F*cking History The Captain 2020-08-11 History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-f*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badasses. The Captain shows you how.

Finding Pax Kaci Cronkhite 2018-09-18 'The boat appeared when I didn't expect or, frankly, need her. My bucket list was empty. Life was full...But sailing towards me was a boat that would stir the waters, waking decades of loss, revealing history untold, and restoring a legacy that was lost in the wind. For her and for me, I had to wade into that water. I had to go, to search, to find.' Having fallen hopelessly in love with a 1930s Danish spidsgatter, a beautifully constructed 25 ft wooden double-ender, Kaci embarks on an international search to unravel the mystery of the boat's past, and discovers the many lives Pax touched since she first hit the water in 1936. Kaci Cronkhite's seven year search for Pax's history is an elegant little gem, taking the reader aboard not only for sublime, wind-filled sails but also to eavesdrop the conversations and relationships that are built as she learns more about Pax's past, whilst hugely enjoying her present. Finding Pax is a story of discovery and reconnection like no other. The writing is poetic, spare, and full of wisdom: 'In sailing, in weather, in life and death, answers are not endings and questions are not to be feared. The unknowns keep us moving forward.'
