**Muslim Cool** Su'ad Abdul Khabeer 2016-12-06 Interviews with young, black Muslims in Chicago explore the complexity of those with identities formed at the crossroads of Islam and hip hop This groundbreaking study of race, religion and popular culture in the 21st century United States focuses on a new concept, "Muslim Cool." Muslim Cool is a way of being an American Muslim—displayed in ideas, dress, social activism in the 'hood, and in complex relationships to state power. Constructed through hip hop and the performance of Blackness, Muslim Cool is a way of engaging with the Black American experience by both Black and non-Black young Muslims that challenges racist norms in the U.S. as well as dominant ethnic and religious structures within American Muslim communities. Drawing on over two years of ethnographic research, Su'ad Abdul Khabeer illuminates the ways in which young and multiethnic U.S. Muslims draw on Blackness to construct their identities as Muslims. This is a form of critical Muslim self-making that builds on interconnections and intersections, rather than divisions between "Black" and "Muslim." Thus, by countering the notion that Blackness and the Muslim experience are fundamentally different, Muslim Cool poses a critical challenge to dominant ideas that Muslims are "foreign" to the United States and puts Blackness at the center of the study of American Islam. Yet Muslim Cool also demonstrates that connections to Blackness made through hip hop are critical and contested—critical because they push back against the pervasive phenomenon of anti-Blackness and contested because questions of race, class, gender, and nationality continue to complicate self-making in the United States.

**Understanding the Bible and Holy Qur'an as Taught by the Honorable Elijah Muhammad** Ernest Muhammad 2004-01-01 In His book, "MESSAGE TO THE BLACKMAN IN AMERICA," The Honorable Elijah Muhammad gave us scriptures from both Bible and Holy Qur'an to study. What I have set out to accomplish in this book, is to make the study of these scriptures simple by researching all of them and bringing it all together in one book.

**The Sellout** Paul Beatty 2015-03-03 Winner of the Man Booker Prize Winner of the National Book Critics Circle Award in Fiction Winner of the John Dos Passos Prize for Literature New York Times Bestseller Los Angeles Times Bestseller Named One of the 10 Best Books of the Year by The New York Times Book Review Named a Best Book of the Year by Newsweek, The Denver Post, BuzzFeed, Kirkus Reviews, and Publishers Weekly Named a "Must-Read" by Flavorwire and New York Magazine's "Vulture" Blog A biting satire about a young man's isolated upbringing and the race trial that sends him to the Supreme Court, Paul Beatty's The Sellout showcases a comic genius at the top of his game. It challenges the sacred tenets of the United States Constitution, urban life, the civil rights movement, the father-son relationship, and the holy grail of racial equality—the black Chinese restaurant. Born in the "agrarian ghetto" of Dickens—on the southern outskirts of Los Angeles—the narrator of The Sellout resigns himself to the fate of lower-middle-class Californians: "I'd die in the same bedroom I'd grown up in, looking up at the cracks in the stucco ceiling that've been there since '68 quake." Raised by a single father, a controversial sociologist, he spent his childhood as the subject in racially charged psychological studies. He is led to believe that his father's pioneering work will result in a memoir that will solve his family's financial woes. But when his father is killed in a police shoot-out, he realizes there never was a memoir. All that's left is the bill for a drive-thru funeral. Fueled by this deceit and the general disrepair of his hometown, the narrator sets out to right another wrong: Dickens has literally been removed from the map to save California from further embarrassment. Enlisting the help of the town's most famous resident—the last surviving Little Rascal, Hominy Jenkins—he initiates the most outrageous action conceivable: reinstating slavery and segregating the local high school, which lands him in the Supreme Court.

**How to Eat to Live, Book 2** Elijah Muhammad 1992-06 For more than 30 years, messenger Elijah Muhammad has been teaching the so-called Negroes of America on the proper foods to eat to improve their mental power, physical appearance, for prevention of illness, curing of ailments and prolonging life. Given the humble, economic conditions of the blacks in America, an inexpensive, yet highly nutritional diet was given to them by Elijah Muhammad. Before the health craze that has swept the country, Elijah Muhammad and the Nation of Islam were head of the curve as far back as the early 30's. This is the second of two books written with this simple, yet revolutionary way of eating.

