

Messianic Credentials Of Jesus The Christ

Thank you very much for reading **Messianic Credentials Of Jesus The Christ**. Maybe you have knowledge that, people have look numerous times for their chosen novels like this Messianic Credentials Of Jesus The Christ, but end up in infectious downloads.

Rather than reading a good book with a cup of coffee in the afternoon, instead they cope with some infectious bugs inside their laptop.

Messianic Credentials Of Jesus The Christ is available in our book collection an online access to it is set as public so you can get it instantly.

Our books collection spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Messianic Credentials Of Jesus The Christ is universally compatible with any devices to read

Messianic Credentials of Jesus the Christ Archer
C. Wilcox 1986

Jesus the Messiah - The Synoptic Tradition

**of the Revelation of God in Christ: With
Special Reference to Form-Criticism** William
Manson 2007-01-01 "An exceedingly valuable
and constructive book which should find a place

on the shelves of every serious student of Christian origins and of every Christian minister.. A masterly examination of the teaching of Jesus both in relation to the contemporary apocalyptic background and to abiding Christian life in the world and the Church.. A book to be widely and often read." Contents Include: The Primitive Christian Confession - Form-Criticism and the Gospels - The 'Signs' or 'Might Works' of Jesus - The Teaching of Jesus - The Note of Crisis and Fulfilment - The Teaching of Jesus - Its Character as Religious and Ethical Absolute - The Messianic Categories in the Tradition - The Passion and Death of the Messiah - Epilogue: Jesus Messiah

The Self-interpretation of Jesus Christ George Sidney Streatfeild 1906

The Messiah According to Bible Prophecy

Tony Alamo Christian Ministries Worldwide
1980

God Helps His Servant Lee Kah Wor 2020-04-14

This book serves as a documentation of what a recipient of the mercy and grace of Elohim has found convincing from His written Word. God is love. I have the utmost respect for the gift of free choice from the loving Father God. This is the fourth of five-volume series on "The Messianic Credentials". It is not about what the right choice should be. It would be ludicrously futile to debate over such a thing as it is a matter of perception. In the process of putting this series together, I realized that God (Elohim) did not write what we like to hear. He wrote what we need to hear. This is because love corrects (Proverbs 3:12 and Hebrews 12:6). And God is love (1 John 4:8 and 1 John 4:16). He wrote the Bible out of His Spirit of love. In view of the above, I have written this series to relay that same Spirit. It is an appeal to consider reunion with God the loving Father from the perspective of the salvation wrought through Christ crucified. The love of God will bring about a change in perspective. In the words of Romans

2:4, it is the kindness of God that leads to repentance. As a caveat, this series is to be read with an open mind. It is meant to present the state of things from a Biblical perspective with no malicious and derogative intent. Any perception to the contrary is highly unfortunate and/or regrettable. In the fourth volume which deals with Isaiah 50:4-9, you will get to see the iron resolve of Jesus of Nazareth to accomplish His Messianic mission despite the intense opposition. You will soon realize that even Iron Man and The Iron Lady pale in comparison.

Is Jesus of Nazareth the Predicted Messiah?

Douglas D. Scott 2019-02-04 Christians in general--and preachers of prophecy in particular--attribute the fulfillment of hundreds of Old Testament messianic prophecies to Jesus of Nazareth. Often these claims arise in the uncritical environment of Christian churches or popular literature that is treating messianic prophecy. People with critical thinking abilities, and those endowed with a skeptical nature,

often have key questions that remain unaddressed in such environments. These thinkers and skeptics are the people that will be most interested in this work. The primary question addressed is this: "Do critically acceptable historical-evidential reasons exist for believing that Jesus Christ is the direct fulfillment of some specific Old Testament messianic texts?" Approaching this question within a framework that eliminates any possibility of staged prophetic fulfillment, and those that may occur by mere chance or collusion, produces results that must be taken seriously. Even with these strict criteria, Jesus emerges as the only viable candidate to fulfill some of the prophecies included in this study. For other prophetic texts, the evidence is not as abundant or convincing. However, even these texts yield several minimal facts that directly impinge on New Testament claims about Jesus. The Messiah Before Jesus Yísra-el K̄nohl 2000-10-12 Offering readers a fascinating

glimpse of life and religious belief in first-century Palestine, the author analyzes the mysterious "suffering servant" described in the Dead Sea scrolls, a messianic figure with remarkable similarities to Jesus.

