Wild Child (a Soul Sister Novel) Audrey Carlan 2020-11-02 The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. Twice my life changed in a single day. The first was when I lost my parents. Hand in hand I walked with my big sister up the steps of Kerrighan House, a foster home for girls. We were lucky to be met with open arms and a house filled with children just like us. Children who'd lost everything. From that day forward, we were raised as one big family. Our bonds of sisterhood were strengthened through shared experience, pain, sacrifice, and love. Sisters not by blood, but by choice. Soul sisters. The second day my life changed was on the worst day of my adult life. My boyfriend broke up with me via text. My sleazy boss hit on me, forcing me to quit a job I desperately needed. And the cherry on top, was getting pulled over by an FBI Agent. Little did I know, he'd also save my life that night. From the moment we met, Agent Fontaine wouldn't dare let me out of his sight. And between his alpha ways, kind brown eyes, and heroism, I was lost to the man who hid behind his job. But this agent had a rule: never fall for a woman you've saved. Yet I wasn't just any woman. I was known among my sisters for taking risks and dreaming big. I was the wild child of the group. We were raised to appreciate every day as the gift it was, and not let anything stand in our way. The more I got to know the brooding, serious FBI man, the more I realized maybe it was my duty to save him.

Death Waits in the Dark Mark Edward Langley 2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man

camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
