Little House Nine-Book Box Set Laura Ingalls Wilder 1994-01-07 The set includes: Little House in the Big Woods, Little House on the Prairie, Farmer Boy, On the Banks of Plum Creek, By the Shores of Silver Lake, The Long Winter, Little Town on the Prairie, These Happy Golden Years, and The First Four Years. Little House in the Big Woods Wolves and panthers and bears roam the deep Wisconsin woods in the late 1870's. In those same woods, Laura lives with Pa and Ma, and her sisters, Mary and Baby Carrie, in a snug little house built of logs. Pa hunts and traps. Ma makes her own cheese and butter. All night long, the wind howls lonesomely, but Pa plays the fiddle and sings, keeping the family safe and cozy. Little House on the Prairie Pa Ingalls decides to sell the little log house, and the family sets out for Indian country! They travel from Wisconsin to Kansas, and there, finally, Pa builds their little house on the prairie. Sometimes farm life is difficult, even dangerous, but Laura and her family are kept busy and are happy with the promise of their new life on the prairie. Farmer Boy While Laura Ingalls grows up in a little house on the western prairie, Almanzo Wilder is living on a big farm in New York State. Almanzo and his brother and sisters work at their chores from dawn to supper most days -- no matter what the weather. There is still time for fun, though, especially with the horses, which Almanzo loves more than anything. On the Banks of Plum Creek Laura's family's first home in Minnesota is made of sod, but Pa builds a clean new house made of sawed lumber beside Plum Creek. The money for materials will come from their first wheat crop. Then, just before the wheat is ready to harvest, a strange glittering cloud fills the sky, blocking out the sun. Soon millions of grasshoppers cover the field and everything on the farm. In a week's time, there is no wheat crop left at all. By the Shores of Silver Lake Pa Ingalls heads west to the unsettled wilderness of the Dakota Territory. When Ma, Mary, Laura, Carrie, and baby Grace join him, they become the first settlers in the town of De Smet. And Pa begins work on the first building in what will soon be a brand-new town on the shores of Silver Lake. The Long Winter The first terrible storm comes to the barren prairie in October. Then it snows almost without stopping until April. Snow has reached the rooftops, and no trains can get through with food or coal. The people of De Smet are starving, including Laura's family, who wonder how they're going to make it through this terrible winter. It is young Almanzo Wilder who finally understands what needs to be done. He must save the town, even if it means risking his own life. Little Town on the Prairie The long winter is over. With spring come socials, parties, and "Literaries." There is also work to be done. Laura spends many hours each day sewing shirts to help send Mary to a college for the blind. But in the evenings, Laura makes time for a new caller, Almanzo Wilder. These Happy Golden Years Laura is teaching school, and it's terrifying! Most of the students are taller than she is, and she must sleep away from home for the first time. Laura is miserable, but the money is needed to keep Mary in a college for the blind. And every Friday -- no matter what the weather -- Almanzo Wilder arrives to take Laura home to her family for the weekend. Laura and Almanzo are courting, and even though she's not yet sixteen, she knows that this is a time for new beginnings. The First Four Years Laura and Almanzo Wilder have just been married! Their life on a small prairie homestead begins with high hopes. But each year seems to bring unexpected disasters -- storms, sickness, fire, and unpaid debts. These first four years call for courage, strength, and a great deal of determination. Always, though, there is love, especially for the newest

member of the family -- baby Rose.

Love and Trouble Claire Dederer 2017 From the New York Times bestselling author of Poser: My Life in Twenty-Three Yoga Poses, a ferocious, sexy, hilarious memoir about going off the rails at midlife and trying to reconcile the girl she was with the woman she has become. Claire Dederer is a happily married mother of two, ages nine and twelve, when she suddenly finds herself totally despondent and, simultaneously, suffering through a kind of erotic reawakening. This exuberant memoir shifts between her present experience as a middle-aged mom in the grip of mysterious new hungers and herself as a teenager--when she last experienced life with such heightened sensitivity and longing. From her hilarious chapter titles ("How to Have Sex with Your Husband of Seventeen Years") to her subjects--from the boyfriend she dumped at fourteen the moment she learned how to give herself an orgasm, to the girls who ruled her elite private school ("when I left Oberlin I thought I had done with them forever, but it turned out ...they also edited all the newspapers and magazines, and wrote all the books"), to raising a teenage daughter herself--Dederer writes with an electrifying blend of wry wit and raw honesty. She exposes herself utterly, and in doing so captures something universal about the experience of being a woman, a daughter, a wife.

The Stateless Series Boxed Set Meli Raine 2022-12-29 When you're born without a trace, no one knows you're a weapon. I lie for her. I hunt for her. I kill for her. It's not against any formal rule for us to sleep together. It is, however, strictly forbidden to have feelings for each other. We are breaking all the rules. And it feels fantastic. When you don't know who you can trust, reality distorts. It twists and oozes, disintegrating and reformulating to meet whatever needs its masters demand. Just like me. Just like Kina. Except everything is different now that we know who we really are. And that makes love the greatest weapon of all. Get the entire Stateless boxed set, containing Stateless, Traceless, and Fateless, a complete trilogy featuring Kina and Callum, born and raised to be part of a secret society of spies created by a shadow government. When the truth turns out to be stranger than any lie, they turn to each other to create their own reality. But will it be enough to stay alive? Audiobook narrated by Audie award winners Andi Arndt and Joe Arden.

Age Ain't Nothing but a Number Carleen Brice 2003-05-15 Finally, a collection that celebrates, considers, contemplates, even criticizes 'midlife' from a black woman's point of view. Age Ain't Nothing but a Number ranges over every aspect of black women's lives: personal growth, family and friendship, love and sexuality, health, beauty, illness, spirituality, creativity, financial independence, work, and scores of other topics. Midlife today isn't your grandmother's 'change of life.' Today, black women call hot flashes 'power surges,' and menopause, the 'pause that refreshes.' These days, middle-aged women may be newlyweds or new mothers, as well as grandmothers or widows. They may experience the empty-nest syndrome and then the 'return-to-the-nest syndrome' as adult children move back home. They may navigate the field of Internet dating, travel the world, teach homeless women, take up pottery, or study international business. This anthology captures all of these aspects of midlife as experienced by some of the finest voices in African-American writing today. Featuring the work of Maya Angelou, J. California Cooper, Pearl Cleage, Nikki Giovanni, Susan L. Taylor, Alice Walker, and dozens of others, Age Ain't Nothing but a Number will make readers think, laugh, and cry and will be the perfect gift book for spring.
