*Christmas Cantata* David Mitchell 2020-08-21 Christmas Cantata is a 100-minute-long oratorio—a fusion of choral pop, R&B gospel, jazz, and lounge music, with hints of plainsong, Renaissance opera, and Bollywood—all in the great tradition of Western oratorio. It's great for schools, churches, and choral groups, any time from Advent to Candlemas. It sings the story of the birth of Jesus, from the eternal pre-existence of the Logos, through the annunciation, the incarnation, the shepherds and magi, the presentation in the temple, the slaughter of the innocents, the proclamation of the gospel, to the

coming messianic kingdom. It's all about voices: choruses, solos, duets, trios, quartets, octets, recitatives. You need a chorus who will stick to the notes, and soprano and baritone soloists, who can be a bit freer in their delivery. The singers are backed by a continuo trio of piano, bass, and drums. You can do a great performance with just these instruments, and a flute or trumpet. No musicians? No problem! You'll love the Backing Tracks! But, if you want to go to town, there are Parts for Orchestra too!

**Bluestockings Displayed** Elizabeth Eger 2013-11-21 The conversation parties of the bluestockings, held to debate contemporary ideas in eighteenth-century Britain, were vital in encouraging female artistic achievement and promoting links between learning and virtue in the public imagination, inventing a new kind of informal

sociability that combined the life of the senses with that of the mind. This collection of essays, by leading scholars in the fields of literature, history and art history, provides an interdisciplinary treatment of bluestocking culture in eighteenth-century Britain. It is the first academic volume to concentrate on the rich visual and material culture that surrounded and supported the bluestocking project, from formal portraits and sculptures to commercially reproduced prints. By the early twentieth century, the term 'bluestocking' came to signify a dull and dowdy intellectual woman, but the original bluestockings inhabited a world in which brilliance was valued at every level and women were encouraged to shine and even dazzle.
