Jesus the Christ: A Study of the Messiah and His Mission According to Holy Scriptures Both Ancient and Modern

James E. Talmage 2012-02-29 The scope of the subject presented in this work is expressed on the title page. It will be readily seen that the author has departed

from the course usually followed by writers on the Life of Jesus Christ, which course, as a rule, begins with the birth of Mary's Babe and ends with the ascension of the slain and risen Lord from Olivet. The treatment embodied in these pages, in addition to the narrative of the Lord's life in the flesh comprizes the antemortal existence and activities of the world's Redeemer, the revelations and personal manifestations of the glorified and exalted Son of God during the apostolic period of old and in modern times, the assured nearness of the Lord's second advent, and predicted events beyond all so far as the Holy Scriptures make plain.

God the Son Incarnate Stephen J. Wellum 2016-11-16 Nothing is more important than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God, Scripture, and the gospel. To get to the core of this belief, this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical, biblical, and historical perspectives—concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. Readers will learn to better know, love, trust, and obey Christ—unashamed to proclaim him as the only Lord and Savior. Part of the Foundations of Evangelical Theology series.

The Seven Parties Jewish Zélio Cabral 2021-06-28 The seven annual Feasts of the people of Israel were: Passover, Bread Asmos, Firstfruits, Pentecost, Trumpets, Atonement and Tabernacles (Leviticus 23). There is a huge need for the Church of Christ today, understand the prophetic meanings of the feasts of the Lord, even because they are linked to our redemption. The seven Jewish festivals (the feasts of the Lord) was ordained by God to the people of Israel through his servant Moses described in the Torah (the Bible), specifically in the book of Leviticus chapter 23. "Speak to the children of Israel, and say to them, The solemnities of Lord, whom ye shall summon, they shall be holy summons; these are my solemnities (My parties/My commitments): These are the solemnities of the Lord, the holy summons, which ye shall call in due time determined . (Leviticus 23:2-4) These parties were a teaching tool for the children of Israel. They typified the coming of the Messiah and his final return for the salvation of the nation. The first four parties, also called festivals of the spring", point to the first coming of the Messiah, which were perfectly fulfilled by the Messiah Jesus (Yeshua) on certain days. Pesach (Passover) points to crucifixion and death of Yeshua (Jesus). (Fulfilled) Matzot

(Unleavened Bread) point to the burial of Yeshua (Jesus). (Fulfilled) Habikurim (Firstfruits) point to the Resurrection of Yeshua (Jesus). (Fulfilled) Shavuot (Pentecost) point to the descent of the (Ruach Hakodesh) Holy Spirit on the day of Pentecost. (Fulfilled at his first coming) and the resurrection of the Church at its second coming (very close to being fulfilled) The last three parties, also called parties of the autumn" point to the second coming of the Messiah. The first festival of autumn is Yom Teruah/Rosh Hashanah known as the Feast of Trumpets which prophetically point to the Rapture of the remnant of the Church. (Very close to being fulfilled) Maranatha! Yom Kippur (Day of Atonement) is the day of forgiveness and points for the redemption of Israel during the tribulation period. (still to be fulfilled) Sukkot (Feast of Tabernacles) Point to Return from the Messiah to the earth and the establishment of the millennial Kingdom. (still to be fulfilled) Having the cycle of the first four parties been fully fulfilled by the Messiah (Yeshua) at his first coming, the cycle of the last three parties will also be perfectly fulfilled by the Messiah at his second coming. To fully understand the prophecies of the rapture contained in the Bible, it is important that attend to two points: first, it is important to have understanding the prophetic meaning of the Jewish festivals of the Lord; and second, it is important to know the Jewish idioms of the first century, used by the Messiah and his apostles. OK highlight that both Yeshua (Jesus) and the apostles, they were all Jews, followers of the Torah (Pentateuch) and the Tanach (Old Testament). This book is intended to help the reader understand the prophetic sense of these parties and prepare for the biggest event in human history: the rapture.

Signs of the Second Coming Britt Gillette 2014-08-09 Did you know the Bible contains more prophecies about the Second Coming of Jesus than it does the First? In fact, the Bible says specific signs will appear prior to His return, and Jesus Himself commanded us to look for those signs. In *Signs of the Second Coming*, you'll learn about the signs Moses, Jesus, and the Old Testament prophets said to look for. Signs such as: • The Jewish people back in the land of Israel • The Jewish people back in control of Jerusalem • And the worldwide spread of the Gospel More importantly, you'll learn that almost all of the signs the prophets said to look for are present right now... Could ours be the generation of His return? Study the signs for yourself and decide if our generation is destined to witness one of the greatest events in all of history – the Second Coming of Jesus Christ.

Names for the Messiah Walter Brueggemann 2016-08-01 In Isaiah 9:6, a divine utterance is given to us using four royal titles--Wonderful Counselor, Mighty God, Everlasting Father, and Prince of Peace. Names for the Messiah ponders each title and how the people understood it then, how Jesus did or did not fulfill the title, and how Christians interpret Jesus as representative of that title. Christians have claimed from the beginning that Jesus was the Messiah foretold in the Old Testament. In this study, best-selling author Walter Brueggemann tackles the questions: "What were these expectations?" and "Did Jesus fulfill them?"

