October Moons
Eve Morton 2020-10-31 Diamond "Di" Lamont is sick of her life in Vineland, a small town in Southern Ontario known for its nature pathways, its horticulture, and its wine. One afternoon Di escapes from her desk job for a walk in the park and soon stumbles on an enchanting naked woman who seems to be bathing in a nearby creek. Stunned by her discovery, Di is soon surprised again when the woman appears to be trans. When the woman runs away without exchanging a word, Di is left with too many questions and unfulfilled desires. In order to figure out her mystery woman, Di explores Vineland in a way she never had before, and along the way, finds out that the small town is host to a lot more interesting and unique people -- like the local bookstore that's also a coven, and numerous other trans women and queer people hiding in plain sight -- than she first thought. Genevieve Holloway never wanted to move to Vineland. Her girlfriend did, and now in the wake of her death, Gen continues to feel stuck. Her job sucks. Her apartment is filled with memories she doesn't want to have - and getting caught naked in the local creek is the last straw. As the October moon waxes and wanes, Gen becomes determined to leave Vineland and never return, all the while just missing out on Di's affection and attention as she desperately seeks her mystery woman. Can a brief meeting during the first full moon of the month of October truly change these women's lives and lead them back to one another? Or is there no more magic left in Vineland for either one of them?

Cupid and Psyche
Regine May 2020-02-24 Apuleius' tale of Cupid and Psyche has been popular since it was first written in the second century CE as part of his Latin novel *Metamorphoses*. Often treated as a standalone text, Cupid and Psyche has given rise to treatments in the last 400 years as diverse as plays, masques, operas, poems, paintings and novels, with a range of diverse approaches to the text. Apuleius' story of the love between the mortal princess Psyche (or "Soul") and the god of Love has fascinated recipients as varied as Romantic poets, psychoanalysts, children's books authors, neo-Platonist philosophers and Disney film producers. These readers themselves produced their own responses to and versions of the story. This volume is the first broad consideration of the reception of C&P in Europe since 1600 and an adventurous interdisciplinary undertaking. It is the first study to focus primarily on material in English, though it also ranges widely across literary genres in Italian, French and German, encompassing poetry, drama and opera as well as prose fiction and art history, studied by an international team of established and young scholars. Detailed studies of single works and of whole genres make this book relevant for students of Classics, English, Art History, opera and modern film.

Figures of the Text
Michael Vincent 1992-01-01 The works of Jean de La Fontaine have invited an extraordinary variety of readings in the three centuries since their composition. By engaging selected fables and tales with contemporary notions of intertextuality, reader reception theory, and grammarology, Figures of the Text raises questions about what "reading La Fontaine" meant in the 17th century, and what it means today. The study integrates a theory of reading and a theory of textual production by drawing attention to those aspects of the text that figure writing and reading, for instance: scenes of reading; other modes of writing (emblems, hieroglyphics); inscriptions and epitaphs; proper names; and citation (proverbs, maxims, allusions); the relation of represented orality to textuality, of textuality to corporeality, and of textuality to the visual arts (ekphrasis); and the archaeology of textual figures, such as labyrinths, textiles, and veils.

The Romance of the Rose and the Making of Fourteenth-Century English Literature
Philip Knox 2022-02-17 The Romance of the Rose had a transformative effect on the multilingual literary culture of fourteenth-century England, leaving more material evidence for late medieval English-speaking readers than any other vernacular literary work from mainland Europe. This book examines its decisive effect on English literature of the fourteenth century, and new literary experiments it provoked from writers such as Geoffrey Chaucer, John Gower, William Langland, and the author of Sir Gawain and the Green Knight. Linking the English afterlife of the Rose to a host of ongoing cultural developments in mainland Europe, The Romance of the Rose and the Making of Fourteenth-Century English Literature reveals the deep interconnectedness of English and European literary culture. Examining courtly, clerical, and classicising orientations towards the text, it presents new arguments for the place of the Rose at the centre of fourteenth-century English literature, and explores its rich manuscript history to reveal new evidence about the cultural significance of this love allegory from thirteenth-century France. The chapters avoid an author-centred approach, arranging readings of the Rose and its relation with English literature in constellations that reveal complex unfolding inter-relation of the diverse readings of the Rose that took place in fourteenth-century England.

