The Middle School Rules of Jamaal Charles Sean Jensen 2017-02-01 Five running backs were selected in the first round of the 2008 NFL Draft. Jamaal Charles was not among them. Despite piling up the fourth-most rushing yards at the University of Texas in just three seasons, he waited for eight other running backs to get selected ahead of him. The Middle School Rules of Jamaal Charles features the stories and lessons of Jamaal's childhood, defined by people overlooking him. Young readers will see how Jamaal deals with bullying and endures teasing because of a long undiag- nosed learning disability that enabled him to participate in the Special Olympics as a 10-year-old. The gold medals he won at the Special Olympics empowered him, and Jamaal displayed a rare work ethic and determination in everything he did on the field and in the classroom. "I just kept working, just kept fighting," Jamaal says. "If you give up, you will not ever know how far you would have gotten." A state champion hurdler, Jamaal ran for 4,107 yards and 50 touchdowns in his final two seasons at Memorial High School in Port Arthur, Texas. But readers will see how hard Jamaal had to study to earn a high enough mark on a standardized test to qualify for a full athletic scholarship. Dogged by doubts about his size, Jamaal is already the Chiefs' all-time leading rusher, a four-time Pro Bowl selection and has more career rushing yards and total touchdowns than all but two of the eight running backs selected ahead of him in the 2008 NFL Draft. In fact, Jamaal owns a special NFL record: More yards per carry (5.5) than any other running back with at least 1,000 career carries! Jamaal wants his legacy to extend beyond football fields. His Jamaal Charles Youth Matters Family Foundation promotes the development of healthy minds and bodies and reinforces the motto that, "Determination wins." Jamaal inspired mil- lions at the Opening Ceremony of the 2015 Special Olympics in Los Angeles by sharing his story of struggle and triumph. "I was afraid. I was lost. I had trouble reading. I found out I had a learning disability," he said. "People made fun of me. They said I would never go anywhere. But I learned I can fly... the Special Olympics gave me my first chance to discover a talent I did not know I had."

What Next, Chicago? Matt Rosenberg 2021-09-14 Our nation's big cities are broken. Urban progressive government badly undermines those it claims to lift up. Matt Rosenberg lived in Chicago for thirty years, and came back to live there again amidst the turmoil of 2020. What Next, Chicago? Notes of a Pissed-Off Native Son exposes the roots of Chicago's violent crime, failing courts and schools, rotten finances, and ongoing Black exodus, and proposes a rescue plan for this emblematic American city. "What has happened to Chicago? That's Matt Rosenberg's question, and mine as well. His loving tribute to our hometown is a moving, sensitive, humane, and trenchant critical assessment. Read it and weep." —Glenn C. Loury, Professor of the Social Sciences at Brown University, and author of One By One from the Inside Out: Essays and Reviews on Race and Responsibility in America "Matt Rosenberg writes about the Chicago Way in the Chicago Style of a Mike Royko.... It's a coherent, honest, and balanced tour of the city's perpetual corruption, unsafe streets, gawd-awful schools, ghost neighborhoods, financial legerdemain, and the false Unified Theory of Systemic Racism that cloaks it all. Yet, What Next, Chicago? is no helpless, hopeless wail, but a powerful and useful roadmap for a rebirth of a once-great city, based on the voices of Black families and others who don't need academia to know what to do. Must reading for Chicago lovers." —Dennis Byrne, former Chicago Sun-Times editorial board member

Dr. Z Paul Zimmerman 2017-09-01 During his nearly 50 years of sportswriting, including 28 at Sports Illustrated, readers of Dr. Z came to expect a certain alchemical, trademark blend: words which were caustic and wry, at times self-deprecating or even puzzling, but always devilishly smart with arresting honesty. In 2008, Zimmerman had nearly completed work on his personal memoirs when a series of strokes

left him largely unable to speak, read, or write. Compiled and edited by longtime SI colleague Peter King, these are the stories he still wants to see told. Dr. Z's memoir is a rich package of personalities, stories never shared about such characters as Vince Lombardi, Walter Payton, Lawrence Taylor, Joe Namath, Johnny Unitas, Donald Trump, Rupert Murdoch, and Hunter S. Thompson.

