The Crystal Skull Messenger Elizabeth Keller 2017-02-11 This 2nd edition is in black and white, for those who would like a less-expensive version of the book. The Crystal Skull Messenger tells the story of Thelma Daisy Moeran, and introduces the extraordinary "Group of 8" Himalayan crystal skulls. These crystal skulls were discovered in caves in Tibet in 2002, and are believed by some to be ancient, and taken to Tibet before the fall of Atlantis. The book chronicles the meeting of Thelma and Elizabeth HeartStar Keller, and their journey as the guardians of the Himalayan crystal skulls HeartStar and Yangtze, and the work they have done from their homes in Sedona, Arizona and Glastonbury, England. The Crystal Skull Messenger features many photographs, including the "Group of 8" Himalayan crystal skulls, shown for the first time. Thelma is a pure channel, bringing through beautiful inspired poetic messages from the crystal skulls, which allows their story to be told. She has received poetic messages from many crystal skulls, including the Mitchell-Hedges skull, that are shared throughout the book. Here is the first poem channeled to Thelma from the Mitchell-Hedges crystal skull on 11:11:07. All directions flow through me In that I am alone. I unify the Earth with stars, Alignment is my throne. From East to West and North and South, My energies hold fast. I also am a pathway To the future and the past. All tribal children soon will come And gather near a mountain. Pulsating stars will touch their hearts. Expect Unification! A wondrous band of Golden Light Will touch the hearts of all. And God's new time will then emerge To sanctify us All.

Holy Ice Paulinne Delcour-Min 2020-06-16 Holy Ice takes us on a breathtaking journey through time, to the heart of the mystery of the crystal skulls. Revered by shamans, held by indigenous peoples, displayed in the museums of the world, the crystal skulls are ancient artefacts that can inspire us to awaken to our power. Change is coming - climate change, pollution - today's environmental crisis shows that the old ways aren't working. We can't stop change, but we can choose to work with it and bring in a Golden Age. In Holy Ice past life memories researched through regression span from Atlantis to the present day, building a cosmic vision for the future. Those who forget the past are doomed to repeat it. Here are the secrets of time.

Crystal Skulls and the Enigma of Time Patricia Mercier 2012-01-01 A fascinating, many-layered true adventure story that spans the globe and follows the author's quest to discover the meaning of various crystal skulls - which resonate with the Mayan prophecies and carry profound implications for the future of humankind.

The Message of the Crystal Skull Alice Bryant 1989 Messages from the Heart of Great Spirit Susan Isabelle 2013-11-03 After Susan Isabelle returned from a trip to California in 2000, she began to have vivid dream-visions. During one of the dream-visions she had a visit from a beautiful spirit being in the form of an Indian Maiden named Aumala. She saw the Indian Maiden through the eyes of a young girl named, Amanda. As the Maiden spoke to Amanda, Susan would partially awaken. She scribbled quickly the actual words the Maiden spoke on the bed sheet and scraps of paper on the bed stand. Then, she fell back into the vision to receive the next message. This continued all night long. In addition to the Maiden named Aumala, three other visitors arrived that night. First was Grandmother Spider, the weaver of fates. She gave Susan something very special and Susan believes you may also experience the same opportunity. Once understood, you may want to explore that option for yourself. The second visitor taught Susan how to create a Rainbow in the sky and infused her heart with love. You'll definitely want to do this! The third visitor teaches that we really don't understand; that our minds have been closed to the world around us. We needed new

eyes and ears! The third visitor opens them for us! Many of the messages Susan realized have come to be fulfilled prophecy. She even has the pictures to show you! Thirteen years after the visitation, Susan has been guided to write this book to share their messages to the world. Creator speaks to us and the message is good for the child, the seeker and the teacher! "Paint me a rainbow of your love Shining, shining, beautiful, up above Paint me a rainbow, you will see Cast your prayers up to me Upon the beauty of the sky I paint them on high I raise the bow to all to show My love to thee That you are free..." The rainbow was painted July 26th, 2013 on a clear blue day on Mt Shasta...

