*The Living Dead* George A. Romero 2020-08-04 "A horror landmark and a work of gory genius."—Joe Hill, New York Times bestselling author of *The Fireman* New York Times bestselling author Daniel Kraus completes George A. Romero's brand-new masterpiece of zombie horror, the massive novel left unfinished at Romero's death! George A. Romero invented the modern zombie with *Night of the Living Dead*, creating a monster that has become a key part of pop culture. Romero often felt hemmed in by the constraints of film-making. To tell the story of the rise of the zombies and the fall of humanity the way it should be told, Romero turned to fiction. Unfortunately, when he died, the story was incomplete. Enter Daniel Kraus, co-author, with Guillermo del Toro, of the New York Times bestseller *The Shape of Water* (based on the Academy Award-winning movie) and *Trollhunters* (which became an Emmy Award-winning series), and author of *The Death and Life of Zebulon Finch* (an Entertainment Weekly Top 10 Book of the Year). A lifelong Romero fan, Kraus was honored to be asked, by Romero's widow, to complete *The Living Dead*. Set in the present day, *The Living Dead* is an entirely new tale, the story of the zombie plague as George A. Romero wanted to tell it. It begins with one body. A pair of medical examiners find themselves battling a dead man who won't stay dead. It spreads quickly. In a Midwestern trailer park, a Black teenage girl and a Muslim immigrant battle newly-risen friends and family. On a US aircraft carrier, living sailors hide from dead ones while a fanatic makes a new religion out of death. At a cable news station, a surviving anchor keeps broadcasting while his undead colleagues try to devour him. In DC, an autistic federal employee charts the outbreak, preserving data for a future that may never come. Everywhere, people are targeted by both the living and the dead. We think we know how this story ends. We. Are. Wrong. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Do You Love Your Mom and Her Two-Hit Multi-Target Attacks?, Vol. 1 (manga)** 2019-09-03 A Momentous Debut! High school gamer Masato Oosuki is stoked to be transported into a video game world and given the chance to show off his chops...but why is his doting, embarrassing mother in the game with him too?! And why is she so good at it?! Welcome to a whole new kind of momcom role-playing adventure based on the original light novel series!

*An Enchantment of Ravens* Margaret Rogerson 2017-09-26 An instant New York Times bestseller! An Indie Next Top 10 Pick A Parents' Choice Silver Honor Winner "A funny, action-packed, and sweet romance." —School Library Journal (starred review) "A phenomenal read." —RT Book Reviews A skilled painter must stand up to the ancient power of the faerie courts—even as she

falls in love with a faerie prince—in this gorgeous bestseller that's "an ideal pick for fans of Holly Black, Maggie Stiefvater, and Laini Taylor" (Publishers Weekly, starred review). Isobel is an artistic prodigy with a dangerous set of clients: the sinister fair folk, immortal creatures who cannot bake bread or put a pen to paper without crumbling to dust. They crave human Craft with a terrible thirst, and Isobel's paintings are highly prized. But when she receives her first royal patron—Rook, the autumn prince—she makes a terrible mistake. She paints mortal sorrow in his eyes—a weakness that could cost him his life. Furious, Rook spirits her away to his kingdom to stand trial for her crime. But something is seriously wrong in his world, and they are attacked from every side. With Isobel and Rook depending on each other for survival, their alliance blossoms into trust, then love—and that love violates the fair folks' ruthless laws. Now both of their lives are forfeit, unless Isobel can use her skill as an artist to fight the fairy courts. Because secretly, her Craft represents a threat the fair folk have never faced in all the millennia of their unchanging lives: for the first time, her portraits have the power to make them feel.

**Banana Sunday** Root Nibot 2006-03-28 Kirby Steinberg has trouble fitting into her new high school, which is not so surprising considering she is the guardian of three intelligent, talking monkeys who are attending the school as well, and have a secret of their own.

*Station Eleven* Emily St. John Mandel 2014-09-09 NATIONAL BESTSELLER • NATIONAL BOOK AWARD FINALIST • A PEN/FAULKNER AWARD FINALIST • Set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. • Now an original series on HBO Max. • Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of *King Lear*. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves *The Traveling Symphony*, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in *St. Deborah by the Water*, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's bestselling new novel, *Sea of Tranquility*!