The Messiah in the Old and New Testaments

Stanley E. Porter 2007-04-26 When the ancients talked about "messiah", what did they picture? Did that term refer to a stately figure who would rule, to a militant who would rescue, or to a variety of roles held by many? While Christians have traditionally equated the word "messiah" with Jesus, the discussion is far more complex. This volume contributes significantly to that discussion. Ten expert scholars here address questions surrounding the concept of "messiah" and clarify what it means to call Jesus "messiah." The book comprises two main parts, first treating those writers who preceded or surrounded the New Testament (two essays on the Old Testament and two on extrabiblical literature) and then discussing the writers of the

New Testament. Concluding the volume is a critical response by Craig Evans to both sections. This volume will be helpful to pastors and laypersons wanting to explore the nature and identity of the Messiah in the Old and New Testament in order to better understand Jesus as Messiah.

Sonnets for Messiah Matt Harris 2011-07-26 Throughout the centuries, writers have penned volumes in prose on the subject of Messianic prophecy, but only a handful have written books on this fascinating subject entirely in poetry. Since most of the prophets and scribes of Israel wrote their divine revelation concerning Messianic prophecy in Hebrew poetry, a modern-day collection of poems that concentrate on how Jesus fulfilled some of these prophecies would be a valuable resource for any twenty-first-century school, church, or bookstore. Charles Spurgeon, the famous nineteenth-century British preacher, once asserted that The Bible is like a lion, it needs no defense; let it out

of its cage, and it will defend itself. The cage door is now ajar! Sonnets for Messiah consists of one hundred sonnets that show how Gods Son, Jesus Christ, fulfilled one hundred Messianic prophecies from Old-Testament Scripture. A sonnet is a fourteen-line poem that means little song. Sonnets for Messiah uses three distinct sonnet forms to mold its themes: the Shakespearean, Spenserian, and Petrarchan. Each style displays its own unique rhyming pattern, and they are structured in such a way as to express ideas concisely. It is exactly this conciseness that many readers find most appealing about the sonnet. A well-crafted sonnet can say as much on a subject in fourteen lines as a book of prose can say in fourteen pages!

Jesus the Messiah Donald Guthrie 1981-09
"Jesus the Messiah" is a basic, non-technical introduction to the life of Christ, carefully tracing His life and works as evidence of the truth of His claims and of the firm convictions of

the early Christians--an inspirational study of Christ's life. The author prefaces his work by admitting that "Many deny the possibility of writing a life of Jesus, and it must be conceded that no 'life' in the biographical sense can be written. It is impossible to produce a psychological study of Jesus. His developing awareness of messianic mission cannot be traced. This book presents an account of Jesus from the perspective of faith. It sees in His deeds and words evidence of the truth of His claims and of the firm convictions of the early Christians. . . . No one who reflects on His life and mission can fail to be affected by it, and in this sense the present study is in the nature of a personal testimony."

The Case for Jesus the Messiah John Ankerberg
2011-12-03

Mission of the Messiah Tim Gray 1998
Mission of the Messiah is a compelling new study of the Gospel of Luke that presents the messianic mission of Jesus as the fulfillment of

Old Testament prophecy. This book is a must for anyone whose heart is burning to know and love Christ more profoundly.

A Theology of Mark's Gospel David E. Garland
2015-10-06 A Theology of Mark's Gospel is the fourth volume in the BTNT series. This landmark textbook, written by leading New Testament scholar David E. Garland, thoroughly explores the theology of Mark's Gospel. It both covers major Markan themes and also sets forth the distinctive contribution of Mark to the New Testament and the canon of Scripture, providing readers with an in-depth and holistic grasp of Markan theology in the larger context of the Bible. This substantive, evangelical treatment of Markan theology makes an ideal college- or seminary-level text.