Divine Sight Eduarda Amondragon 2014-10-07 There are many things in this world the average person cannot see...but a chosen few can. Such is the case with Lala, the five-year-old Mexican-American child at the heart of this unique coming-of-age novel. Divine Sight finds Lala at a critical point in her life, where she is learning how to deal with the different perspectives of her multicultural, multigenerational family and coming to terms with her sixth sense of second sight. Set in the 1950s and spanning both the United States and Mexico, the story is told through a series of vignettes written in Lala's voice. Each chapter casts Lala against a challenging situation and shows how she, with the aid of her family members and otherworldly allies, works to overcome it and becomes more comfortable in her own skin-as a medium between two worlds and two cultures. A truly touching and thoughtful tome, Divine Sight explores many common, and uncommon, themes from an encouraging and empowering angle. It speaks volumes about cultural and spiritual understanding and tells a tale of hope and helpfulness that's sure to appeal to open-minded readers who want to better understand and appreciate life's many marvels.

Truth & Deception of Higher Self Teachings Susan Isabelle 2013-10 Are you being deceived? Getting tired of the old metaphysical teachings? Something just doesn't feel right, does it? Are you feeling that you don't know what to believe anymore? This book dares to confront many of the teachings of today that have led people away from vital truths that are really meant to empower us. This is written in a clear and concise way that will clarify many misconceptions about The Creator Of All, face the mistruths that have been imposed upon us, and free us from the bondage they have created. Spirituality ought to be with ease and grace; not a chore. The Love of God's Creation Light is within. We ought to be able to access it from within... The message of the 13th Crystal Skull of the Maya is that we are entering a Golden Age in which we will return our hearts to the Creator. There we will embrace the love offered to us freely, embody the truth of Light, and learn the ways of living in harmony and enlightenment. Learn the way to self empowerment! You do not need to give away your power!

Crystal Skulls Jaap van Etten 2007-01-01 Crystal skulls invite you on a journey of deeper understanding of who you are. Learn to understand crystal skulls, their different characteristics, their special energies and how you can use these energies for your personal growth.

Birth of a New Consciousness Jaap van Etten 2015-03-01 Contribute to the Birth of a New Consciousness! We usually base our perception of reality on what our five senses receive, particularly sight. The majority of people believe that our visual interpretation of the world is real. However, the world we live in actually consists of many different worlds, most of which are invisible for us. All these worlds are part of Gaia and make up the reality we live in. This book contains dialogues with the Sidhe, a race of human-like beings who are our direct relatives. They are invisible to our five senses and occupy one of the subtle worlds that are

an integrated part of Gaia. In the discourses presented in this book, the Sidhe and the author share how they view their respective worlds. Exploring the similarities and differences between our worlds can help us to see our human world in a different perspective. The Sidhe also share aspects of the subtle worlds that we are part of but are hardly aware of. The dialogues help the Sidhe and us to see our respective gifts and self-induced limitations. These conversations strongly invite us to look at ourselves and indicate the need for a more-inclusive, more-expanded new consciousness. By collaborating with the Sidhe and other beings from the subtle realms, such as nature spirits and unicorns, this new consciousness can be created and a new world can be born. To achieve this, we need to raise our vibrations and expand our views of reality. This book invites you to embark on a journey. This journey is actually the journey of every soul who comes to Earth. The book stimulates you to raise your vibration and expand your view of reality by giving many suggestions how to do so. It truly can be called the start of a new consciousness.

Crystal Skulls Jaap van Etten 2013-01-01 Crystal skulls invoke a sense of mystery. What was their role in ancient times? Are they important for us in current times? Can they assist us on our spiritual journey? How? Although much has been written about them, many questions still linger. This book addresses many of these lingering questions on practical, subtle-energy, and spiritual levels. This long-awaited sequel to *Crystal Skulls: Interacting with a Phenomenon* weaves practical information on crystal skulls with meditations to provide a deeper understanding of the role of crystal skulls in expanding the consciousness of individuals and humankind as a whole. Filled with useful guidance for both beginners and those who have worked with crystal skulls for long periods of time, *Crystal Skulls: Expand Your Consciousness* addresses essential issues: what material crystal skulls should be made from, what size to choose, how to clean them, and what to do with them. The most important part of the book addresses awakening the potential of a crystal skull. Learn about the energies of these awakened crystal skulls and the effects they have on the spiritual development of individuals and the collective consciousness of humanity. This book invites you on a journey of awakening the potential of your crystal skulls -- and consequently awakening yourself. Several meditations are given to support this journey along with descriptions of the known ancient and old crystal skulls, making this book a "must have" for anyone interested in crystal skulls and in the journey of spiritual development.