*Plants vs. Zombies: Garden Warfare Volume 3* Paul Tobin 2019-11-26 Following up the best-selling *Plants vs. Zombies: Garden Warfare* Volumes 1 and 2 graphic novels, our plant and human allies strive to survive in a Neighborville that's been ruthlessly occupied by those brain-loving zombies. With most of the town's humans in hiding, it's up to powerful plants of all sizes--plus Crazy Dave, Nate, and Patrice--to combat Dr. Zomboss's latest lockdown! When Zomboss creates kid robots to mimic Nate and Patrice and lead the plants astray, Crazy Dave unleashes some new inventions--and introduces some surprising additions to the Neighborville team! Paul Tobin (Bandette) and Jacob Chabot

(Spongebob Comics) team up for another nail-biting romp through the danger zone known as Neighborville in *Plants vs. Zombies: Garden Warfare Volume 3!*

**The Art of Problem Solving, Volume 1** Sandor Lehoczky 2006 " ... offer[s] a challenging exploration of problem solving mathematics and preparation for programs such as MATHCOUNTS and the American Mathematics Competition."--Back cover

**Plants vs. Zombies Volume 14: A Little Problem** Paul Tobin 2019-10-22 Dr. Zomboss creates an army of teeny zombies to try and sneak up on all the brains in Neighborville! To battle these miniscule menaces, the plants, Crazy Dave, Patrice, and Nate must shrink themselves to have any chance at defeating the zombies. But how will Neighborville's insects react to the invasion of their turf-of-the-tiny? And will this miniature zombie invasion mean the party for Crazy Dave's two-hundred-year-old pants gets cancelled? Don't miss the latest volume of the critically-acclaimed *Plants vs. Zombies* series that sees Eisner Award-winning writer Paul Tobin (Bandette) collaborating with artist Sara Ester Soler (Red & Blue) for this standalone graphic novel!

*Rot & Ruin* Jonathan Maberry 2010-09-14 In the zombie-infested, post-apocalyptic America where Benny Imura lives, every teenager must find a job by the time they turn fifteen or get their rations cut in half. Benny doesn't want to apprentice as a zombie hunter with his boring older brother Tom, but he has no choice. He expects a tedious job whacking zoms for cash, but what he gets is a vocation that will teach him what it means to be human.

*The Origin of Consciousness in the Breakdown of the Bicameral Mind* Julian Jaynes 2000-08-15 National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—*American Journal of Psychiatry*

*Dark Ecology* Timothy Morton 2016-04-12 Timothy Morton argues that ecological awareness in the present Anthropocene era takes the form of a strange loop or Möbius strip, twisted to have only one side. Deckard travels this oedipal path in *Blade Runner* (1982) when he learns that he might be the enemy he has been ordered to pursue. Ecological awareness takes this shape because ecological phenomena have a loop form that is also fundamental to the structure of how things are. The logistics of agricultural society resulted in global warming and hardwired dangerous ideas about life-forms into the human mind. Dark ecology puts us in an uncanny position of radical self-knowledge, illuminating our place in the biosphere and our belonging to a species in a sense that is far less obvious than we like to think. Morton explores the logical foundations of the ecological crisis, which is suffused with the melancholy and negativity of coexistence yet evolving, as we explore its loop form, into something playful, anarchic, and comedic. His work is a skilled fusion of humanities and scientific scholarship, incorporating the theories and findings of philosophy, anthropology, literature, ecology, biology, and physics. Morton hopes to reestablish our ties to nonhuman beings and to help us rediscover the playfulness and joy that can brighten the dark, strange loop we traverse.

**Zombie Turkeys** Andy Zach 2016-10-17 Sam Melvin, an underachieving e-reporter from a small town, changes forever when he meets turkeys that won't stay dead. You can shoot 'em, chop 'em, burn 'em—they come back stronger. The undead plague of poultry spreads uncontrollably, rocking the whole country. As

Sam tracks down the zombie turkeys and how to eradicate them, his editor, Lisa Kambacher, nags him to turn his stories and expenses in on time. During their years of working together, Lisa has mellowed from bitchy into an irascible pinchpenny. Lisa snipes at Sam for plebeian writing but uses her intelligence to pursue the lucrative carnivorous turkey story. Sam and Lisa ricochet across the landscape, tracking turkeys and fleeing the bloodthirsty hordes. Careening from shell-shocked grocery store owners fighting turkeys crawling out of refrigerators, to machine-gunning turkey farmers, to secret militia, Sam and Lisa doggedly report. Throughout the turkey apocalypse, they dare ravaged cities, plow knee deep in gore and corpses, and upload streams of zombie turkey video news to the world. With paranoid militias clashing with the federal government and unkillable turkeys, Sam and Lisa doubt their ability to survive. Sam and Lisa have no superpowers. If you have a heart condition or lack humor, you should not read *Zombie Turkeys*, no matter how much you want to find out what happens.