The Resurrection of Jesus Pinchas Lapide
2002-03-12 I accept the resurrection of Jesus not as an invention of the community of disciples, but as an historical event. Ó When a leading orthodox Jew makes such a declaration, its

significance can hardly be overstated. Pinchas Lapide is a rabbi and theologian who has specialized in the study of the New Testament. In this book he convincingly shows that an irreducible minimum of experience underlies the New Testament account of the resurrection, however much of the details of the narrative may be open to objection. He maintains that life after death is part of the Jewish faith experience, and that it is Jesus' messiahship, not his resurrection, which marks the division between Christianity and Judaism. Dr. Lapide quotes Moses Maimonides, the greatest Jewish thinker, in his support: All these matters which refer to Jesus of Nazareth...only served to make the way free for the King Messiah and to prepare the whole world for the worship of God with a united heart. Ó

Following Jesus through the Bible Peter Phipps
2013-08 Using as a starting point Jesus' own claim that the Scriptures spoke about Him, this book traces how He fulfilled the Old Testament

promise of a coming Messiah. The Old Testament was like a solid and reliable signpost, while the gospels were the good news of his coming, to be followed by the inspired commentary of the New Testament letters about Messiah. It all ends with a great Messianic celebration.

Jesus the Messiah in the Hebrew Bible

Eugen J. Pentiu 2006 JESUS THE MESSIAH IN THE HEBREW BIBLE deals with the messianic texts found in the Hebrew Bible. Shifting away from conventional paradigms, Eugen Pentiu develops a new way of understanding the presence of Christ in the Old Testament. His approach is ontological, based on the view that Jesus the Messiah was pre-existent, and he appeared in manifold forms throughout the Hebrew Bible prior to his human incarnation in the New Testament. This book provides an accurate exegetical basis for reviewing the prophetic indicators--"as well as the literary explications--"of the relationship between the

Old Testament prophecy and the New Testament fulfillment of Jesus the Messiah. Intended as primarily a pastoral work, based on theology and biblical exegesis, it contains' homiletic outlines and samples. Also included are the church Fathers' writings on the most important issues of hermeneutics. This book is a work of exegesis and biblical theology entwined with pastoral guidance. It will be a useful tool for both ministers and faithful in their quest of Christ in the Old Testament.

The Messianic Theology of the New

Testament Joshua W. Jipp 2020-11-12 One of the earliest Christian confessions—that Jesus is Messiah and Lord—has long been recognized throughout the New Testament. Joshua Jipp shows that the New Testament is in fact built upon this foundational messianic claim, and each of its primary compositions is a unique creative expansion of this common thread. Having made the same argument about the Pauline epistles in his previous book Christ Is King: Paul's Royal

Ideology, Jipp works methodically through the New Testament to show how the authors proclaim Jesus as the incarnate, crucified, and enthroned messiah of God. In the second section of this book, Jipp moves beyond exegesis toward larger theological questions, such as those of Christology, soteriology, ecclesiology, and eschatology, revealing the practical value of reading the Bible with an eye to its messianic vision. The Messianic Theology of the New Testament functions as an excellent introductory text, honoring the vigorous pluralism of the New Testament books while still addressing the obvious question: what makes these twenty-seven different compositions one unified testament?

The Messianic Credentials Lee Kah Wor
2020-04-07 Some of the contents in this series may be too graphical and not suitable for children. Parental discretion is advised. This book serves as a documentation of what a recipient of the mercy and grace of Elohim has

found convincing from His written Word. God is love. I have the utmost respect for the gift of free choice from the loving Father God. This is the first of five-volume series on "The Messianic Credentials". It is not about what the right choice should be. It would be ludicrously futile to debate over such a thing as it is a matter of perception. In the process of putting this series together, I realized that God (Elohim) did not write what we like to hear. He wrote what we need to hear. This is because love corrects (Proverbs 3:12 and Hebrews 12:6). And God is love (1 John 4:8 and 1 John 4:16). He wrote the Bible out of His Spirit of love. In view of the above, I have written this series to relay that same Spirit. It is an appeal to consider reunion with God the loving Father from the perspective of the salvation wrought through Christ crucified. The love of God will bring about a change in perspective. In the words of Romans 2:4, it is the kindness of God that leads to repentance. As a caveat, this series is to be read