Dream Catchers Philip Jenkins 2005-12-01 In books such as *Mystics and Messiahs*, *Hidden Gospels*, and *The Next Christendom*, Philip Jenkins has established himself as a leading commentator on religion and society. Now, in *Dream Catchers*, Jenkins offers a brilliant account of the changing mainstream attitudes towards Native American spirituality, once seen as degraded spectacle, now hailed as New Age salvation. Jenkins charts this remarkable change by highlighting the complex history of white American attitudes towards Native religions, considering everything from the 19th-century American obsession with "Hebrew Indians" and Lost Tribes, to the early 20th-century cult of the Maya as bearers of the wisdom of ancient Atlantis. He looks at the popularity of the Carlos Castaneda books, the writings of Lynn Andrews and Frank Waters, and explores New Age paraphernalia including dream-catchers, crystals, medicine bags, and Native-themed Tarot cards. He also examines the controversial New Age appropriation of Native sacred places and notes that many "white indians" see mainstream society as religiously empty. An engrossing account of our changing attitudes towards Native spirituality, *Dream Catchers* offers a fascinating introduction to one of the more interesting aspects of contemporary American religion.

The Mystery of the Crystal Skulls Chris Morton 2012-10-18 The crystal skulls are a mystery as profound as the Pyramids of Egypt, the Nazca Lines of Peru, or Stonehenge.

The Crystal Skull Compassion Joseph Bennett 2011-02-11 The Crystal Skull Compassion is an enigma due to the human size, Clear Quartz and Movable Jaw. The back of the skull contains an Iron Oxide Occlusion that is magnetic and possibly reacts with the pure quartz that

is piezoelectric. The Crystal Skull Compassion has brought the meaning of the Mayan Prophecy of the coming of the Sacred Feminine. That message is of "Compassion," leaning to give unconditional Love to each other and our planet Earth. This Crystal Skull is a powerful object of the Sacred Geometry of the Ancient ones.

It's Good to Be Kind Lauren DuBois Rosemond 2017-06

A New World is Coming! Susan Isabelle 2021-09 At the time of this writing 2021, we are entering the final phase before the New Beginning. Knowledge of the Maya 13th Crystal Skull, what has already been accomplished by them in the past, how you may become a spiritual warrior, and the coming prophecies is vital information. The information contained in this book will greatly assist all of us to overcome these life changing, transitional challenges, and have hope in a wonderful, new future. The message of the 13th Skull is this; "You must become 1 Mind and 1 Heart to enter the Kingdom of God's New Dream. And you must enter with the Heart of a Child." I say to you, "There's a whole New World coming!" Susan Isabelle.

Crystal Skulls Judy Hall 2016-01-01 Crystal skulls are human-skull hardstone carvings often made of clear or milky white quartz known as "rock crystal." They are allegedly pre-Columbian Mesoamerican artifacts and can be found in the permanent collections of a number of world-class museums, including the Smithsonian and the British Museum. In occult and metaphysical circles, the skulls have magical and healing qualities: Anna Mitchell-Hedges (owner of a particularly famous skull) claimed that the skull could cause visions and cure cancer and that its magical properties could be used to kill. Drunvalo Melchizedek claims in *Serpent of Light* that he stumbled upon descendants of the ancient Mayans who possess crystal skulls for use in religious ceremonies in Yucatan temples. Jamie Sams writes of the skulls' association with Native American mythology. In this book, best-selling occultist and crystal expert Judy Hall provides a basic primer on crystal skulls: What they are Where they are found Their role in legend and lore around the world Their uses for physical and psychic healing Also included here in this stunning introductory text is an examination of the prominent "skull keepers" of the past 100 years and examination of how to use and communicate with a crystal skull. This is a terrific introductory text for those interested in occult and ancient mysteries and/or the power of gems and crystals.

Holding Back The Tears Annie Mitchell 2013-09-16 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - 'ME LADDIE'. Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her

belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

A Message from the Sea Charles Dickens 2010-12-01 Charles Dickens attained an astounding level of popular acclaim during his lifetime; Victorian audiences clamored for his traditional Christmastime stories every year. The tale "A Message from the Sea" is an example of one of Dickens' Christmas publications; although the nautical setting of the story is not what one would traditionally expect from a holiday publication, the themes of charity, good will, and rising above seemingly insurmountable odds are sure to spark a warm glow in readers' hearts any time of the year.