**Plants vs. Zombies #9: Petal to the Metal** Paul Tobin 2016-02-17 Dr. Zomboss unleashes a horde of mobile, fast-moving zombies on the innocent citizens of Neighborville! Riding inventive hot rods and crazy contraptions, both zombie and plant forces alike pull out all the creative stops in a series of contests to win control over the city! A competitive, race-filled finale as our Petal to the Metal story arc closes! "The comedy jumps from each and every page, and the preposterous nature of the whole thing is just golden."—Dread Central

*Ambiguous Loss* Pauline BOSS 2009-06-30 When a loved one dies we mourn our loss. We take comfort in the rituals that mark the passing, and we turn to those around us for support. But what happens when there is no closure, when a family member or a friend who may be still alive is lost to us nonetheless? How, for example, does the mother whose soldier son is missing in action, or the family of an Alzheimer's patient who is suffering from severe dementia, deal with the uncertainty surrounding this kind of loss? In this sensitive and lucid account, Pauline Boss explains that, all too often, those confronted with such ambiguous loss fluctuate between hope and hopelessness. Suffered too long, these emotions can deaden feeling and make it impossible for people to move on with their lives. Yet the central message of this book is that they can move on. Drawing on her research and clinical experience, Boss suggests strategies that can cushion the pain and help families come to terms with their grief. Her work features the heartening narratives of those who cope with ambiguous loss and manage to leave their sadness behind, including those who have lost family members to divorce, immigration, adoption, chronic mental illness, and brain injury. With its message of hope, this eloquent book offers guidance and understanding to those struggling to regain their lives. Table of Contents: 1. Frozen Grief 2. Leaving without Goodbye 3. Goodbye without Leaving 4. Mixed Emotions 5. Ups and Downs 6. The Family Gamble 7. The Turning Point 8. Making Sense out of Ambiguity 9. The Benefit of a Doubt Notes Acknowledgments Reviews of this book: You will find yourself thinking about the issues discussed in this book long after you put it down and perhaps wishing you had extra copies for friends and family members who might benefit from knowing that their sorrows are not unique...This book's value lies in its giving a name to a force many of us will confront--sadly, more than once--and providing personal stories based on 20 years of interviews and research. -- Pamela Gerhardt, *Washington Post* Reviews of this book: A compassionate exploration of the effects of ambiguous loss and how those experiencing it handle this most devastating of losses ... Boss's approach is to encourage families to talk together, to reach a consensus about how to mourn that which has been lost and how to celebrate that which remains. Her simple stories of families doing just that contain lessons for all. Insightful, practical, and refreshingly free of psychobabble. --Kirkus Review Reviews of this book: Engagingly written and richly rewarding, this title presents what Boss has learned from many years of treating individuals and families suffering from uncertain or incomplete loss...The obvious depth of the author's understanding of sufferers of ambiguous loss and the facility with which she communicates that understanding make this a book to be recommended. --R. R. Cornelli, *Choice* Reviews of this book: Written for a wide

readership, the concepts of ambiguous loss take immediate form through the many provocative examples and stories Boss includes. All readers will find stories with which they will relate...Sensitive, grounded and practical, this book should, in my estimation, be required reading for family practitioners. --Ted Bowman, Family Forum Reviews of this book: Dr. Boss describes [the] all-too-common phenomenon [of unresolved grief] as resulting from either of two circumstances: when the lost person is still physically present but emotionally absent or when the lost person is physically absent but still emotionally present. In addition to senility, physical presence but psychological absence may result, for example, when a person is suffering from a serious mental disorder like schizophrenia or depression or debilitating neurological damage from an accident or severe stroke, when a person abuses drugs or alcohol, when a child is autistic or when a spouse is a workaholic who is not really 'there' even when he or she is at home...Cases of physical absence with continuing psychological presence typically occur when a soldier is missing in action, when a child disappears and is not found, when a former lover or spouse is still very much missed, when a child 'loses' a parent to divorce or when people are separated from their loved ones by immigration...Professionals familiar with Dr. Boss's work emphasised that people suffering from ambiguous loss were not mentally ill, but were just stuck and needed help getting past the barrier or unresolved grief so that they could get on with their lives. --Asian Age Combining her talents as a compassionate family therapist and a creative researcher, Pauline Boss eloquently shows the many and complex ways that people can cope with the inevitable losses in contemporary family life. A wise book, and certain to become a classic. --Constance R. Ahrons, author of *The Good Divorce* A powerful and healing book. Families experiencing ambiguous loss will find strategies for seeing what aspects of their loved ones remain, and for understanding and grieving what they have lost. Pauline Boss offers us both insight and clarity. --Kathy Weingarten, Ph.D, The Family Institute of Cambridge, Harvard Medical School

