It shows children involved in seven of the interest areas in the The Creative Curriculum and explains how they learn in each area. Everyone conducts in-service training workshops for staff and parents or who teaches early childhood education courses will find the video an indispensable tool for explainin appropriate practice.

*The Writing Revolution* Judith C. Hochman 2017-08-07 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Daily Warm-Ups: CRITICAL THINKING - Level 2 2007-11-06 Includes reproducible activities for use in teaching critical-thinking skills in English, math, social studies, science, and life skills.

Giggles in the Middle Jane Bell Kiester 2013 Jane Bell Kiester, author of the popular Caught'ya! Grammar with a Giggle series, has adapted her effective and fun approach to meet the specific learning needs of middle-school students. This resource improves writing and editing skills, raises test scores, engages students, and creates classrooms filled with giggles! Giggles in the Middle offers middle-school teachers all the benefits of the previous Caught'ya! books, plus some helpful "extras" created especially for the middle-school student. You'll find: One continuous story, "The Bizarre Mystery of Horribly Hard Middle School," divided into three parts, each with enough sentences for an entire school year; Classroom-tested writing assignment suggestions, mini-lessons, and teaching tips; "Almost-midterm" and final exam tests for each grade, with teacher keys; Easy-to-follow, step-by-step instructions; Complete vocabulary lists for words used in each story; and A CD with the Grammar, Usage, and Mechanics Guide for easy reference and duplication; the complete, uninterrupted story in narrative form; and the Caught'ya! sentences. Giggles in the Middle gives middle-school teachers the perfect alternative to boring grammar books and dry lectures. With this flexible, proven approach to developing grammar, usage, and mechanics (GUM) skills, as well as vocabulary, everyone has fun while they learn!

The Greedy Triangle Marilyn Burns 1994 Dissatisfied with its shape, a triangle keeps asking the local shapeshifter to add more lines and angles until it doesn't know which side is up.

**Short Lessons in U.S. History** E. Richard Churchill 2008-04-01 "Formerly known as 'How This Nation Became Great', "Short Lessons in U.S. History offers bite-sized, easy-to-use lessons that are student-friendly and relevant for today's student. Each short lesson includes map skills and biographies of U.S. leaders, as well as review quizzes and student-paced assessment. Updated sections include new challenges for the United States from 1955-1982, and a look at modern times through 1999." --P. [4] of cover.

*The Classes They Remember* David Sherrin 2015-12-22 Learn how to use role-plays to bring history and literature to life! When students take on the roles of historical or literary figures, they develop a greater understanding of characters' identities and motivations, and are able to more deeply explore and reflect upon key issues and themes. In this new book from award-winning teacher David Sherrin, you'll find out how this lively instructional format will make teaching a more immersive, interactive, and memorable experience for your middle school and high school students. The book includes: A clear how-to guide to get the most out of role-playing in your class; Ready-made units and lessons to get you started right away, complete with sample scripts, scaffolding worksheets, and assessment rubrics; Templates and step-by-step instructions to help you design your own role-plays. The pre-made units, which Sherrin spent years refining in his classroom, cover historical topics such as the rise of Nazi Germany and the Spanish conquest of the Aztecs. You'll also find fun and interactive role-plays based on literary works like The Pearl and Fences. These lessons will help students at all ability levels to become better communicators, problem-solvers, and creative thinkers.

**Visible Learning for Social Studies, Grades K-12** John Hattie 2020-04-07 Help students move from surface-level learning to the transfer of understanding. How do social studies teachers maximize instruction to ensure students are prepared for an informed civic life? This book shows how the field is more than simply memorizing dates and facts—it encapsulates the skillful ability to conduct investigations, analyze sources, place events in historical context, and synthesize divergent points of view. Best practices for applying visible learning are presented through: · A scaffolded approach including surface-level learning, deep learning, and transfer of learning · Examples of strategies, lessons, and activities best suited for each level of learning · Planning tools, rubrics, and templates to guide instruction

*Laziness Does Not Exist* Devon Price 2022-01-04 A social psychologist uncovers the psychological basis of the "laziness lie," which originated with the Puritans and has ultimately created blurred boundaries between work and life with modern technologies and offers advice for not succumbing to societal pressure to "do more."

**All About Love** bell hooks 2018-01-30 A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to

love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

*Sticky Learning Toolkit* RETAIL Diane Reeves