Indiana Jones and the Kingdom of the Crystal Skull 2008 During the Cold War, Soviet agents watch Professor Henry Jones when a young man brings him a coded message from an aged, demented colleague, Henry Oxley. Led by the brilliant Irina Spalko, the Soviets tail Jones and the young man, Mutt, to Peru. With Oxley's code, they find a legendary skull made of a single piece of quartz. If Jones can deliver the skull to its rightful place, all may be well; but if Irina takes it to its origin, she'll gain powers that could endanger the West. Aging professor and young buck join forces with a woman from Jones's past to face the dangers of the jungle, Russia, and the supernatural.

Journal of the Fortean Research Center Paperbound Ray Boeche 2012-07-01 The Fortean Research Center was founded in Lincoln, Nebraska in 1982. During the two decades of its existence, this volunteer group of researchers and investigators delved deep into the unexplained. Exploring events in Nebraska - and far beyond - that included ghosts, UFOs, Bigfoot encounters, animal mutilations, government cover-ups, alleged alien abductions, psychic phenomena, cult activity, and even a sighting of a blob-like mystery creature the Fortean Research Center became recognized among members of the Fortean, paranormal, and UFO research communities around the world, as a reliable and trusted source of information. Here is the entire collection of the Journal of the Fortean Research Center, 23 issues in all. These publications are a reflection of their time, and demonstrate in many cases the beginning steps into subjects familiar to the public today: alleged UFO crashes and landings at government installations, alien abductions, cryptozoology and more.

Random Wisdom Russell Gerald Johnston 2012-06 Random Wisdom is a collection of thoughts and insights from some of the greatest minds of modern and ancient times, painstakingly collected and compiled by one man in his unquenchable thirst for knowledge. This collection of literary tidbits will educate, inspire, and entertain the reader with its wide range of subjects, wit, and timeless anecdotes. As the title suggests, the information presented is randomly organized and is meant

to serve as an inspirational reference book. The thousands of entries are designed to inspire deeper thinking and inward reflection, with many offering a healthy dose of wit and humor as well.

The Way of All Flesh Samuel Butler 2013-01-01 A semi-autobiographical novel that attacks Victorian era hypocrisy as it traces four generations of the Pontifex family. Butler dared not publish it during his lifetime, but when it was published, it was accepted as part of the general revulsion against Victorianism.

Crystal Companions Marion Webb-De Sisto 2008-10-01 An innovative look at how crystals and crystal skulls are being incorporated into various modern-day metaphysical pursuits by the author and other practitioners in order to improve their performance. The effect crystalline energy has on therapies, spiritual pursuits and divination techniques is highlighted in this book, together with brief outlines on the histories of these various practices. Such disciplines as Past Life Regression, Reiki, Yoga, Shamanism and Crystal Therapy are documented and discussed in detail. Divination strategies of the Tarot, the Runes, Scrying and Dowsing are also combined with the properties of the mineral kingdom, and the resulting outcomes are explored. In addition, helpful exercises, recommendations and crystal 'know-how' are included for both the professional and the novice. The author is a qualified Crystal Healing practitioner and her examination of various crystal-enhanced procedures is a valuable handbook for anyone interested in discovering the powerful crystalline world and its impact on healing, spirituality and divination.