Instant Replay Jerry Kramer 2008-11-26 In 1967, when Jerry Kramer was a thirty-one-year-old Green Bay Packers offensive lineman, in his tenth year with the team, he decided to keep a diary of the season. "Perhaps, by setting down my daily thoughts and observations," he wrote, "I'll be able to understand precisely what it is that draws me back to professional football." Working with the renowned journalist Dick Schaap, Kramer recorded his day-to-day experiences as a player with perception, honesty, humor, and startling sensitivity. Little did Kramer know that the 1967 season would be one of the most remarkable in the history of pro football, culminating with the legendary championship game against Dallas now known as the "Ice Bowl," in which Kramer would play a central role. Nor could he have anticipated that his diary would evolve into a book titled Instant Replay, first published in 1968, that would become a multimillion-copy bestseller and be celebrated by reviewers everywhere, including the Washington Post's Jonathan Yardley, who calls it "to this day, the best inside account of pro football, indeed the best book ever written about that sport and that league." This groundbreaking look inside the world of professional football is one of the first books ever to take readers into the locker room and reveal the inner workings of a professional sports franchise. From training camp, through the historic Ice Bowl, then into the locker room of Super Bowl II, Kramer provides a captivating player's perspective on pro football when the game was all blood, grit, and tears. He also offers a rare and insightful view of the team's storied leader, Coach Vince Lombardi. Bringing the book back into print for the first time in more than a decade, this new edition of Instant Replay retains the classic look of the original and includes a foreword by Jonathan Yardley and additional rarely seen photos from the celebrated "Lombardi era." As vivid and engaging as it was when it was first published, Instant Replay is an irreplaceable reminder of the glory days of pro football.

The Matheny Manifesto Mike Matheny 2017-03-28 St. Louis Cardinals manager Mike Matheny's New York Times bestselling manifesto about what parents, coaches, and athletes get wrong about sports; what we can do better; and how sports can teach eight keys to success in sports and life. Mike Matheny was just forty-one, without professional managerial experience and looking for a next step after a successful career as a Major League catcher, when he succeeded the legendary Tony La Russa as manager of the St. Louis

Cardinals in 2012. While Matheny has enjoyed immediate success, leading the Cards to the postseason four times in his first four years—a Major League record—people have noticed something else about his life, something not measured in day-to-day results. Instead, it’s based on a frankly worded letter he wrote to the parents of a Little League team he coached, a cry for change that became an Internet sensation and eventually a “manifesto.” The tough-love philosophy Matheny expressed in the letter contained his throwback beliefs that authority should be respected, discipline and hard work rewarded, spiritual faith cultivated, family made a priority, and humility considered a virtue. In *The Matheny Manifesto*, he builds on his original letter by first diagnosing the problem at the heart of youth sports—it starts with parents and coaches—and then by offering a hopeful path forward. Along the way, he uses stories from his small-town childhood as well as his career as a player, coach, and manager to explore eight keys to success: leadership, confidence, teamwork, faith, class, character, toughness, and humility. From “The Coach Is Always Right, Even When He’s Wrong” to “Let Your Catcher Call the Game,” Matheny’s old-school advice might not always be popular or politically correct, but it works. His entertaining and deeply inspirational book will not only resonate with parents, coaches, and athletes, it will also be a powerful reminder, from one of the most successful new managers in the game, of what sports can teach us all about winning on the field and in life.

The Middle School Rules of Vontae Davis Vontae Davis 2019-11-05 Before he became a first-round draft pick in the NFL, he had to survive middle school. Over one million boys play high school football every year. About 6.5% become collegiate players. Of those, only 1.5% reach the NFL. Those odds were daunting for a young Vontae Davis who endured many challenges as his parents battled addiction. At age 11, Vontae and his siblings faced living in separate foster homes, but Grandma Adaline refused to allow it—adopting and raising all seven children despite financial difficulties. With some guidance from his older brother Vernon (two-time Pro Bowl tight end) Vontae earned a college football scholarship, and after three years entered the NFL. *The Middle School Rules of Vontae Davis* features Vontae’s defining childhood stories and lessons learned growing up in a rough Washington D.C. neighborhood. Young readers will see how Vontae thrived with the support of those around him—none more important than his grandmother. A two-time Pro Bowl selection, Vontae was named an NFL Players Association Community MVP during the 2015 season.