with an open mind. It is meant to present the state of things from a Biblical perspective with no malicious and derogative intent. Any perception to the contrary is highly unfortunate and/or regrettable. Among other things, this volume examines the following notions: 1. Disasters are acts of God; 2. God helps those who help themselves; 3. Life and death is in the hands of God; and 4. Every man with a mustache is a father (□□□□□□□□; jau5 wu4 sou1 zau6 hai6 lou5 dau6). The above are just some common perception of God. The last bits is about men. God sent the flood to destroy the ancient world. He also sent the Ten Plagues on ancient Egypt. Why would God, Who is love, do that? Is there an underlying rationale behind that apparent anomaly? As an Omniscient God, why did He place the forbidden tree in the Garden when He already knew Adam would eat from it? Similarly, why did God create Lucifer knowing well that he would rebel against Him? Since God foreknew that both Adam and Lucifer would fall, how can

He then blame them? In this first volume, we will take a closer look at all that. In addition, you will: 1. Know what is really meant by sin (It's not about right doing); 2. Appreciate how knowing the true meaning of sin will deepen the gratitude for the gracious love of God (Hence the Law leads to Christ); 3. Witness how Eve demonstrated the danger of knowing God based on hearsay; 4. Look at how evil has been made God and God, evil (Romans 1:18); 5. See a graphical representation of the origin of sin and the cycle of sin; 6. Trace the current ills of the earth right back to its source; 7. Gain insight into how the Law leads to Christ from the example of the apostle Paul; 8. Understand the detailed mechanics of crucifixion and therein get a sense of what the Lord went through to redeem us; 9. Extract the pertinent points of Peter's sermon which effectively summarized what is meant by faith comes from hearing and hearing the message concerning Christ (Romans 10:17); 10. Marvel at how our hero Jesus Christ

has broken the sin cycle; 11. Tap into the wisdom of God to see the future as pre-written history; and 12. Get to receive the most precious gift of your life. God has in times past foretold what the Christ would do (Hebrews 1:1-3). Along came this man by the name of Jesus from Nazareth. He did everything that God said that the Christ would do. What does that tell us? Jesus of Nazareth is the Christ. Hence, the more we hear of how Jesus of Nazareth had done what God said the Christ would do, faith in Him as the Christ arises; faith comes. This series focuses on the evidence God has provided to prove that Jesus of Nazareth was the Promised Messiah, with emphasis on His humanity aspect. The first volume of this series plays a preparatory role just as how John the Baptist announced the arrival of the Promised Messiah. It is to prepare the heart to receive the love of Father God as demonstrated by Christ crucified. Against this backdrop, I invite you to approach this series with an open mind. You may just find the perfect

match for that earnest yearning in the deepest recess of your heart. Looking forward to meeting with you in the word.

Jesus, the Messianic King Stephen J. Binz 2010-10-15 Matthews gospel presents Jesus as Israels royal Messiah, inaugurating Gods kingdom in the world. It was written to help Jewish Christians understand that their faith in Jesus was entirely consistent with the faith of ancient Israel. With frequent quotations and allusions from the Old Testament, Matthew demonstrates how Jesus is both Son of David and Son of God. This study will help you understand the scope of this gospel, the clear advice it offers for the church, and its personal implications for the lives of disciples today.

The Messiah William Varner 2004-11 Twenty years ago, Dr. John O'Leary was completing research on what he thought was a cure for the common cold while a co-worker, Sa Reshdi, was investigating the deadly ricin toxin. Their research was funded by DARPA, a division of the

Department of Defense. Unknowingly, they were both working on the ultimate biological weapon for the United States until Sa switched sides and took the weapon with him. Today, Jack Griffin is a virologist at the Hoffman Institute in Southern California working on a new cure for the cold virus under the direction of Professor O'Leary. As a favor to his neighbor, Jack investigates the dealings of her brother, Brandon. Jack finds himself pulled into a world of bio-terrorism as he determines that the company Brandon is working for has been growing an extremely infectious and deadly virus. With the help of a co-worker, Jack tracks the production of the virus to a secret facility outside of town. With time running short, Jack must sneak into the facility to destroy the virus and save Southern California from a terror the citizens would never know.