**The Complete Prophecies of Nostradamus** Nostradamus 2013-01-03 Here are the complete prophecies of Nostradamus. Nostradamus is the best known and most accurate mystic and seer of all times. There are those who say that he predicted Napoleon and even the attack on the World Trade Center. Read the prophecies and judge for yourself.

The Flying McCoy's Glenn McCoy 2011-10-01 This zany strip enters the comic-collection scene with circus-like zeal. All that's missing is a parade of elephants and a clown-car escort. Gary and Glenn McCoy's delightfully absurd comic panel blends superheroes, office humor, huggable animals, and twisted relationships in a bizarre marriage of Gary Larson, the New Yorker, Conan O'Brien, and Mad Magazine. Put succinctly, the brothers McCoy present "comics for a bold new world." Creating a world where greeting cards heal hospital patients, police officers pull over children driving bumper cars, babies use the patch to quell the pacifier habit, and nudists find out what constitutes a stalker in their colony, the St. Louis area natives alternate writing and drawing duties for the daily panel. The brothers each have been nominated for multiple National Cartoonists Society awards, and Glenn has won in three categories. Gary McCoy's past as a comedian (he won HBO's Stand-Up Stand-Off contest for the St. Louis area in 1995) also shines through in the strip's offbeat humor. Their impressive freelance client list reads like a who's who in cartooning: Disney, DreamWorks, and Hyperion, to name just a few.

*Save Me the Plums* Ruth Reichl 2019-04-02 NEW YORK TIMES BESTSELLER • Trailblazing food writer and beloved restaurant critic Ruth Reichl took the job (and the risk) of a lifetime when she entered the high-stakes world of magazine publishing. Now, for the first time, she chronicles her groundbreaking tenure as editor in chief of *Gourmet*. "A must for any food lover . . . Reichl is a warm, intimate writer. She peels back the curtain to a glamorous time of magazine-making. You'll tear through this memoir."—Refinery29 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Real Simple • Good Housekeeping • Town & Country When Condé Nast offered Ruth Reichl the top position at America's oldest epicurean magazine, she declined. She was a writer, not a manager, and had no inclination to be anyone's boss. Yet Reichl had been reading *Gourmet* since she was eight; it had inspired her

career. How could she say no? This is the story of a former Berkeley hippie entering the corporate world and worrying about losing her soul. It is the story of the moment restaurants became an important part of popular culture, a time when the rise of the farm-to-table movement changed, forever, the way we eat. Readers will meet legendary chefs like David Chang and Eric Ripert, idiosyncratic writers like David Foster Wallace, and a colorful group of editors and art directors who, under Reichl's leadership, transformed stately *Gourmet* into a cutting-edge publication. This was the golden age of print media—the last spendthrift gasp before the Internet turned the magazine world upside down. Complete with recipes, *Save Me the Plums* is a personal journey of a woman coming to terms with being in charge and making a mark, following a passion and holding on to her dreams—even when she ends up in a place she never expected to be. Praise for *Save Me the Plums* "Poignant and hilarious . . . simply delicious . . . Each serving of magazine folklore is worth savoring. In fact, Reichl's story is juicier than a Peter Luger porterhouse. Dig in."—The New York Times Book Review "In this smart, touching, and dishy memoir . . . Ruth Reichl recalls her years at the helm of *Gourmet* magazine with clear eyes, a sense of humor, and some very appealing recipes."—Town & Country "If you haven't picked up food writing queen Ruth Reichl's new book, *Save Me the Plums*, I highly recommend you fix that problem. . . . Reichl is in top form and ready to dish, with every chapter seeming like a dedicated behind-the-scenes documentary on its own."—Soleil Ho, San Francisco Chronicle