**White Fragility** Dr. Robin DiAngelo 2018-06-26 The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

**Walker's Appeal, in Four Articles** David Walker 2011-09-01 First published in 1829, Walker's Appeal called on slaves to rise up and free themselves. The two subsequent versions of his document (including the reprinted 1830 edition published shortly before Walker's death) were increasingly radical. Addressed to the whole world but directed primarily to people of color around the world, the 87-page pamphlet by a free black man born in North Carolina and living in Boston advocates immediate emancipation and slave rebellion. Walker asks the slaves among his readers whether they wouldn't prefer to "be killed than to be a slave to a tyrant." He advises them not to "trifle" if they do rise up, but rather to kill those who would continue to enslave them and their wives and children. Copies of the pamphlet were smuggled by ship in 1830 from Boston to Wilmington, North Carolina, Walker's childhood home, causing panic among whites. In 1830, members of North Carolina's General Assembly had the Appeal in mind as they tightened the state's laws dealing with slaves and free black citizens. The resulting stricter laws led to more policies that repressed African Americans, freed and slave alike. A DOCSOUTH BOOK. **UFOs and the Nation of Islam** Ilia Rashad Muhammad 2013-09-17 UFOs were identified and answered before the public had any concerns or questions about them! This research puts forth challenging arguments that offer substantial proof and documented evidence regarding the Nation of Islam's (NOI) inherent relationship to the modern UFO phenomena. This compendium of data answers what academics, researchers, and even UFOlogists have deliberately avoided. How did the Honorable Elijah Muhammad know so much about UFOs before there were any public concerns or investigations? Why did the U.S. Government arrest him after they encountered a huge circular UFO in 1942? How is it that Elijah Muhammad and Minister Louis

Farrakhan have boldly challenged the world to disprove their connection to these wheel-like crafts and no one has challenged them? "UFOS AND THE NATION OF ISLAM" addresses these and several more questions about the UFO Phenomenon that other researchers cannot answer with verity. Unlike other researchers, theorists, pundits, and skeptics, this book uses the most reliable primary sources regarding this topic-sources that others have deliberately omitted. With over 450 footnotes for ease of verification, this book challenges and debunks common misperceptions about UFOs, leaving no room for even the staunchest critics to doubt. While scientific, religious, and educational schools of thought are afraid to publicly address the UFO phenomenon at its core, this research demystifies and exposes the propaganda, the pundits, and virtually all major UFO related publications that disregard the most reliable and authoritative source on this topic-the Nation of Islam. The UFO cover-up is not simply to hide the fact that such objects exist; instead, the cover-up is to prevent the public from knowing the source of power behind these crafts.

**The Nation of Islam** Steven Tsoukalas 2021-05-16 The Nation of Islam promises African Americans a new identity and purpose. But can it deliver? In this intriguing study Steven Tsoukalas helps us understand the struggle, history, and theology behind black nationalism, so that we may respond with compassion and truth.

**100 Greatest African Americans** Molefi Kete Asante 2010-06-28 Since 1619, when Africans first came ashore in the swampy Chesapeake region of Virginia, there have been many individuals whose achievements or strength of character in the face of monumental hardships have called attention to the genius of the African American people. This book attempts to distill from many wonderful possibilities the 100 most outstanding examples of greatness. Pioneering scholar of African American Studies Molefi Kete Asante has used four criteria in his selection: the individual's significance in the general progress of African Americans toward full equality in the American social and political system; self-sacrifice and the demonstration of risk for the collective good; unusual will and determination in the face of the greatest danger or against the most stubborn odds; and personal achievement that reveals the best qualities of the African American people. In adopting these criteria Professor Asante has sought to steer away from the usual standards of popular culture, which often elevates the most popular, the wealthiest, or the most photogenic to the cult of celebrity. The individuals in this book - examples of lasting greatness as opposed to the ephemeral glare of celebrity fame - come from four centuries of African American history. Each entry includes brief biographical information, relevant dates, an assessment of the individual's place in African American history with particular reference to a historical timeline, and a discussion of his or her unique impact on American society. Numerous pictures and illustrations will accompany the articles. This superb reference work will complement any library and be of special interest to students and scholars of American and African American history.

