The Next Dimension Is Love Dorothy Roeder 1996-12-12 A TIME FOR HEALING AND TRANSFORMATION Beings from another dimension, parallel to ours and yet far beyond it, give their view about what is happening on Earth now. They speak about what it means to be an unlimited spiritual consciousness immersed in a limited physical body. They describe how our fear of anyone different limits us and why that must change if we are to survive as a race. It is our fear of change that limits our ability to reach our full potential. The primary message is humanity's special ability to love in so many ways and how much we can teach the rest of the universe about creating with love. That is our special contribution to this cosmos. Are these beings, who resemble the praying mantis, really a part of us or our higher consciousness? Topics include: Are we masters of our own destiny? Do we

control our own lives? Is there purpose in what we do on Earth? What is going on and what does it mean?

**Marrying Your Vision** Rodney Smith 2007-09 Discover your purpose for life, and do it deliberately. Often times we get a vision or a thought in our minds that won't go away. Without the know-how of bringing that vision full circle, it lays by the way side. This is similar to what happens when a crush stays incubated in a shy mind. You walk away without finding out where that road would have led you. I call that the coulda-shoulda-woulda syndrome. It is said the only sin in failing is if you never tried. I implore you through the tools shared in *Marrying Your Vision* to take an internal inventory of where you are as it compares to where you know/dream you should be. As you turn the pages, you will see the correlation between the stages leading up to marriage, and the process involved in developing the vision God has whispered to you. Focus on each of the four levels as if your life depended on it...because your bloodline actually does.

**A Truth Seekers 10 Point Plan** BRYAN RADZIN 2022-01-31 Bryan Radzin's consciousness raising new book, "A Truth Seekers 10 Point Plan", is a comprehensive, but easy to follow guide on how to be a more authentic human being. He laid out this Ten Point Plan, so the ideas in his Search For Truth novels, will help all humans achieve the well agreed upon collective goal of peace. He shows

that if we want long lasting and sustainable peace, we have to return to basics of our own inner kindness, which always starts with gratitude. Feeling that gratitude along with love, leads to understanding, which leads to humanism, and then truth; before accountability, peace and justice, help balance our journey. This reminds us to trust our authentic process as our guiding light, so we encourage maximum growth on all levels. Bryan hopes that by the time the reader puts this book down, they'll be ready to take on anyone or anything. Not in battle, or negativity, but within love and gratitude, to help the collective human species, live a much kinder existence. "Building that better future won't be easy. We get a step closer, each time we allow our humanism to guide our decisions; instead of our fears. For if fear does drive our decisions, it isn't humanism, it's ignorance". "If I am honest with myself, then I must be honest with you, so you can be honest with others. This is so we can finally get the accountability and justice, so many people who preach peace want, but don't feel confident enough in themselves, to fight for".