**Eligible** Curtis Sittenfeld 2016-04-19 NEW YORK TIMES BESTSELLER • Wonderfully tender and hilariously funny, *Eligible* tackles gender, class, courtship, and family as Curtis Sittenfeld reaffirms herself as one of the most dazzling authors writing today. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE TIMES (UK) This version of the Bennet family—and Mr. Darcy—is one that you have and haven't met before: Liz is a magazine writer in her late thirties who, like her yoga instructor older sister, Jane, lives in New York City. When their father has a health scare, they return to their childhood home in Cincinnati to help—and discover that the sprawling Tudor they grew up in is crumbling and the family is in disarray. Youngest sisters Kitty and Lydia are too busy with their CrossFit workouts and Paleo diets to get jobs. Mary, the middle sister, is earning her third online master's degree and barely leaves her room, except for those mysterious Tuesday-night outings she won't discuss. And Mrs. Bennet has one thing on her mind: how to marry off her daughters, especially as Jane's fortieth birthday fast approaches. Enter Chip Bingley, a handsome new-in-town doctor who recently appeared on the juggernaut reality TV dating show *Eligible*. At a Fourth of July barbecue, Chip takes an immediate interest in Jane, but Chip's friend neurosurgeon Fitzwilliam Darcy reveals himself to Liz to be much less charming. . . . And yet, first impressions can be deceiving. Praise for *Eligible* "Even the most ardent Austenite will soon find herself seduced."—O: The Oprah Magazine "Blissful . . . Sittenfeld modernizes the classic in such a stylish, witty way you'd guess even Jane Austen would be pleased."—People (book of the week) "[A] sparkling, fresh contemporary retelling."—Entertainment Weekly "[Sittenfeld] is the ideal modern-day reinterpreter. Her special skill lies not just in her clear, clean writing, but in her general amusement about the world, her arch, pithy, dropped-mike observations about behavior, character and motivation. She can spot hypocrisy, cant, self-contradiction and absurdity ten miles away. She's the one you want to leave the party with, so she can explain what really happened. . . . Not since *Clueless*, which transported Emma to Beverly Hills, has Austen been so delightfully interpreted. . . . Sittenfeld writes so well—her sentences are so good and her story so satisfying. . . . As a reader, let me just say: Three cheers for Curtis Sittenfeld and her astute, sharp and ebullient anthropological interest in the human condition."—Sarah Lyall, The New York Times Book Review "A clever, uproarious evolution of Austen's story."—The Denver Post "If there exists a more perfect pairing than Curtis Sittenfeld and Jane Austen, we dare you to find it. . . . Sittenfeld makes an already irresistible story even more beguiling and charming."—Elle "A playful, wickedly smart retelling of Jane Austen's *Pride and Prejudice*."—BuzzFeed "Sittenfeld is an obvious choice to re-create Jane Austen's comedy of manners. [She] is a master at dissecting

social norms to reveal the truths of human nature underneath.”—The Millions “A hugely entertaining and surprisingly unpredictable book, bursting with wit and charm.”—The Irish Times “An unputdownable retelling of the beloved classic.”—PopSugar

Plants vs. Zombies Volume 17: Multi-ball-istic Paul Tobin

2020-12-29 Will Flora the Sunflower and Neighborville's plant platoon hit a triple-bonus combo or will their efforts ride the outlanes to certain loss? Enjoy this hilariously pinball-primed Plants vs. Zombies tale crafted by series veteran Paul Tobin! Plunge into another battle between plants and zombies as Dr. Zomboss turns the entirety of Neighborville into a giant, fully-functional pinball machine! With bumpers, flippers, and pegs meticulously scattered across town by the zombie pinball wizard himself, Nate, Patrice, and their plant posse must find a way to revert Neighborville to its normal state and halt this uniquely horrifying zombie invasion. With every ball and bumper set against them, will they hit a run of zombie knock-out skill shots--or will the battle go full tilt zombies?! Eisner Award-winning writer Paul Tobin (Bandette, Genius Factor) collaborates with artist Christianne Gillenardo-Goudreau (Plants vs. Zombies: Better Homes and Gardens) for a brand-new Plants vs. Zombies journey! *This Is Not a Test* Courtney Summers 2012-06-19 Barricaded in Cortège High with five other teens while zombies try to get in, Sloane Price observes her fellow captives become more unpredictable and violent as time passes although they each have much more reason to live than she has.