The Second Advent T. Francis Glasson 2009-01-28 It is clear that there was a wider variety of Jewish beliefs concerning Messianic and eschatological matters than was often allowed for a few years ago. The view of Schweitzer that the scene was dominated by the hope of a transcendent Messiah descending in glory from the sky, the point of departure for his whole argument, is now seen to be quite unsound. I perhaps should have made it plainer in my original writing that I was attempting to face the challenge which Schweitzer gave by his notable book, *The Quest of the Historical Jesus*; the way in which I set out my material would have been seen more clearly had it been considered against the background of Schweitzer's book . . . --from the Preface to the Third Edition CONTENTS Part 1: The Parousia in Jewish Literature Extant in the Time of Jesus Part 2: The Parousia in the Teaching of Jesus Part 3: The Parousia in the Early Church Part 4: The Parousia in Jewish Writings of the Christian Era

The Second Coming of Jesus Christ Hasanat Ahmad Syed 2009-04 For I tell you, you will not see me again until you say, 'Blessed is he who comes in the name of the Lord.' -Matthew 23:39 Approximately three billion Christians and Muslims around the world hold the Second Coming of Jesus Christ as an article of faith. Both the Holy Bible and Holy Qur'an speak about this spiritually monumental event. Has He come again? Author Hasanat Syed, a journalist and research scholar, has documented evidence supporting the appearance of the Second Coming. He begins by describing four historical episodes that each occurred around the turn of the twentieth century and presents evidence of heavenly signs in each instance. Drawing on his deep knowledge of the subject, Syed combines thought from Christianity and Islam to marshal evidence with such conviction that nothing is left to doubt. Distinguishing this work from others, *The Second Coming of Jesus Christ* discusses this important event from a number of perspectives, drawing together multiple sources throughout the text. Christians, Muslims, and Hindus alike will be fascinated by this cogent discussion of an imminent Second Coming. This book is a must read for anyone seeking answers to this heavily prophesized and centuries old enigma.

The Messiahship of the Lord Christian Kita Nseka 2009 The Messiahship of the Lord, following the teachings of Rev. Sun Myung Moon in the Divine Principle, will stimulate a meaningful conversation about the existence of the Messiah and his importance in the Second Coming. Theories discussed include the use and importance of miracles, how Satan has usurped the role of the divine

in everyday lives, and how people of all faiths can look to the Lord of the Second Advent for redemption. Did Christ rise physically, spiritually, or both? Were his miracles of the physical nature or the spiritual nature? How can we connect with him to go to Heaven? Whether you are Christian, Jewish, Muslim, or subscribe to any other faith, this book will lead you to a thought-provoking analysis of your beliefs.

The Millennial Kingdom John F. Walvoord 1983 The Millennial Kingdom is a comprehensive biblical and historical treatment of the doctrine of the millennium written for the pastor, students, scholar, or layperson. The three leading millennial views -- postmillennialism, amillennialism, and premillennialism -- are presented in the context of their history, their theology, and their biblical interpretation. Dr. Walvoord presents postmillennialism first and then discusses amillennialism. However, the subject of premillennialism forms the main body of the work. The author introduces premillennialism with a survey of its historical background in the Old and New Testaments and in the history of the church. Its theological setting and methods of interpretation are discussed. A presentation of the character of the millennium concludes the volume.

Jesus The Messiah: His Final Days and Second Coming Bryan Young Weight 2020-01-15 "Jesus The Messiah," volume III: "His Final Days and Second Coming" looks deep into eternity using simple explanations based entirely on scripture. Volume III demonstrates that the ancient prophets caught glimpses if not panoramic views of events leading up to the crucifixion of the Messiah. They were Christians under a different label. Volume III explains why the primitive Church of Jesus Christ was obliterated and how His true Church was restored in modern times. This final volume describes events that precede the Second Coming of the Lord Jesus Christ, who will live and who will die, how to prepare for that great and terrible day, and what it will be like to live during the Millennium.

Prophecies of the Coming Messiah Don W. Olson 2007-01-01 Rebellious against formal education, following the tunnel vision accompanying a musical talent, I was 40 before I finally got a diploma the usual way, quitting high school at 16, later taking what were called State Tests in my home state of Pennsylvania. Completing two years at the University of Miami music school. Finally receiving a Doctor of Chiropractic degree, rising to name-band status, a brief, but successful rise in the financial world, and, finally, moving on to success in the world of chiropractic. While my apparently inborn musical talents made a so-called normal life impossible to attain, it really served me well. Since the only musical talent in my parents was Dad's participation in a church choir, my talent would not seem to be genetic -

bringing up another controversial possibility - reincarnation - in which I tend to believe, but won't argue it with anyone. Rising through the juvenile talent show, through saloon playing, society bands, summer resorts, burlesque, anything that came along, I attained Name Band status, privileged to call many talented people of that stage of my life friends.

The Second Advent, Or Coming of the Messiah in Glory

Elias Boudinot 2018-01-23 Excerpt from *The Second Advent, or Coming of the Messiah in Glory: Shown to Be a Scripture Doctrine, and Taught by Divine Revelation, From the Beginning of the World* David does not explicitly distinguish between the first and second coming - the greatest part of his language, can only apply to the last - Instances given - The 67th Psalm, a prayer for this kingdom - As the time hastened on, most of the inspired prophets speak of this great event, in an explicit manner. The Second Coming John MacArthur 2006-01-09 "And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also." John 14:3 ESV Jesus Christ was very clear: One day He will return-and none of us knows when. Vocal fanatics claim to know the details of the Second Coming, causing many Christians to all but ignore the good news that Jesus is coming again. Yet God's own Word commands us to know the signs of the times, to remain watchful, and to be ready-whenver Christ comes. This book is a straightforward, in-depth exploration of the key biblical texts regarding the Second Coming; most notably, Christ's longest and most important eschatological message, the Olivet Discourse. As you study what the Word of God says about these matters, it will stir in your heart an earnest longing for Christ's return-as well as a certainty about how to live expectantly until He comes again.