Messianic Credentials of Jesus the Christ Archer C. Wilcox 1986-01-01

Jesus the Messiah Herbert W. Bateman 2012

Few books have sought to exhaustively trace the theme of Messiah through all of Scripture, but this book does so with the expert analysis of three leading evangelical scholars. For the Bible student and pastor, *Jesus the Messiah* presents a comprehensive picture of both scriptural and cultural expectations surrounding the Messiah, from an examination of the Old Testament promises to their unique and perfect fulfillment in Jesus' life. Students of the life of Christ will benefit from the authors' rich understanding of ancient biblical culture and pastors will find an indispensable help for understanding the unity and importance of the ancient promise of Messiah. This handsome volume will be a ready reference on Messiah for years to come.

Jesus Is the Christ Michael F. Bird 2013-02-27
Entering the fray of a hotly debated issue, Michael Bird argues that the title and role of "Messiah" ascribed to Jesus is not a late addition to the four Gospels but their structural and semantic foundation. Stressing that Christianity

is itself a messianic movement, Bird argues that the messianic testimony is the "mother of all Christology."

[Are You the One Who Is to Come?](#) Michael F. Bird 2009-08-01 Did Jesus claim to be the long-awaited "messiah"? Going against much contemporary scholarship, Australian scholar Michael Bird argues that he did. He begins by exploring the messianic expectations in the Old Testament and Second Temple Jewish literature. Next, Bird points out weaknesses in current arguments that "Messiah," or "Christ," was a title given to Jesus by the early church but not used by Jesus himself. Bird then examines the Gospels and related literature, finding in Jesus's words and actions evidence that he saw himself as the messiah described in the Scriptures of Israel and believed that Israel's restoration hinged on the outcome of his ministry.

The Gospel According to Matthew 1999 The publication of the King James version of the Bible, translated between 1603 and 1611,

coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Jesus is the Christ: The Messianic Testimony of the Gospels Michael F Bird 2012-06-01 Explains the importance of the title and role of Messiah in each of the Gospels and argues that Christianity was a messianic movement rooted in its Jewish context. Michael Bird engages the subject of the messianism of the four Gospels. While the title and role of 'Messiah' ascribed to Jesus in the Gospels has long been regarded as a late add on, a fabricated

claim, or an insignificant feature, Bird argues in contrast that the messianic claims are the most significant for the portrayal of Jesus.

The Gospel According to Mark 1999-01-01

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

The Suffering Servant Exalted Lee Kah Wor 2020-04-18 This book serves as a documentation of what a recipient of the mercy and grace of Elohim has found convincing from His written Word. God is love. I have the utmost respect for the gift of free choice from the loving Father God. This is the fifth and final volume of "The Messianic Credentials" series. This series is not about what the right choice should be. It would be ludicrously futile to debate over such a thing as it is a matter of perception. In the process of

putting this series together, I realized that God (Elohim) did not write what we like to hear. He wrote what we need to hear. This is because love corrects (Proverbs 3:12 and Hebrews 12:6). And God is love (1 John 4:8 and 1 John 4:16). He wrote the Bible out of His Spirit of love. In view of the above, I have written this series to relay that same Spirit. It is an appeal to consider reunion with God the loving Father from the perspective of the salvation wrought through Christ crucified. The love of God will bring about a change in perspective. In the words of Romans 2:4, it is the kindness of God that leads to repentance. As a caveat, this series is to be read with an open mind. It is meant to present the state of things from a Biblical perspective with no malicious and derogative intent. Any perception to the contrary is highly unfortunate and/or regrettable. The quality and success of an occasion hinges on the amount of preparation that goes into it. The ultimate sacrificial lamb was tested and proven to be without spot or

blemish. In this fifth volume, you will get to see how God prepared Jesus of Nazareth to be the perfect sacrificial Lamb from even before birth. He was well prepared, so to speak, before being deployed as the Perfect sacrifice for sin. For the lack of a better example, just relate to how one would prepare the turkey for Thanksgiving. We have been purchased with the precious blood of a spotless and unblemished sacrificial lamb (1 Peter 1:19). You will also get to see a biblical example of deployment without prior preparation.