*The Theology of Time* Elijah Muhammad 2004-01-01 Twenty-week lecture presented by Elijah Muhammad when dedicating Muhammad Temple #2 in Chicago, June-October, 1972.

**The True History of Master Fard Muhammad (Allah in Person)** Elijah Muhammad 2008 Since the Nation of Islam has been known to the public, the question of Elijah Muhammad's teacher has been at the top of the inquirer's want to know list. His disappearance and the never ending insistence by Elijah Muhammad, that his teacher was in fact God in person. This title examines Elijah Muhammad's historical, empirical as well as theological positions regarding Master Fard Muhammad's birth and whereabouts. The arguments are quite enlightening.

*The God-Science of Black Power* Elijah Muhammad 2008 An Elijah Muhammad Speech During The Second Day of The Nation of Islam Saviour's Day Convention in 1967. It aims chiefly at the politically shallow 60's version of Black power by introducing "Real Black Power" as it relates to how God and all life originally came out of total black space. A profound example of Elijah Muhammad's comprehensive lecture is demonstrated when he asked, "If the scripture said that in the beginning God said 'Let there be light, ' then He couldn't have been in the light when he said that. He Himself had to have come from Blackness; thus ORIGINAL BLACK POWER!"

**Message to the Black Man** Joseph Prude 2020-08 This book is a inspirational daily devotional to lift the hearts of African American men.

**The True History of Allah and His 5%** The Gods & Earths Who Were There! 2019-03-16 This book is based on the true history of Allah "the Father" and His great Nation of Gods and Earths known as the Five Percenters. This is the greatest story that was never told by the Gods and the Earths during their younger years with Allah "the Father" from the early 1960s up until the time of his assassination on June 13, 1969. This was a time of struggle for the Black Man, Woman, and Child (the Universal Family). This was the time of "the Big Five", who were: Allah "the Father", who brought about the Nation of Gods and Earths known as the Five Percenters; the Honorable Elijah Muhammad, who was the last and greatest messenger of Allah, also the leader and teacher of the Black Muslims; Malcolm X of the new arrival; Dr. Martin Luther King, Jr., the civil rights leader; and the Black Panther Party on the East and West coasts. These five groups were called the Big Five, because they had the attention of every Black Man, Woman, and Child in the wilderness of North America and other parts of our planet. There was a host of other Black groups as well. This was a time when the Five Percenter's teachings were being taught/spoken so plain and simple that even a child could understand. Black people were on the rise, and it was a time for a change—for Black Man, Woman, and Child to take their place on earth. Peace!

**Black Like Me** John Howard Griffin 2006-04-01 This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.

**Our Saviour Has Arrived** Elijah Muhammad 1974 This title addresses the creation of God, the New World, and what's referred to as the "metaphysical" side of Elijah Muhammad's teaching. It eloquently delves into the subject of form and spirit in the simplest terms. The relationship of

Jesus, Joseph and Mary is given a critical analysis as it relates to blacks in America.

**Yakub (Jacob)** Elijah Muhammad 2008-11-06 Yakub is a Black Scientist introduced to the public by Elijah Muhammad. Elijah Muhammad told of his history as being the father of mankind or the maker of the white race. This teaching proved to be one of the most explosive within the Nation of Islam's theological and mathematical doctrine. Thought to be a myth, especially among those who gravitated more towards Orthodox Islam, which by the way, don't accept Elijah Muhammad as being authentic, but since the cloning of the sheep Dolly and other organic species, the facts that Elijah Muhammad attributed to this man cannot be discounted unless we all suddenly agree that "Dolly" never happened.

**The Soul of America** Jon Meacham 2019-04-30 #1 NEW YORK TIMES BESTSELLER • Pulitzer Prize-winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new, and in *The Soul of America* Meacham shows us how what Abraham Lincoln called the "better angels of our nature" have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women's rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson's crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book, Meacham reassures us, "The good news is that we have come through such darkness before"—as, time and again, Lincoln's better angels have found a way to prevail. Praise for *The Soul of America* "Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time."—Walter Isaacson "Gripping and inspiring, *The Soul of America* is Jon Meacham's declaration of his faith in America."—Newsday "Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring, not rancor and paranoia."—USA Today

**New Black Man** Mark Anthony Neal 2015-02-11 Ten years ago, Mark Anthony Neal's *New Black Man* put forth a revolutionary model of Black masculinity for the twenty-first century—one that moved beyond patriarchy to embrace feminism and combat homophobia. Now, Neal's book is more vital than ever, urging us to imagine a *New Black Man* whose strength resides in family, community, and diversity. Part memoir, part manifesto, this book celebrates the Black man of our times in all his vibrancy and virility. The tenth anniversary edition of this classic text includes a new foreword by Joan Morgan and a new introduction and postscript from Neal, which bring the issues in the book up to the present day.

