**Jackie Robinson: My Own Story** Jackie Robinson 2016-01-18 Autobiography of baseball legend Jackie Robinson, beginning with his athletic career and dealing particularly with baseball and the first step toward equal participation by African Americans in this great sport. "I believe that a man's race, color, and religion should never constitute a handicap. The denial to anyone, anywhere, any time of equality of opportunity to work is incomprehensible to me. Moreover, I believe that the American public is not as concerned with a first baseman's pigmentation as it is with the power of his swing, the dexterity of his slide, the gracefulness of his fielding, or the speed of his legs."—From Foreword by Branch Hickey

Bless This Mess Rev. Molly Baskette 2019-08-06 A witty, compelling guide to raising open-minded and morally grounded kids in these crazy times, with an approach that's rooted in science, psychology, and faith "Groundbreaking, profound, frank and friendly."—Wendy Mogel, PhD, author of *The Blessing of a Skinned Knee* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL When Rev. Molly Baskette and Dr. Ellen O'Donnell first met, they were both new mothers seeking parenting wisdom. They read a lot of books on the topic, but none of them contained practical suggestions that would help their families psychologically and spiritually while maintaining their progressive values: How do we teach the art of forgiving and serving others? How do we raise kids who are

tolerant, curious, and honorable? And what about the sex talk? Taking matters into their own hands, Baskette and O'Donnell began creating actionable steps addressing these questions and more. This book is the fruit of their many conversations begun long ago during the daycare carpool, from angsty moments to hallelujahs. In *Bless This Mess*, readers will gain constructive tools as they learn how to talk to their children about social justice, money, God, ethics, bullying, disabilities, sexuality, and their bodies. Parents will also glean insights on how to serve others with joy, give generously and gratefully, and—perhaps most important—learn how to stop being so afraid all the damn time, even while raising kids in an increasingly chaotic and often scary world. With real-life examples, relatable personal stories, and strategies tailored to the toddler, preteen, or teenager, *Bless This Mess*

guides parents of children at all stages of their development.

**When We Were on Fire** Addie Zierman

Downloaded from [www.sfeg.it](http://www.sfeg.it) on  
December 7, 2022 by guest

2013-10-15 In the strange, us-versus-them Christian subculture of the 1990s, a person's faith was measured by how many WWJD bracelets she wore and whether he had kissed dating goodbye. Evangelical poster child Addie Zierman wore three bracelets asking what Jesus would do. She also led two Bible studies and listened exclusively to Christian music. She was on fire for God and unaware that the flame was dwindling—until it burned out. Addie chronicles her journey through church culture and first love, and her entrance—unprepared and angry—into marriage. When she drops out of church and very nearly her marriage as well, it is on a sea of tequila and depression. She isn't sure if she'll ever go back. *When We Were on Fire* is a funny, heartbreaking story of untangling oneself from what is expected to arrive at faith that is not bound by tradition or current church fashion. Addie looks for what

lasts when nothing else seems worth keeping. It's a story for doubters, cynics, and anyone who has felt alone in church.

Unsurprisingly, this fact is as old as time—and that’s why we see so many prayer circles within a multitude of church traditions.

These gatherings are a trusted space where people seek help, hope, and peace, energized by God and one another. This book, curated by acclaimed author Sarah Bessey, celebrates and honors that prayerful tradition in a literary form. A companion for all who feel the immense joys and challenges of the journey of faith, this collection of prayers says it all aloud, giving readers permission to recognize the weight of all they carry. These writings also offer a broadened imagination of hope—of what can be restored and made new. Each prayer is an original piece of writing, with new essays by Sarah Bessey throughout. Encompassing the full breadth of the emotional landscape, these deeply tender yet subversive prayers give readers an intimate look at the diverse language and shapes of prayer.

But his life wasn't an easy one. Born on the Sac and Fox Reservation in 1887, he encountered much family tragedy, and was sent as a young boy to various Indian boarding schools—strict, cold institutions that didn't allow their students to hold on to their Native American languages and traditions. Jim ran away from school many times, until he found his calling at Pennsylvania's Carlisle Indian School. There, the now-legendary coach Pop Warner recognized Jim's athletic excellence and welcomed him