The Passover Plot Hugh J. Schonfield
2021-12-16 This is the new official Schonfield Trust edition of the Passover Plot which is probably one of the most controversial books on the role of Jesus the Messiah. Yet to say that, might detract from its scholarly attention to detail and its furnishing of new insights into the character of the Man who changed the world so radically. Thus it is a 'must read' for who are seeking a better understanding. Schonfield's aim

in life was to build a bridge between peoples and he hoped that by digging into the facts behind the origins of Christianity, he would be able to uncover the real Messiah, misrepresented since time immemorial. His sincere desire was that this understanding would bring together those who had so long been divided. Whilst his thesis that Jesus plotted his own crucifixion may seem far-fetched or even offensive at first, seen in the light of John's Gospel and the thinking of the times it provides food for thought to those with an open mind.

The Messianic Consciousness of Jesus Henry George Hatch 1939

The Messianic View of the Kingdom of God Joseph O. Esin 2011-10-17 The Messianic View of the Kingdom of God offers persevering readers an assurance of secured miraculous healing, forgiveness, rewarding prayers, repentance, peace, and unity in the kingdom of God under the Leadership of Jesus Christ, our divine shepherd. It also presents an organized

and systematic paradigm of the analysis of St. Luke's theology and all the New and Old Testament biblical prophecies about the restoration of the promised covenant. The book belongs in the libraries of clergies and seminarians; in departments of theology, philosophy, and moral studies; and in the hands of individuals seeking in-depth knowledge of God's promise to all nations. The book also affirms that the mission of Jesus Christ as the heavenly leader is to restore an unwavering benchmark for peace and unity to those who invest their trust in God. The restored covenant will put an end to all intentional and inadvertent disobedience to the teachings of Jesus Christ. The goal of The Messianic View of the Kingdom of God is to enhance an enduring end to defiant human conduct and allow an opportunity to receive the glory that is guaranteed to everyone by the Almighty God through His son Jesus Christ—the fountain of a secured irreversible healing, peace, and unity for everyone, all

nations and the world communities. The majority of setbacks and temptations should be viewed as a consecrated revelation from God to redirect our paths in life, purify our bodies and souls, and reinforce our trust, and faith in Him, and to serve as a divine corridor to bring everyone closer to the promised kingdom of God under the leadership of Jesus Christ.

Jesus Divine Messiah Robert L. Reymond
2003-01-21 What does the Bible REALLY say about Jesus? A comprehensive source for all the evidence in the Bible concerning the divinity of Jesus by a scholar of international reputation. An updated and combined volume of Robert Reymond's two previous books on the subject **Salvation Reaches to the End of the Earth** Lee Kah Wor This book serves as a documentation of what a recipient of the mercy and grace of Elohim has found convincing from His written Word. God is love. I have the utmost respect for the gift of free choice from the loving Father God. This is the third of five-volume

series on "The Messianic Credentials". It is not about what the right choice should be. It would be ludicrously futile to debate over such a thing as it is a matter of perception. In the process of putting this series together, I realized that God (Elohim) did not write what we like to hear. He wrote what we need to hear. This is because love corrects (Proverbs 3:12 and Hebrews 12:6). And God is love (1 John 4:8 and 1 John 4:16). He wrote the Bible out of His Spirit of love. In view of the above, I have written this series to relay that same Spirit. It is an appeal to consider reunion with God the loving Father from the perspective of the salvation wrought through Christ crucified. The love of God will bring about a change in perspective. In the words of Romans 2:4, it is the kindness of God that leads to repentance. As a caveat, this series is to be read with an open mind. It is meant to present the state of things from a Biblical perspective with no malicious and derogative intent. Any perception to the contrary is highly unfortunate

and/or regrettable. Volume 3 - Salvation Reaches the End of the Earth Jesus of Nazareth was born to die the death of the Cross. Even before birth, He was despised and hated but yet held in awe. You will find the scriptural basis when you explore the trailhead of Isaiah 49:7 in the third volume of this series. When the appointed time for the fulfilment of the redemption plan arrived, the beloved Son of God as Jesus of Nazareth allowed Himself to be crucified as the perfect sacrificial Lamb. He was not murdered and neither was He suicidal. Read all about it in Volume 3. It speaks volumes about Him.

