Designing and Developing for Google Glass Allen

Firstenberg 2014-12-11 Creating apps for Google Glass is more involved than simply learning how to navigate its hardware, APIs, and SDK. You also need the right mindset. While this practical book delivers the information and techniques you need to build and deploy Glass applications, it also helps you to think for Glass by showing you how the platform works in, and affects, its environment. In three parts—Discover, Design, and Develop—Glass pioneers guide you through the Glass ecosystem and demonstrate what this wearable computer means for users, developers, and society as a whole. You'll learn how to create rich functionality for a consumer technology that's radically different than anything currently available. Learn the Five Noble Truths of great Glassware design Understand the Glass ecosystem and learn why it's different Sidestep Glass's societal concerns in your projects Learn how Glass adapts to the user's world, rather than the other way around Avoid poor design by identifying Glassware antipatterns Build cloud services with the Google Mirror API Use the Glass Development Kit to develop client applications Submit your project for review in the

The Leadership Challenge James M. Kouzes 2010-08-27 The most trusted resource on becoming a leader is now updated and revised for a new generation. This leadership classic continues to be a bestseller after three editions and twenty years in print. It is the gold standard for research-based leadership, and the premier resource on becoming a leader. This new edition, with streamlined text, more international and business examples, and a graphic redesign, is more readable and accessible than ever before. The Leadership Challenge, Fourth Edition, has been extensively updated with the latest research and case studies, and offers inspiring new stories of real people achieving extraordinary results. The authors' central theme remains the same and is more relevant today than ever: "Leadership is Everyone's Business." Their "five practices" and "ten commitments" have been proven by hundreds of thousands of dedicated, successful leaders. This edition, with almost one-third new material, emphasizes the global community and refocuses on business leaders.