Where Were You Before The Tree of Life? Volume 6 Peter R. Farley

The Crystal Skulls David Hatcher Childress 2011-03-09 Crystal is one of the most fascinating substances in nature. The crystalline structure lends itself uniquely to various adaptations, including information storage, and crystal technologies are at the cutting edge of advancements in nanotechnology and computing. Crystal skulls are one of the most intriguing enigmas in history, archeology and metaphysical science. Does the fact that they are carved from crystal enable them to store information and interact with human thought waves? There is a lot of evidence to suggest this is so. Rogue archeologist and explorer David Hatcher Childress introduces the technology and lore of crystals, and then plunges into a full-on search for the source of the crystal skulls. The history of Mesoamerica, where the skulls were said to originate, is rich with the mystical, magical sorcery of the Olmecs, Zapotecs, Maya and Aztecs. The turbulent times of the Mexican Revolution form the backdrop for the rollicking adventures of Ambrose Bierce, the renowned journalist who went missing in the jungles in 1913, and F.A. Mitchell-Hedges, the notorious adventurer who emerged from the jungles with the most famous of the crystal skulls. Childress brings it all to life with his characteristic panache. Eminent researcher Stephen Mehler shares his extensive knowledge of and experience with crystal skulls. Having been involved in the field since the 1980s, he has personally examined many of the most influential skulls, and has worked with the leaders in crystal skull research, including the inimitable Nick Nocerino, who developed a meticulous methodology for the purpose of examining the skulls, Get the lowdown on the most recent developments in the world of the crystal

Journeys of the Crystal Skull Explorers Joshua Shapiro 2013-03 DECODE A MYSTERY THAT TIME HAS NOT FORGOTTEN! -- - STRANGE CRYSTAL SKULLS HAVE BEEN UNEARTHED THROUGHOUT CENTRAL AND SOUTH AMERICA AND HAVE BECOME PART OF OUR POP CULTURE, HAVING BEEN PORTRAYED IN A BLOCKBUSTER INDIANA JONES MOVIE! --- NOW, JOIN THE AUTHORS AS THEY SEARCH THE REMOTEST PARTS OF PERU FOR A HUMAN-SIZED, TWO-PIECE, TRANSPARENT QUARTZ SKULL THAT IS CALLED "THE BLUE SKULL" AND ORIGINATES FROM A MYSTERIOUS TIME WHEN THE WORLD WAS STILL YOUNG. --- Learn how the "Blue Skull" communicated with the author and called him to come to Peru to discover its history, its amazing powers and its reason for existence as this skull is preparing to assist humankind at this critical point in our spiritual evolution. From 1997-2002 the Author made three journeys to Peru at his own expense, being guided by an inner vision, having no clue what he would find or if he would meet the "Blue Skull." Within this book are his daily journal notes, revealing the secrets to the "Blue Skull" and how it forever changed his life - and how it will change your life as well. Believe it or not, this is a true story as the "Blue Skull" asked that this book be released NOW to prepare the world for the skull's emergence. *** The Blue Skull has a living consciousness of its own and is not just a stone in the shape of a human like skull. --- *** There is a strong link to the Blue Skull with the ancient civilization of Lemuria. The Blue Skull revealed that before it traveled to Atlantis, it was held in an Lemurian Temple over 100,000 years ago. --- *** The spirit of a dead king or ruler, the Lord of Sipan, head of a city state of the Moche - appears to the Author to act as his guide and protector. --- *** Read about the UFO cloud that magically appears when a special mediation with the author's own crystal skull is done in the area where he was called to find the "Blue Skull," in an isolated area high up in the Andes Mountain in Peru near the border with Ecuador. ---

The Man Who Invented Aztec Crystal Skulls Jane MacLaren Walsh 2018-11-29 Eugène Boban began life in humble circumstances in Paris, traveled to the California Gold Rush, and later became a recognized authority on pre-Columbian cultures. He also invented an entire category of archaeological artifact: the Aztec crystal skull. By his own admission, he successfully "palmed off" a number of these crystal skulls on the curators of Europe's leading museums. How could that happen, and who was this man? Detailed are the travels, self-education, and archaeological explorations of Eugène Boban; this book also explores the circumstances that allowed him to sell fakes to museums that would remain undetected for over a century.

Shemsu-Hor Edouard Ponist 2021-11-22 Shemsu Hor, the Followers of Horus is a journey taking us in Ancient Egypt and the Hopi Nation. Two cultures separated by thousands of miles yet both have similar connections from the deep past regarding spiritual burial practices and reeds. Reeds are central connecting both cultures, reeds which were used to construct the first temple in Ancient Egypt and the reed depicted in the emergence story of the Hopi from the third to the fourth world. The first mound of the Ancient Egyptian temple and the sand ridge of Hopi ceremonial practice in their Kivas is explored and more including DNA. The journey then takes us to the here and now, how the Shemsu Hor have planted clues in stone for us to decipher regarding events unfolding today. Perhaps, we are not alone as well on our journey as human beings.