**Frontier Follies** Ree Drummond 2020-11-17 New York Times bestseller A down-to-earth, hilarious collection of stories and musings on marriage, motherhood, and country life from the #1 New York Times bestselling author and star of the Food Network show *The Pioneer Woman*, Ree Drummond. Once upon a time, I lost my marbles and married a sexy, Wrangler-wearing cowboy named Ladd. That single decision would wind up setting the stage for years of rural adventures (and misadventures), and while I can't imagine my life being any different, raising a family in the “idyllic” countryside has not been without a few bumps in the road. (Or were those cow patties? It's hard to tell the difference sometimes.) I'm excited to share this crazy collection of true stories from my full-of-energy, hard-to-tame, wonderfully wild (and very weird) frontier family. From the unique challenges of being married to a rancher to the blood, sweat, mud, and tears of raising country kids, I'll pull back the curtain and let you in on some of the sh\*t and shenanigans that have really gone on here on Drummond Ranch over the past two-plus decades. You'll learn about marital spats, run-ins with wildlife, ER visits, my parenting neuroses, triumphs, tribulations, love, loss . . . and how manure has somehow managed to weave its way through all of it. To keep things up to the minute, you'll also hear about more recent family developments that have tested my sanity and pushed me to the brink. (And pleasantly surprised me, too.) This book is both a love letter and a laugh letter, and I hope you get a big kick out of it all: the good, the bad, and the dirty. Mostly, I hope it demonstrates how much I adore this family of mine . . . even if I sometimes have to use rubber snakes to show it.

**The Android's Dream** John Scalzi 2007-04-01 From New York Times bestseller and Hugo Award-winner John Scalzi, a wild-and-woolly caper novel of interstellar diplomacy A human diplomat creates an interstellar incident when he kills an alien diplomat in a most . . . unusual . . . way. To avoid war, Earth's government must find an equally unusual object: a type of sheep (“The Android's Dream”), used in the alien race's coronation ceremony. To find the sheep, the government turns to Harry Creek, ex-cop, war hero and hacker extraordinaire, who, with the help of a childhood friend turned artificial intelligence, scours the earth looking for the rare creature. But there are others with plans for the sheep as well. Mercenaries employed by the military. Adherents of a secret religion based on the writings of a 21st century SF author. And alien races, eager to start a revolution on their home world and a war on Earth. To keep our planet from being enslaved, Harry will have to pull off a grand diplomatic coup, a gambit that will take him from the halls of power to the lava-strewn battlefields of alien worlds. There's only one chance to get it right, to save the life of the sheep—and to protect the future of humanity. Other Tor Books *The Android's Dream Agent to the Stars Your Hate Mail Will Be*

Kick at the Darkness Keira Andrews 2017-07-21 To live through the zombie apocalypse they have to survive each other first. College freshman Parker Osborne is having the worst day ever. He humiliated himself trying to pick up a cute guy, he hasn't made any friends at school, and his stupidly hot jerk of a TA gave him a crappy grade on his paper. He's going to drop Adam Hawkins' film class and start fresh tomorrow after he's had a good sulk. But Parker's about to find out what a bad day really looks like—if he can survive the night. A virus is unleashed, transforming infected people into zombie-like killers. After these quick and deadly creepers swarm campus, Parker only escapes thanks to Adam swooping him onto the back of his trusty motorcycle. Now they're on the run—and stuck with each other. When they're not bickering, they're fighting off the infected in a bloody battle for survival. Their only hope is to head east to Parker's family, but orphaned Adam has a secret he's not sure Parker will accept: he's a werewolf. Can they trust each other enough to find some light in these dark days? This gay romance from Keira Andrews features enemies to lovers, a really stressful road trip, two young men finding love in the zombie apocalypse, and of course a happy ending. Book one in the Kick at the Darkness m/m shifter romance series.

