Shake It Up J. Kenner 2018-05-01
There are a million reasons why I need to stop thinking about Taylor

D'Angelo naked. She's too young for me, for starters. She's too ambitious. She's my job. Romance was the last thing on my mind when I agreed to look into her stalker as a favor. Now, she's all I can think

about--and in every position I can imagine. But I'm not the only one obsessing, and the threats against her are intensifying along with our connection. If I give in, if I let our bodies take over, it could draw her stalker out. Our passion could save her. Or it could destroy us both.

Say My Name J. Kenner 2015-04-07 New York Times bestselling author J. Kenner kicks off a smoking hot, emotionally compelling trilogy that returns to the world of her beloved Stark novels: Release Me, Claim Me, and Complete Me. Say My Name features Jackson Steele, a strong-willed man who goes after what he wants, and Sylvia Brooks, a disciplined woman who's hard to get--and exactly who Jackson needs. I never let anyone get too close--but he's the only man who's

ever made me feel alive. Meeting Jackson Steele was a shock to my senses. Confident and commanding, he could take charge of any room . . . or any woman. And Jackson wanted me. The mere sight of him took my breath away, and his touch made me break all my rules. Our bond was immediate, our passion untamed. I wanted to surrender completely to his kiss, but I couldn't risk his knowing the truth about my past. Yet Jackson carried secrets too, and in our desire we found our escape, pushing our boundaries as far as they could go. Learning to trust is never easy. In my mind, I knew I should run. But in my heart, I never felt a fire this strong--and it could either save me or scorch me forever. Praise for Say My Name "Readers who need more of Kenner's racy, sizzling Stark novels

will delight in this new series, set in the same decadent, lavish world. . . Kenner has crafted a hero whose compassion is remarkable, and who is strong enough not only to apologize and to change, but to offer her the kind of love she wants and needs, as well. . . . Fans of dark, intense and emotionally scorching romances will surely adore this series opener.”—RT Book Reviews “It’s a heady mix of love and intrigue, and Kenner continues to deliver a knockout experience that made me long for the next book even as I was more than satisfied with this story’s ending. To say more would give too much away, and I encourage everyone who loved the original Stark trilogy to read Say My Name to find out what’s there for themselves.”—The Romance Evangelist “J. Kenner has given us

one hell of a story with this start to the Stark International series. And if anyone can give Damien Stark a run for his money, it’s Jackson Steele.”—Cocktails and Books “If you enjoyed the Stark novels, you are going to love Say My Name!”—Reading Keeps Me Sane

On My Knees J. Kenner 2015-06-23

NATIONAL BESTSELLER Jackson Steele and Sylvia Brooks continue to thrill in the second novel of a scintillating, emotionally charged trilogy that returns to the world of J. Kenner's beloved Stark novels: Release Me, Claim Me, and Complete Me. I never thought I'd lose control, but his desire took me right to the edge. Powerful, ambitious, and devastatingly sexy, Jackson Steele

was unlike any other man I'd ever known. He went after what he wanted with his whole mind, body, and soul—and I was the woman in his sights. One touch and I surrendered, one night together and I was undone. Jackson and I had secrets, dark pieces of our pasts that threatened to swallow us both. We couldn't outrun our demons, or the people trying to tear us apart. But in our passion we found salvation, and in each other's arms we found release. I was scared to trust Jackson fully, to finally let go. Yet no matter the dangers that lay ahead, I knew I was his—and now that we've laid claim, there's no more holding back. Praise for *On My Knees* “Kenner brings sizzling heat and high-pitched emotional tension to this second installment of her Stark

International trilogy . . . with a taut plotline and plenty of searing interludes.”—RT Book Reviews “Kenner once again grabs a hold of your thoughts and shakes the feels out of you. Secrets abound. Truths are exposed. Vulnerabilities are laid bare. . . . Basically, I'm floating in an ocean of Jackson Steele paradise. . . . [On My Knees] keeps you on the edge of pleasure and captures your interest with the threat of exposure.”—Obsessed with Myshelf “[The] heat quotient is very high, with Jackson and Sylvia . . . burning up the pages. . . . This is something I've come to expect from J. Kenner and she never disappoints.
