Publishers Weekly Review Foreword Reviews Indie Awards Finalist Gain a greater understanding of gender in the Bible through the eyes of a diverse group of evangelical scholars who assert that Christians have missed the point of some scriptural stories by assuming the women in them were "bad girls." Did the Samaritan woman really divorce five husbands in a world where women rarely divorced even one? Did Bathsheba seduce King David by bathing in the nude? Was Mary Magdalene really a reformed prostitute? While many have written studies of the women in the Bible, this is a new kind of book--one in which an international team of male and female scholars look afresh at vilified and neglected women in the Bible. The result is a new glimpse into God's heart for anyone, male or female, who has limited social power.

*Motivational Speaker*2 Tilawan 2012-07-19 Inspiring, entertaining, intriguing, and thrilling. He had a smooth and great command of the English language that left one in no doubt of the type of education he had. I was not particularly elated about getting a male caller. The men have a way of drawing you to their problems, which often had to do with their business deals or financial difficulties, and you would end up giving the same advice all over again, and thus turning the show to be a boring repetition of talks. But with the ladies, you are sure to bounce on an interesting topic that

reveals a lot of a sleazy life history. It was not that the men had no history of scandals of theirs to reveal, but it was the ladies that normally were more imminent on their life stories. Hello, DJ SST! he said. He was definitely not a regular caller, probably not even a first caller. My buddies on the show were all used to calling me with just SST! Yeah, you are welcome to the motivation dance club on Peoples FM, and what dance steps do you have for us today? I asked in my usual polite and rehearsed manner of speaking to a new caller. Really, sir, this is my first time, he said rather apologetically. I was right. He was a first-time caller! And he was coming with this sir stuff that I haven't heard on the show for such a long time. Since I became a buddy and household name to my callers in Lagos, everybody was quick to address me just as SST. There was no sir or Mr. for me now! For a caller not to call me with my familiar initials could imply he was a new person on the sho' as I call it. And nobody wants to be seen as a new person on the show in Lagos! Anyway, I think I like the guy. He sounded a little cultured and might even turn out to be a gentleman! A gentleman in Lagos? Well, why not? You never know as they say! OK, you are welcome to the motivation dance club, and as you know, I am DJ SST, and we dont need introduction on the motivation dance club in Lagos. We just need more people to move on to our dance floor and show us their dancing steps! I was trying to loosen the tension that he exhibited in his voice. Yes, thanks, sir! he said.

**A Cry of Absence** Martin E. Marty 2009-11-01  
Beginning with the Psalms and adding the distilled

wisdom of years of study and writing, Martin Marty offers a meditation marked by insight, strength, and a sure, sober faith. Throughout *A Cry of Absence*, he pursues the metaphor of the "winter of the heart." Marty bases his concept of the wintry way to God on a passage from the theologian Karl Rahner, describing a "wintry sort of spirituality." It refers to movement toward faith that grapples with pain, uncertainty, evil, loss, and the mystery of death to discover "hope on the winter-fallow landscape."
