**Were You Born Under a Lucky Star?** A. Alpheus 2006-09-01 FACTS: Certain stars or planets on the point of rising at the time of birth have been observed to be connected with certain types of physique.-from the IntroductionThe ancients held a profound reverence for the art and craft of astrology... and so have plenty of thoroughly modern folks. This delightfully portentous 1901 guide to casting a horoscope and interpreting the stars introduces the reader to the Ptolemaic roots of astrology and explains everything the amateur forecaster needs to know: . the important facts of "human crystallization." how to determine the exact place and time of your birth, necessary for astrological calculations. appreciating the differences between fire, air, earth, and water signs. incorporating our "modern" knowledge of Uranus and Neptune into the rules of ancient astrology. understanding "houses," "angles," and "aspects." how to formulate predictions from cast horoscopes. and more.Pseudonymous American astrologer A. ALPHEUS (b. 1868) also wrote Complete Hypnotism (1902).

**National Union Catalog** 1982 Includes entries for maps and atlases.

**Deliberate Receiving** Melody Fletcher 2015-07-27 A practical guide to deliberately manifesting your dream life, from a high-vibing channel who doesn't believe that spirituality or personal development have to be so damn serious all the time! Deliberate Receiving: Finally, the Universe Makes Some Freakin' Sense! is a hilarious, fun, but deeply practical guide for anyone who was inspired and excited by the promise of The Secret, but felt that it fell flat when it came to the actual details of how to manifest your desires in real life. Outrageously fun, infinitely logical and full of practical, applicable wisdom, Melody's humorous, no-BS style is paired with an astounding ability to bring through higher guidance that will help you make seismic shifts in your understanding of what has been holding you back. This book guides you through a step-by-step approach to figuring out what you truly want, why you don't have it yet and exactly what you need to do to get it. It will leave you uplifted and empowered to deliberately receive more abundance, fun and passion in your life.

**The Never Ending Quest** Clare W. Graves 2005-11-01

**Secrets of Meta-cosmic Projection** Evelyn Monahan 1977

**The Power of Awareness** Neville Goddard 2020-11-04 DELUXE EDITION The best Law of Attraction book of the twentieth century... The Power of Awareness by Neville Goddard is undoubtedly one of the greatest self-improvement books of the last hundred years. The advice in this manifesting guide is stunningly clear and unlike anything that came after it. This deluxe edition presents Neville's words with unprecedented energy and intelligence, resulting in an even greater version of a great book.

**The Publishers' Trade List Annual** 1981

**Subject Catalog** Library of Congress 1981

**The Critical Thinker's Dictionary** Robert Todd Carroll 2013-11-14 'Know Thyself' advised the ancient Greek sages who defined us as rational animals. Rationality, they thought, could be achieved by controlling the emotions and avoiding logical fallacies. We now know that the brain is a great deceiver. Unconscious biases drive us to believe and do things that the conscious mind explains in self-serving stories, making us appear more rational to ourselves than we really are. Modern science has taught us that rationality involves much more than just controlling the emotions and avoiding fallacies. Today's rational animal-what we call the critical thinker-must understand the unconscious biases that are directing many of our most important judgments and decisions. The Critical Thinker's Dictionary explores the insights of ancient and modern philosophers along with the latest findings in such fields as neuroscience and behavioral economics to lay out the many obstacles and snares that await anyone committed to a rational life.