Humor, Seriously Jennifer Aaker 2021-02-02 WALL STREET JOURNAL, LOS ANGELES TIMES, AND USA TODAY BESTSELLER • Anyone—even you!—can learn how to harness the power of humor in business (and life), based on the popular class at Stanford's Graduate School of Business. Don't miss the authors' TED Talk, “Why great leaders take humor seriously,” online now. “The ultimate guide to using the magical power of funny as a tool for leadership and a force for good.”—Daniel H. Pink, #1 New York Times bestselling author of *When and Drive* We are living through a period of unprecedented uncertainty and upheaval in both our personal and professional lives. So it should come as a surprise to exactly no one that trust, human connection, and mental well-being are all on the decline. This may seem like no laughing matter. Yet, the research shows that humor and laughter are among the most valuable tools we have at our disposal for strengthening bonds and relationships, diffusing stress and tension, boosting resilience, and performing when the stakes are high. That's why Jennifer Aaker and Naomi Bagdonas teach the popular course *Humor: Serious Business* at the Stanford Graduate School of Business, where they help some of the world's most hard-driving, blazer-wearing business minds infuse more humor and levity into their work and lives. In *Humor, Seriously*, they draw on findings by behavioral scientists, world-class comedians, and inspiring business leaders to reveal how humor works and—more important—how you can use more of it, better. Aaker and Bagdonas unpack the theory and application of humor: what makes something funny, how to mine your life for material, and simple ways to identify and leverage your unique humor style. They show how to use humor to rebuild vital connections; appear more confident, competent, and authentic at work; and foster cultures where levity and creativity can thrive. President Dwight David Eisenhower once said, “A sense of humor is part of the art of leadership, of getting along with people, of getting things done.” If Dwight David Eisenhower, the second least naturally funny president (after Franklin Pierce), thought humor was necessary to win wars, build highways, and warn against the military-industrial complex, then you might consider learning it too.

**Angry Birds** Danny Graydon 2013 In 2009 Rovio Entertainment wowed the world when it unleashed an unlikely phenomenon, 'Angry Birds'. This book goes behind the scenes to deliver in-depth insight into the remarkable artistry that goes into creating each game. It also features artwork and revealing interviews with the game's creators.

**Hacker, Hoaxer, Whistleblower, Spy** Gabriella Coleman

2015-10-06 The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the Huffington Post says “knows all of Anonymous’ deepest, darkest secrets” “A work of anthropology that sometimes echoes a John le Carré novel.” —Wired Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside-outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of “trolling,” the ethics and metaphysics of hacking, and the origins and manifold meanings of “the lulz.”

**Plants vs Zombies: Timepocalypse** Paul Tobin 2015-01-20 PopCap's immensely popular Plants vs. Zombies game gets another serving of hilarious, plant-filled, zombie-zapping comics! Crazy Dave--the babbling-yet-brilliant inventor and top-notch neighborhood defender--helps his niece, Patrice, and young adventurer Nate Timely fend off Zomboss's latest global attack in Plants vs. Zombies: Timepocalypse! This new, standalone tale will tickle your funny bones and thrill . . . your brains! Paul Tobin (Bandette, Plants vs. Zombies: Lawnmageddon Falling Skies) and Ron Chan (The Guild, Husbands) join forces with a bevy of time-tossed plants to deliver a hilarious, all-ages romp to your timeline!

**Death Troopers** Joe Schreiber 2010-10 A horror tale set in the Star Wars universe follows the harrowing experiences of the crew of an Imperial prison barge that scavenges an abandoned Star Destroyer when their own ship breaks down, a mission after which surviving team members bring back a lethal infection. Reprint. A best-selling book.

*Undead Girl Gang* Lily Anderson 2018-05-08 "A fun, fast read...it will resonate with readers who dabble in any sort of arts, dark or otherwise." --NPR.org "With a singular and hilariously cutting teen voice, UNDEAD GIRL GANG is sure to be one of the most talked-about YA novels of the year." --BookPage Veronica Mars meets The Craft when a teen girl investigates the suspicious deaths of three classmates and accidentally ends up bringing them back to life to form a hilariously unlikely--and unwilling--vigilante girl gang. Meet teenage Wiccan Mila Flores, who truly could not care less what you think about her Doc Martens, her attitude, or her weight because she knows that, no matter what, her BFF Riley is right by her side. So when Riley and Fairmont Academy mean girls June Phelan-Park and Dayton Nesselth die under suspicious circumstances, Mila refuses to believe everyone's explanation that her BFF was involved in a suicide pact. Instead, armed with a tube of lip gloss and an ancient grimoire, Mila does the unthinkable to uncover the truth: she brings the girls back to life. Unfortunately, Riley, June, and Dayton have no recollection of their murders. But they do have unfinished business to attend to. Now, with only seven days until the spell wears off and the girls return to their graves, Mila must wrangle the distracted group of undead teens and work fast to discover their murderer...before the killer strikes again.