Cupid's Playground
Nichole A. Carter 2014-06-11 I feel my heart racing when I see his face. I lose all my words when he smiles at me. My best moments are alone in my bed when I dream of him. He's my best friend. I feel intoxicated by his touch. Suffocation when he's near. Motivated when I see his girlfriend, to let him know I'm the one. His name is Jason. It's confession time. I'm in love with my best friend. My name is Melissa, and I've been best friends with Jason since grade school. It's now senior year, and I'm determined to let him know how I feel about him. With the help of Cupid and my friend, Kerri, I hope to find the words to tell him how I feel. The feelings that I have for this man is unexplainable. I desire him in a way that makes me re-think my good girl status. He makes it so easy loving him with his charming, sweet, and gentlemen ways. I can't take being in the friends zone

with him anymore. Girlfriend or not, I need his undivided attention. It's wrong to have this much lust for one individual person. I never been kissed. Never been touched, and yet have this undeniable desire for him to be the first everything. I'm stingy and selfish wanting him to leave her altogether. It's senior year, and I'm not stopping, until he's mine.

Supernatural Chronicles: The Cupids
Kallie Ross 2015-12-14 Evelyn Bowden, at nineteen, sacrificed herself for Tate Gallier. Her act inspired the gods to deem her immortal as a cupid. Now, she's been assigned to apprentice with Andel Lambros, a 200 year-old heavenly archer that looks 24. The purpose of the cupids is easy enough for the newbie to understand, and to resent. But the significance of their work doesn't have time to sink in when Evelyn is given her first assignment. Cupid elders have received a message and need their newest, least experienced, comrade-in-arms—Evelyn—to retrieve an arrow. That means she must release a mortal from an everlasting love. When she discovers the arrow is fastened to none other than her own love, Tate's heart, Evelyn battles with letting him go. The century old war for love may be lost if Evelyn doesn't gear up to save them all. Being a cupid takes more than a bow and some arrows. Evelyn is challenged to deliver her arrow, let go of her first love, and trust an ancient brooding cupid with her existence. Giving up her lost love's arrow as an offering will be more painful than getting hit by a streetcar, and she knows how that feels since it's what started the whole predicament. Will Evelyn be able to keep her covenant to her fellow cupids? Will she save them all or lose everything trying? *The Cupids is the eighth novella in the Supernatural Chronicles: New Orleans. The boxed set will be released in January 2016.

Dreams and Dreaming in the Roman Empire
Juliette Harrison 2013-07-04 The history and literature of the Roman Empire is full of reports of dream prophecies, dream ghosts and dream gods. This volume offers a fresh approach to the study of ancient dreams by asking not what the ancients dreamed or how they experienced dreaming, but why the Romans considered dreams to be important and worthy of recording. Dream reports from historical and imaginative literature from the high point of the Roman Empire (the first two centuries AD) are analysed as objects of cultural memory, records of events of cultural significance that contribute to the formation of a group's cultural identity. The book also introduces the term "cultural imagination", as a tool for thinking about ancient myth and religion, and avoiding the question of 'belief', which arises mainly from creed-based religions. The book's conclusion compares dream reports in the Classical world with modern attitudes towards dreams and dreaming, identifying distinctive features of both the world of the Romans and our own culture.

Poems of Cupid, God of Love
Thelma S. Fenster 1990 The lightheartedness of these works both masks and enhances their engagement with provocative issues of continuing interest today: conduct in society, literary practice and moral praxis, relations between men and women, the value of received wisdom. This volume offers texts of two medieval French poems by Christine de Pizan: the "Epistre au dieu d'amours" and "Dit de la Rose," together with the first translation of these poems into modern English. The medieval English adaptation of Christine's "Epistre," Thomas Hoccleve's "The Letter of Cupid," is likewise presented here, and provided with a modern English translation. Finally, an eighteenth-century version of Hoccleve's poem, George Sewell's "The Proclamation of Cupid," is edited here for the first time. The editions of these poems by Christine, last edited a century ago, are based on the most recent scholarly findings. The edition of Hoccleve's poem reproduces its authorial punctuation from manuscript for the first time, and thus sheds light on the vexed question of fifteenth- century English metrics. The lively modern English translations of both can be used by students, scholars, and the general reader.

Until... A weekend trip to an antiques fair and a chance meeting with a stranger ends with her taking home a unique bottle called, "Cupid's Essence". With a warning echoing in her mind, she takes it home, not expecting her life to be turned on its head. It wasn't her fault she didn't believe the warning, didn't believe in myths. It wasn't her fault that she didn't believe in Cupid himself.