**The God Tribe of Shabazz - The True History** Elijah Muhammad 2012-03-17 The history of the God Tribe of Shabazz is one of the most elusive subjects of the Supreme Wisdom as taught by Messenger Elijah Muhammad, partly because it is spread out over so much time, on so many lectures and in so many different articles. The Tribe of Shabazz is not simply the offspring of a group of people who were the product of a disgruntled scientist who went into Africa to prove that He could "make a people that could withstand anything," but a continuum of a vein of expression characteristic of how we as black people, who, when in our natural mind did things that were still superior to the best minds of mankind today. We are so far from what is actually natural for the Blackman, that we think that the trial and error mode of operating of this civilization today is brilliance; when in fact, the incidental actions of the Original Blackman is considered SUPERNATURAL by today's standards. The Messenger of Allah, Elijah Muhammad, delves so far into the most profound depths of wisdom when sharing with us what our God, in person, Master Fard Muhammad, had revealed, it makes you wonder about who is out there dormant and simply waiting to hear that particular word, sentence, paragraph or perspective that will make the light in or above their heads illuminate with Allah's voice communicating with them. In other words, it's not necessary to be mining Facebook, Twitter or Google+, etc, for revelation. It's being handed to you here.

**The Black Jews of Africa** Edith Bruder 2008-06-05 "This book presents, one by one, the different groups of Black Jews in Western central, eastern, and southern Africa and the ways in which they have used and imagined their oral history and traditional customs to construct a distinct Jewish identity. It explores the ways in which Africans have interacted with the ancient mythological sub-strata of both western and African ideas of Judaism."--Résumé de l'éditeur.

**Black American Refugee** Tiffanie Drayton 2022-02-15 Named "most anticipated" book of February by Marie Claire, Essence, and A.V. Club "...extraordinary and representative."—NPR "Drayton explores the ramifications of racism that span generations, global white supremacy, and the pitfalls of American culture."—Shondaland After following her mother to the US at a young age to pursue economic opportunities, one woman must come to terms with the ways in which systematic racism and resultant trauma keep the American Dream inaccessible to Black people. In the early '90s, young Tiffanie Drayton and her siblings left Trinidad and Tobago to join their mother in New Jersey, where she'd been making her way as a domestic worker, eager to give her children a shot at the American Dream. At first, life in the US was idyllic. But chasing good school districts with affordable housing left Tiffanie and her family constantly uprooted—moving from Texas to Florida then back to New Jersey. As Tiffanie came of age in the suburbs, she began to ask questions about the binary Black and white American world. Why were the Black neighborhoods she lived in crime-ridden, and the multicultural ones safe? Why were there so few Black students in advanced classes at school, if there were any advanced classes at all? Why was it so hard for Black families to achieve stability? Why were Black girls treated as something other than worthy? Ultimately, exhausted by the pursuit of a "better life" in America,

twenty-year old Tiffanie returns to Tobago. She is suddenly able to enjoy the simple freedom of being Black without fear, and imagines a different future for her own children. But then COVID-19 and widely publicized instances of police brutality bring America front and center again. This time, as an outsider supported by a new community, Tiffanie grieves and rages for Black Americans in a way she couldn't when she was one. An expansion of her New York Times piece of the same name, *Black American Refugee* examines in depth the intersection of her personal experiences and the broader culture and historical ramifications of American racism and global white supremacy. Through thoughtful introspection and candidness, Tiffanie unravels the complex workings of the people in her life, including herself, centering Black womanhood, and illuminating the toll a lifetime of racism can take. Must Black people search beyond the shores of the "land of the free" to realize emancipation? Or will the voices that propel America's new reckoning welcome all dreamers and dreams to this land?