**The Art of Horror** Stephen Jones 2015 THE ART OF HORROR: AN ILLUSTRATED HISTORY

Plants Vs. Zombies Paul Tobin 2015 "Young adventurers Patrice and Nate have followed neighborhood defender Crazy Dave throughout time--but are they ready to investigate a school campus to keep the streets safe from zombies? In Plants vs.

Zombies: Bully For You, they'll be visiting a very strange college in an attempt to take down Dr. Zomboss yet again--and any school visit's tolerable if you get to battle zombies! Paul Tobin (Prometheus, Bandette) and Ron Chan (The Guild, X-Men) join forces with the mysterious Anti-Bully Squad to deliver a hilarious, all-ages romp to your school! Featuring special bonus stories illustrated by acclaimed creators Dustin Nguyen, Jennifer Meyer, and Peter Bagge!"--Amazon.com.

**Garfield** Jim Davis 2013-12-18 Join Garfield as he begins his comic book exploits with Jon, Odie, and the rest of the gang in this all-ages must-read from KaBOOM! THE GARFIELD SHOW writer and comics luminary Mark Evanier teams up with beloved Garfield strip cartoonist Gary Barker to bring you all the laughs (and lasagna) you can handle.

It Only Happens in the Movies Holly Bourne 2020 Audrey gave up on romance before meeting aspiring filmmaker Harry at the cinema where they work, but soon they are deeply in love--and not like it is portrayed in movies.

**Angry Squad** Lucas Scheffel 2022-01-08 With the help of a past lover, Angry Fred and his team of rag-tag misfits set out to stop a deluded soldier from wreaking havoc across Las Vegas. Like a 1960s Elvis movie, the heroine's fate will be decided by a car race through the desert!When Angry Fred's war buddy Battle Jackson and former lover Rusty Moores come back from the dead, it's on for young and old. Battle Jackson was Angry Fred's right-hand man during the Vietnam War until he came home in a body bag. Now he's an unhinged war veteran with a second life, unstoppable powers, and nothing to lose. The sexy and seductive Rusty Moores adds to the mayhem by leading Angry Fred astray into an emotional no man's land.It's now up to the Angry Squad to stop a twisted love triangle and the tyranny of emotions from taking down the man they call Angry.

**Have You Eaten Grandma?** Gyles Brandreth 2019-08-13 For anyone who wants to make fewer (not less) grammar mistakes, a lively, effective, and witty guide to all the ins and outs of the English language, reminiscent of the New York Times bestseller Eats, Shoots & Leaves. Our language is changing, literary levels are declining, and our grasp of grammar is at a crisis point. From commas to colons, apostrophes to adverbs, there are countless ways we can make mistakes when writing or speaking. But do not despair! Great Britain's most popular grammar guru has created the ultimate modern manual for English speakers on both sides of the Atlantic. In this brilliantly funny and accessible guide to proper punctuation and so much more, Gyles Brandreth explores the linguistic horrors of our times, tells us what we've been doing wrong and shows us how, in the future, we can get it right every time. Covering everything from dangling participles to transitive verbs, from age-old conundrums like “lay” vs. “lie,” to the confounding influences of social media on our everyday language, *Have You Eaten Grandma?* is an endlessly useful and entertaining resource for all.

**Horrorstor** Grady Hendrix 2014-09-23 From the New York Times best-selling author of *The Southern Book Club's Guide to Slaying Vampires* comes a hilarious and terrifying haunted house story in a thoroughly contemporary setting: a furniture superstore. Something strange is happening at the Orsk furniture superstore in Cleveland, Ohio. Every morning, employees arrive to find broken Kjerring bookshelves, shattered Glans water goblets, and smashed Liripip wardrobes. Sales are down, security cameras reveal nothing, and store managers are panicking. To unravel the mystery, three employees volunteer to work a nine-hour dusk-till-dawn shift. In the dead of the night, they'll patrol the empty showroom floor, investigate strange sights and sounds, and encounter horrors that defy the imagination.

Thicker Than Blood Madeline Sheehan 2015-01-06 What the Vaal Fever didn't destroy, mankind is trying to ... Leisel and Evelyn both made deathbed promises to their husbands: they would do everything they could to survive. But in a misogynist world where women are little more than pets or cattle, circumstances force them out into a world where zombies are the least of their troubles. In a savage society, is there room for love?