The Messiah in the Old Testament Walter C. Kaiser 1995 This detailed chronological study by a noted scholar describes the unfolding Old Testament concept of Messiah.

One Thousand Years with Jesus Matthew Bryce Ervin 2017-03-28 The time is coming when the world will be radically changed for the better. It will last for a thousand years, bookended by

resurrections, first of the just and then of the unjust. Satan will be chained in the abyss, no longer free to influence the nations. The saints will reign alongside the King of kings, Jesus Christ. This is a time that will begin after the return of the Messiah and end with Satan's total defeat and the judgment of sinners. It is the very culmination of history, a transition away from the fallen world into the perfection of the eternal state. This is a time known as the Millennium and the Messianic Kingdom. An understanding of this critical age makes the Bible come together as one metanarrative. It helps tell the story of the Scriptures.

God's Promise Concerning His Servant Lee Kah Wor This book serves as a documentation of what a recipient of the mercy and grace of Elohim has found convincing from His written Word. God is love. I have the utmost respect for the gift of free choice from the loving Father God. This is the first of five-volume series on "The Messianic Credentials". It is not about what

the right choice should be. It would be ludicrously futile to debate over such a thing as it is a matter of perception. In the process of putting this series together, I realized that God (Elohim) did not write what we like to hear. He wrote what we need to hear. This is because love corrects (Proverbs 3:12 and Hebrews 12:6). And God is love (1 John 4:8 and 1 John 4:16). He wrote the Bible out of His Spirit of love. In view of the above, I have written this series to relay that same Spirit. It is an appeal to consider reunion with God the loving Father from the perspective of the salvation wrought through Christ crucified. The love of God will bring about a change in perspective. In the words of Romans 2:4, it is the kindness of God that leads to repentance. As a caveat, this series is to be read with an open mind. It is meant to present the state of things from a Biblical perspective with no malicious and derogative intent. Any perception to the contrary is highly unfortunate and/or regrettable. In the second volume of this

series, you will find that the written prophecy about the Promised Messiah could be rightly divided as follows: 1. The first verse is about how God would identify the Promised Messiah on earth; 2. The second to fourth verses describe the Promised Messiah; Who He was and what He would be like; 3. Isaiah 42:5 tells us Who commissioned the Promised Messiah; and 4. The last two verses reveal the purpose for which the Promised Messiah was sent.

Jesus Christ: The Real Story United Church of God 2010-08-20 The story of Jesus Christ goes much deeper than His crucifixion and resurrection. Few will dispute that a man named Jesus Christ lived 2,000 years ago and that He was a great teacher who impacted the world. Christ made a controversial claim—that He was the very Son of God, the long-prophesied Messiah—causing religious authorities in Jerusalem to reject Him, hate Him and eventually succeeded in having Him put to death. Likewise, the local Roman civil authorities

also saw Him as a threat and became complicit in His execution. The religions of His day, both Judaism and paganism, opposed the growth of His teachings and used unlawful and violent means to try to destroy the Church He founded. The government of Rome also came to vigorously persecute the followers of this Jewish teacher from Galilee. Today, there is much confusion and questions concerning this controversial figure. Where can you go for the answers? The Bible. This Bible Study aid booklet, "Jesus Christ: The Real Story" will help explain what is written in the Bible about Jesus Christ. You can discover the answers to these questions and more: Who was Jesus Christ of Nazareth? Where did He come from? When was Jesus Christ born? What did Jesus teach? Was He God in the flesh? What did Jesus look like? Was He only a man? Why did He die? Discover the true, fascinating story that so few understand. The story of the greatest Man who ever lived and the misunderstood message He