**The Mother Plane (UFO's)** Elijah Muhammad 2008 This book is comprised of sixteen articles written by Elijah Muhammad in the Nation of Islam's official Newspaper, *Muhammad Speaks*, beginning May, 1973. What had previously been known as Ezekiel's Wheel or his vision of the wheel, was in fact called *The Mother Plane*, because it is today in fact, not visions, a humanly built planet, or the "mother" of all planes, so teaches Elijah Muhammad. The bible's Ezekiel did not see an actual wheel, but only a vision of one that would be in the future. This book analyzes Ezekiel's vision and brings it to bear with what Elijah Muhammad says that God taught him about it. What's called "UFO's today is in fact the wheel which eludes the scientists of this world. Elijah Muhammad interprets Ezekiel's Wheel in modern terms.

**A Particular Kind of Black Man** Tope Folarin 2020-08-11 \*\*One of Time's 32 Books You Need to Read This Summer\*\* An NPR Best Book of 2019 An "electrifying" (Publishers Weekly) debut novel from Rhodes Scholar and winner of the Caine Prize for African Writing about a Nigerian family living in Utah and their uneasy assimilation to American life. Living in small-town Utah has always been an uncomfortable fit for Tunde Akinola's family, especially for his Nigeria-born parents. Though Tunde speaks English with a Midwestern accent, he can't escape the children who rub his skin and ask why the black won't come off. As he struggles to fit in, he finds little solace from his parents who are grappling with their own issues. Tunde's father, ever the optimist, works tirelessly chasing his American dream while his wife, lonely in Utah without family and friends, sinks deeper into schizophrenia. Then one otherwise-ordinary morning, Tunde's mother wakes him with a hug, bundles him and his baby brother into the car, and takes them away from the only home they've ever known. But running away doesn't bring her, or her children, any relief; once Tunde's father tracks them down, she flees to Nigeria, and Tunde never feels at home again. He spends the rest of his childhood and young adulthood searching for connection—to the wary stepmother and stepbrothers he gains when his father remarries; to the Utah residents who mock his father's accent; to evangelical religion; to his Texas middle school's crowd of African-Americans; to the fraternity brothers of his historically black college. In so doing, he discovers something that sends him on a journey away from everything he has known. Sweeping, stirring, and perspective-shifting, *A Particular Kind of Black Man* is "wild, vulnerable, lived...A study of the particulate self, the self as a constellation of moving parts" (The New York Times Book Review).

**The Fall of America** Elijah Muhammad 1973 This title deals with many prophetic and well as historical aspects of Elijah Muhammad's teaching. It chronologically cites various aspects of American history, its actions pertaining to the establishment and treatment of its once slaves, which is shown to be a significant cause of America's fall.

**The Mis-education of the Negro** Carter Godwin Woodson 1933 Woodson's classic work of criticism explores how the education received by blacks has failed to give them an appreciation of themselves as a race and their contributions to history. Woodson puts forward a program that calls for the educated to learn about their past and serve the black community. (Education/Teaching)

**Slavery by Another Name** Douglas A. Blackmon 2012-10-04 A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

**Uncomfortable Conversations with a Black Man** Emmanuel Acho 2020-11-10 INSTANT NEW YORK TIMES BESTSELLER An urgent primer on race and racism, from the host of the viral hit video series "Uncomfortable Conversations with a Black Man" "You cannot fix a problem you do not know you have." So begins Emmanuel Acho in his essential guide to the truths Americans need to know to address the systemic racism that has recently electrified protests in all fifty states. "There is a fix," Acho says. "But in order to access it, we're going to have to have some uncomfortable conversations." In *Uncomfortable Conversations With a Black Man*, Acho takes on all the questions, large and small, insensitive and taboo, many white Americans are afraid to ask—yet which all Americans need the answers to, now more than ever. With the same open-hearted generosity that has made his video series a phenomenon, Acho explains the vital core of such fraught concepts as white privilege, cultural appropriation, and "reverse racism." In his own words, he provides a space of compassion and understanding in a discussion that can lack both. He asks only for the reader's curiosity—but along the way, he will galvanize all of us to join the antiracist fight.