A four-time All-American, Skylar finished her career at Notre Dame owning or co-owning 32 game, season, or school records, and earned the distinction as one of just six NCAA Division 1 players to compile 2,000 points, 500 rebounds, 500 assists, and 300 steals in a career. Monsters: The 1985 Chicago Bears and the Wild Heart of Football Rich Cohen 2013-10-29 The gripping account of a once-in-a-lifetime football team and their lone championship season For Rich Cohen and millions of other fans, the 1985 Chicago Bears were more than a football team: they were the greatest football team ever—a gang of colorful nuts, dancing and pounding their way to victory. They won a Super Bowl and saved a city. It was not just that the Monsters of the Midway won, but how they did it. On offense, there was high-stepping running back Walter Payton and Punky QB Jim McMahon, who had a knack for pissing off Coach Mike Ditka as he made his way to the end zone. On defense, there was the 46: a revolutionary, quarterback-concussing scheme cooked up by Buddy Ryan and ruthlessly implemented by Hall of Famers such as Dan “Danimal” Hampton and “Samurai” Mike Singletary. On the sidelines, in the locker rooms, and in bars, there was the never-ending soap opera: the coach and the quarterback bickering on TV, Ditka and Ryan nearly coming to blows in the Orange Bowl, the players recording the “Super Bowl Shuffle” video the morning after the season’s only loss. Cohen tracked down the coaches and players from this iconic team and asked them everything he has always wanted to know: What’s it like to win? What’s it like to lose? Do you really hate the guys on the other side? Were you ever scared? What do you think as you lie broken on the field? How do you go on after you have lived your dream but life has not ended? The result is *Monsters: The 1985 Chicago Bears and the Wild Heart of Football*, a portrait not merely of a team but of a city and a game: its history, its future, its fallen men, its immortal heroes. But mostly it’s about being a fan—about loving too much. This is a book about America at its most nonsensical, delirious, and joyful.

The ‘85 Bears Mike Ditka 2015-09-14 The ultimate record of a great franchise’s greatest season as told by none other than Da Coach himself In Ditka’s own words, this 30th anniversary volume of *The ‘85 Bears* is packed with special features that make it the ultimate must-have treasure for every Bears fan. This updated edition features the authors’ reflections on the incredible championship season as well as recaps and statistics for every regular- and post-season game bring the entire 1985 campaign to life. Interviews with fan favorites—from the Fridge to Buddy Ryan—as well as special commentary from Gary Fencik offer extra insight into the team’s Super Bowl run. Capping off a truly memorable volume is a bonus audio CD that features an exclusive interview with Mike Ditka, providing even more memories from a truly golden era of Chicago football.

Rap on Trial Erik Nielson 2019-11-12 A groundbreaking exposé about the alarming use of rap lyrics as criminal evidence to convict and incarcerate young men of color Should Johnny Cash have been charged with murder after he sang, “I shot a man in Reno just to watch him die”? Few would seriously subscribe to this notion of justice. Yet in 2001, a rapper named Mac whose music had gained national recognition was convicted of manslaughter after the prosecutor quoted liberally from his album *Shell Shocked*. Mac was sentenced to thirty years in prison, where he remains. And his case is just one of many nationwide. Over the last three decades, as rap became increasingly popular, prosecutors saw an opportunity: they could present the sometimes violent, crime-laden lyrics of amateur rappers as confessions to crimes, threats of violence, evidence of gang affiliation, or revelations of criminal motive—and judges and juries would go along with it. Detectives have reopened cold cases on account of rap lyrics and videos alone, and prosecutors have secured convictions by presenting such lyrics and videos of rappers as autobiography. Now, an alarming number of aspiring rappers are imprisoned. No other form of creative expression is treated this way in the courts. *Rap on Trial* places this disturbing practice in the context of hip hop history and exposes what’s at stake. It’s a gripping, timely exploration at the crossroads of contemporary hip hop and mass incarceration.

InSideOut Coaching Joe Ehrmann 2011-08-02 In this inspirational yet practical book, the man Parade called “the most important coach in America,” subject of the national bestseller *Season of Life*, Joe Ehrmann, describes his coaching philosophy and explains how sports can transform lives at every level of play, from the earliest years to professional sports. Coaches have a tremendous platform, says Joe Ehrmann, a former Syracuse University All-American and NFL star. Perhaps second only to parents, coaches can impact young people as no one else can. But most coaches fail to do the teaching, mentoring, even life-saving intervention that their platform provides. Too many are transactional coaches; they focus solely on winning and meeting their personal needs. Some coaches, however, use their platform. They teach the Xs and Os, but also teach the Ys of life. They help young people grow into responsible adults; they leave a lasting legacy. These are the transformational coaches. These coaches change lives, and they also change society by helping to develop healthy men and women. *InSideOut Coaching* explains how to become a transformational coach. Coaches first have to “go inside” and articulate their reasons for coaching. Only those who have taken the *InSideOut* journey can become transformational. Joe Ehrmann provides examples of coaches in his life who took this journey and taught him how to find something bigger than himself in sports. He describes his own *InSideOut* experience, starting with the death of his beloved brother, which helped him understand how sports could transcend the playing field. He gives coaches the information and the tools they need to become transformational. Joe Ehrmann has taken his message about the extraordinary power of sports all over the country. It has been warmly endorsed by NFL head coaches, athletic directors at major universities, high school head coaches, even business groups and community organizations. Now any parent-coach or school or community coach can read Ehrmann’s message and learn how to make sports a life-changing experience.