preached—the gospel (good news) of the coming Kingdom of God! - Salvation Is Entrance Into the Kingdom of God -
- Other Names for the Kingdom -- Jesus' Teaching on God's Law -- Other Important Ways Jesus Fulfilled the Law -- Christ's New Commandment -- Does the New Covenant Abolish the Commandments? -- Jesus Christ and the Festivals of the Bible -- Who Killed Jesus? -- Jesus Christ, the Wisdom of God -- The Tearing of the Temple Veil -- Alive Again Today and Forever -- Your Date With Destiny: Meeting the Real Jesus -- 'Even So, Come, Lord Jesus!' Inside this Bible Study Aid ebook: "Perhaps the boldest claim Jesus made about His identity was the statement, "Most assuredly, I say to you, before Abraham was, I AM" (John:8:58)...What was going on here? Jesus was revealing His identity as the actual One whom the Jews knew as God in the Old Testament." "The New Testament writers cite messianic prophecies from the Old Testament more than 130 times. By some estimates the Old Testament contains 300 prophetic passages that describe who the

Messiah is and what He will do. Of these, 60 are major prophecies. What are the chances of these prophecies being fulfilled in one person?" "A careful analysis of Scripture, however, clearly indicates that December 25 is an unlikely date for Christ's birth. Here are two primary reasons..." "How can we fit "three days and three nights" between a Friday-afternoon crucifixion and a Sunday-morning resurrection?" *Censored Messiah* Peter Cresswell 2004 Jesus did not die on the cross! Many of the details in the Gospels make more sense on the basis that he was drugged, and helped out of the tomb by his supporters later. Peter Cresswell's revolutionary theory about the life of Jesus and the origins of Christianity reads like a thriller but draws on the most up-to-date scholarship. He describes Jesus' role in the Nazorean movement, with its links to the Essenes and other contemporary groups opposed to Roman rule. The gospels do provide a narrative and an explanation for something that really happened,

but were censored and edited by later followers after the destruction of Jerusalem to disguise Jesus' Jewish roots and protect sources. The movement was scattered, died out, and what replaced it was the religion of the Roman Empire, Christianity.

The Way of Jesus Christ Jürgen Moltmann 1993
The Way of Jesus Christ discusses the following topics: 1. The symbol of the way embodies the aspect of process and brings out christology's alignment towards its goal. This symbol can comprehend Christ's way from his birth in the Spirit and his baptism in the Spirit to his self-surrender on Golgotha. It also makes it possible to understand the path of Christ as the way leading from his resurrection to his parousia-the way he takes in the Spirit to Israel, to the nations, and into the breadth and depth of the cosmos. 2. The symbol of the way makes us aware that every human christology is historically conditioned and limited. Every human christology is a 'christology of the way, '

not yet a 'christology of the home country, ' a christology of faith, not yet a christology of sight. So christology is no more than the beginning of eschatology; and eschatology, as the Christian faith understands it, is always the consummation of christology. 3. Finally, but not least important: every way is an invitation. A way is something to be followed. 'The way of Jesus Christ' is not merely a christological category. It is an ethical category too. Anyone who enters upon Christ's way will discover who Jesus really is; and anyone who really believes in Jesus and the Christ of God will follow him along the way he himself took. Christology and christopraxis find one another in the full and completed knowledge of Christ. This christology

links dogmatics and ethics in closer detail than in the previous volumes.

This Jesus Markus Bockmuehl 2004-07-09 This concise but very thought-provoking work on the historical Jesus by Markus Bockmuehl posits that the historical man of Jesus cannot be separated from the Christ of faith. Taking a traditional argument and imprinting it with the finest scholarship, Bockmuehl refers to a wide range of canonical and non-canonical historical texts, ranging from Roman historians Tacitus and xxx to Jewish historian Josephus, and through Christian sources as well as the Gospels. His conclusion suggests that Jesus was indeed the Messiah, but not the Messiah expected by his contemporaries
