**Life Sciences** Amy Jo Bain 2001 Everything you need to create exciting thematic science units can be found in these handy guides. Developed for educators who want to take an integrated approach, these teaching kits contain resource lists, reading selections, and activities that can be easily pulled together for units on virtually any science topic. Arranged by subject, each book lists key scientific concepts for primary, intermediate, and upper level learners and links them to specific chapters where resources for teaching those concepts appear. Chapters identify and describe comprehensive teaching resources (nonfiction) and related fiction reading selections, then detail hands-on science and extension activities that help students learn the scientific method and build learning across the curriculum. A final section helps you locate helpful experiment books and appropriate journals, Web sites, agencies, and related organizations.

**Novel and Short Story Writer's Market, 1991** Robin Gee 1991 Lists addresses and information on contacts, pay rates, and submission requirements, and includes essays on the craft of writing.

**The Plant that Ate Dirty Socks** Nancy McArthur 2000 Yummie, Yummie...Dirty Socks Michael's room was always a disaster area, strewn with all kinds of litter -- heaps of papers, piles of crumpled clothes, and dirty socks everywhere. And that was just the top layer The trouble was, half the room belonged to Michael's brother Norman the neatness nut. It was the battle of the bedroom -- with Norman fighting to keep his spotless territory free from the invasion of Michael's mess. But that was before the appearance of the most amazing plants ever Suddenly Michael's junk heap disappeared and the room was taken over by the two giant plants that gobbled up socks faster than anyone could supply them And their appetites were growing bigger every day When the plant that militant slob Michael grows from his mail-order seeds develops an appetite for dirty socks, Michael and his neatnik brother, Norman, join together to persuade their parents to let them keep the ever-growing-and voracious-greenery.
