**The Rocheforts** Christian Laborie 2015-05-05 Two very different families are bonded by scandal in this sweeping story of love, greed, and betrayal. Anselme Rochefort has built an empire manufacturing serge de Nimes, or denim. His biggest client? Levi Strauss. As the craze for blue jeans begins to sweep the globe, Rochefort Industries seems poised for untold success. But Anselme can be as cruel and ruthless with his family as he is in business. The Rocheforts' neighbor Donatien Rouviere has one of the region's most prosperous farms and is desperate for a son to carry on his legacy. After the births of three daughters, the Rouvieres adopt an orphan from the Sisters of Charity convent and raise him as their own. When Anselme suggests uniting the two families by arranging for their children to

marry, it seems like the perfect match. But as the lives of the two clans grow increasingly intertwined, dark secrets come to light, including the mysterious circumstances of the death of Anselme's eldest daughter. With The Rocheforts, Christian Laborie weaves a captivating tale of deceit, intrigue, and the dynamic tension between industrialization and a way of life rooted in the land.

**London Dynasty** Geneva Lee 2021-05-25 Kerrigan Belmond has everything I don't have. A name that opens doors, more money than god, an Oxford education, and rumors that she's caught the eye of Spencer Byrd, the heir to one of England's most powerful aristocratic families. I'm an orphan, running from a tragedy I can't face. Being mistaken for her is flattering until her father arrives at my door with an indecent proposal. His daughter

has fled her perfect life, and he wants me to step into her shoes until she can be coaxed back to her pedestal. The arrangement is simple. For one year, I will be Kerrigan Belmond. The perfect daughter. The charming socialite. The ideal future wife. For one year, I will do anything she would do. And for one year, I will keep the attention of Spencer at all costs. I can't say no, but as soon as I meet Spencer and his brother I realize the mistake I've made. To the outside world, the Byrds are London society and Spencer is the golden boy groomed to become prime minister. Behind closed doors, his family is as twisted and tangled as the web I'm walking into. Spencer demands loyalty. He expects discretion. And he's ready to claim the woman he's been promised in every way. Keeping him happy means I might lose more than a year of my life, but I can't turn down the proposition. Not with what the Belmonds have promised me in return. They say everyone has a price. I know mine. Ten million pounds.

Runaway bride – back in his bed!

Where There's a Kilt, There's a Way Ella Stainton 2021-03-23 Sweden, 1930 Two years ago, Dr. Ainsley Graham proved the existence of ghosts and fell in love—hard to top that. But a trip to Sweden to research at a prestigious university for the summer is nothing to sneeze at, especially since his partner, psychologist Joachim Cockburn, will be teaching

alongside him. A change of scenery might be just the thing. Their idyllic trip to Sweden is interrupted by a ghost with a proclivity for rude hand gestures and graphic curse words—and a ghastly history begging to be investigated. Life among the living is complicated, too, by a gruff professor who can't take his eyes off Ainsley, and an enticing new job offer for Joachim. What starts as an adventurous trip abroad turns into mayhem, murder, and...a magical moose? And everyone—well, perhaps not the moose—is a suspect in the death of the ghostly young man who brings them together to expose secrets, loves lost, and a crime that will shock them all. *Kilty Pleasures Book 1: Best Laid Plaids Book 2: Where There's a Kilt, There's a Way*

2015-05-16 A new shifter romance series from New York Times & USA

Today Bestselling author Cristina Rayne \*Previously published as

Transformation, Revelation, Ramification, and Infiltration. Book One:

Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the

worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying. **Get ready for your IVF** Gabriela Lacerda 2020-04-23 There is a limiting belief around in vitro fertilization (IVF) that must be reframed: the idea that it is only a technical, difficult, painful and artificial process. IVF is another one of those wonderful proofs of God's love towards us. Therefore, it is nothing but a christic alternative to enable men and women to achieve their paternity and maternity dreams. It was from this perspective that the author, Gabriela Lacerda, a former trying woman and mother of two children via assisted reproductions, shares with her readers a spiritual perspective about the most advanced treatment for couples who have difficulty to get pregnant. In this book, she talks about the metaphysical teachings that were essential to achieve her much-dreamed-of positive in her first in vitro fertilization attempt, giving life to her son Gael, and again, three years later, from the transfer of a single frozen embryo that enabled the arrival of her second son, Benício. What may be seen as good fortune from a distance, for her, who experienced it with a lot of energy, it was the

certainty that there was a spirituality watching over every detail of her journey as a conscious trying woman. The one that goes beyond physical symptoms and scarcity thoughts. The one that acknowledges that life goes beyond the visible, the material world. Welcome to the wonderful world of assisted reproduction from a spiritual perspective. Read each page with an open heart. It is safe to get pregnant easily via in vitro fertilization.

**Gods of Tin** James Salter 2010-05-21 A singular life often circles around a singular moment, an occasion when one's life in the world is defined forever and the emotional vocabulary set. For the extraordinary writer James Salter, this moment was contained in the fighter planes over Korea where, during his young manhood, he flew more than one hundred missions. James Salter is considered one of America's greatest prose stylists. "The Arm of Flesh "(later revised and retitled "Cassada") and his first novel, "the Hunters, "are legendary in military circles for their descriptions of flying and aerial combat. A former Air Force pilot who flew F-86 fighters in Korea, Salter writes with matchless insight about the terror and exhilaration of the pilot's life.
