Emily Leary's unique 5-phase programme looks at the issue of 'fussy eating' in a holistic way that links imagination with food, and which situates parents alongside - not in opposition to - their children. You'll embark on a food

discovery which will change the way you look at food and bring healthy variety into every meal for years to come. Each phase includes a clear explanation of what you're going to learn and achieve, clear advice/commentary, two weeks of delicious tried and tested recipes, and hands-on activities to try out with your family, all of which will help bring that phase to life and help you and your family to progress forward. The 5-phase approach: Phase 1: Unfamiliar into the familiar. Introducing unfamiliar colour, flavour or texture into familiar favourites. Phase 2: Educate. Experimenting with food, and understanding where it comes from and why it's important. Phase 3: Fun. Putting the fun back into food and building enthusiasm for food variety. Phase 4: Into the unknown. Discovering new ingredients and flavour combinations. Phase 5: Cementing variety. Learning techniques to keep your family meals varied long-term.

A Year of Victorian Puddings
Georgiana Hill 2012-12-13 Originally published in 1862 as Everybody's Pudding Book, this delightful period cookbook offers delicious, comforting Victorian pudding recipes for the cold dark days of winter as well as the sunny sunshine months. Accompanied by the author's no-nonsense and often amusing advice on seasonal ingredients and the appropriateness of puddings for certain occasions, this cookbook is as relevant today as it was in the Victorian era. The recipes, organised by month, include tarts, fools, fritters, pies and, of course, steamed puddings of every kind. With favourites such as Bakewell tart and bread and butter pudding, it also offers traditional recipes that have long deserved a revival such as Shrewsbury pudding and Medlar tart. A Year of Victorian Puddings is a complete collection of seasonal, traditional English puddings for

every day of the year.

How To Cook: The Victorian Way With Mrs Crocombe Annie Gray 2020-09-24 A sumptuous cookery book and the definitive guide to the life, times and tastes of the world's favourite Victorian cook Mrs Crocombe. As seen on English Heritage's The Victorian Way YouTube series. Mrs Crocombe is the star of English Heritage's wildly popular YouTube series, The Victorian Way. In delightful contrast to the high-octane hijinks of many YouTube celebrities, The Victorian Way offers viewers a gentle glimpse into a simpler time - an age when tea was sipped from porcelain, not from plastic cups; when mince pies were meaty and nothing was wasted; when puddings were in their pomp and no kitchen was complete without a cupboard full of copper pots and pans. Avis Crocombe really did exist. She was head cook at Audley End House in Essex from about 1878 to 1884. Although only a little is known about her life, her handwritten cookery book was passed down through her family for generations and rediscovered by a distant relative in 2009. It's a remarkable read, and from the familiar (ginger beer, custard and Christmas cake) to the fantastical (roast swan, preserved lettuce and fried tongue sandwiches), her recipes give us a wonderful window into a world of flavour from 140 years ago. How to Cook the Victorian Way is the definitive guide to the life, times and tastes of the world's favourite Victorian cook. The beautifully photographed book features fully tested and modernised recipes along with a transcription of Avis's original manuscript, plus insights into daily life at Audley End by Dr Annie Gray and Dr Andrew Hann, and a foreword by the face of Mrs Crocombe, Kathy Hipperson. It showcases the best recipes from Mrs Crocombe's own book, alongside others

of the time, brought together so that every reader can put on their own Victorian meal. It's a moreish smorgasbord of social history an absolute must for fans, foodies and anyone with an appetite for the past. Please note this is a fixed-format ebook with colour images and may not be well-suited for older e-readers.

A Year In A Scots Kitchen Catherine Brown 2011-11-14 The sell-out hardback and paperback editions of this book were critically acclaimed on publication and this Ebook edition brings Catherine Brown's knowledge to a much wider audience. In *A Year In A Scots Kitchen*, Catherine Brown presents and explores a feast of seasonal and celebratory foods throughout the year. She begins on 31 October, the traditional Celtic New Year, now better known as the popular children's festival of Hallowe'en. She is guided by the guardians of Scotland's culinary treasures -- the farmers, fishermen, artisans and craftspeople in the food industry who follow the natural rhythm of the seasons as they grow, harvest, smoke, cure, preserve and cook food. The 20th century has witnessed many startling changes in food production and retailing. The most telling of these is the fact that while today's ready-cooked, pre-packed produce may be sophisticated and diverse, it is often difficult to assess for true quality. *A Year In A Scots Kitchen* suggests a return to tracking down quality seasonal ingredients, if possible from local suppliers, as

they ripen or mature naturally. It also provides a fascinating glimpse into traditional eating habits and seasonal festivities. This new digital edition is sure to become an essential item for all lovers of food and cooking.

Mennonite Girls Can Cook Lovella Schellenberg 2011-04-15 *Mennonite Girls Can Cook* is a blog about recipes, hospitality, relationships, encouragement and helping the hungry—and now it's a book, too! Like the blog, *Mennonite Girls Can Cook*—the book—is about more than just recipes. It's about hospitality, versus entertaining; about blessing, versus impressing. It's about taking God's Bounty and co-creating the goodness from God's creation into something that can bless family and friends, and help sustain health and energy. "No matter which way you look at it, wonderful things happen when people are given the opportunity to gather around the table—a chance to nurture and build relationships, fellowship and encourage one another and create a place of refuge for those who have had a stressful day."—Charlotte Penner, *Mennonite Girls Can Cook*
